The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. The Silent Earth Series Book 1 - After the Winter: amazon.com/dp/B00P02FBPM

Knocking on Heaven's Door Christian Faith Publishing, Inc.

Pits and Gems: A Better Way to Live is an inspirational and encouraging self-help book. A mix of personal stories informed by a medical background, Accilien explains various topics which cause stress in our lives. From the illness of a relative and financial problems to abuse, exercising, and sleep deprivation, each chapter in the book is full of detailed knowledge and anecdotes about stressors in the modern world. In addition to helping the reader understand the stressors, each topic supplies a self-assessment section as well as plenty of advice and tips to overcome life's adversities. Though this book is a reflection of her own thoughts and opinions, Accilien was inspired to write them after meditating on things she watched on TV, read in newspapers, magazines, web pages and medical books. If you want to learn more about the many subjects discussed in this book, the author encourages you to do your own research.

Embracing Greatness CreateSpace

A man named Jesus, whom is considered the Christ by countless people around the world to this day, lost his life at the hands of barbarians while residing in Canaan, where he devoted his life to making those around him aware they had the potential to become gods. Despite the accumulation of so many technological innovations over the past two millennium that were supposed to ease the daily hardship of people everywhere, so more time could be devoted to pursuits that cultivate the mind, evidence indicates that the size of the Homo-sapien brain, male and female alike, has persistently decreased over this passage of time. The pain, and suffering, endured by Jesus was supposed to serve as a wake up call to the savages in his midst, and the generations to follow, that they had much to learn about what he means to be civilized, as we see amply evidence of to this very day.

The Story of With HarperCollins

Burnout, breakdowns, depression and moral failure are on the increase within pastoral ministry.

Without change many will struggle and feel unable to find freedom. In his book David shares with a transparent heart his journey through depression, anxiety and multiple breakdowns. Revealing how God showed him to live in a better way

A Better Way to Live CreateSpace

This easily accessible translation and commentary by Thich Nhat Hanh on the Sutra on Knowing the Better Way To Live Alone, is the earliest teaching of the Buddha on living fully in the present moment. "To live alone" doesn't mean to isolate oneself from society. It means to live in mindfulness: to let go of the past and the future, and to look deeply and discover the true nature of all that is taking place in the present moment. To fully realize this is to meet our appointment with life and to experience peace, joy, and happiness this realization brings. A wonderful addition to the library of anyone interested in Buddhist studies. "Our appointment with life is in the present moment. The place of our appointment is right here, in this very place." Thich Nhat Hanh in *Our Appointment with Life*

A Better Way of Dying CreateSpace

Everyone comes from different walks of life doing whatever we were taught or observed growing up, however it's very important to have structure and order in our lives, homes, neighborhoods, ministries, workplaces.... We should know the proper way to conduct ourselves, also teach our children to do the same and realize this world does not revolve around just you or me, thus being mindful of other people in our midst. WHAT HAPPENED TO THE DAYS WHERE EVERYONE TREATED THEIR FELLOW MAN WITH LOVE AND RESPECT? God would be very pleased if we behaved in a manner that glorified Him. This book unzips an abundance of tools and other resources to help you maneuver and maximize your lives more effectively and provides instructions on how to be considerate of others in various situations and environments.

The Pebble in My Shoe Hope & Plum Publishing

The fail-safe plan for ensuring one's final wishes are respected Advanced directives and living wills have improved our ability to dictate end-of-life care, but even these cannot guarantee that we will be allowed the dignity of a natural death. Designed by two sisters-one a doctor, one a lawyer-and drawing on their decades of experience, the five-step Compassion Protocol outlined in *A Better Way of Dying* offers a simple and effective framework for leaving caretakers concrete, unambiguous, and legally binding instructions about your wishes for your last days. Meant for people in every walk of life-from the elderly, to those in the early stages of mentally degenerative diseases like Alzheimer's, to healthy young people planning for an unpredictable future-this book creates space for a discussion we all must have if we wish to ensure comfort and control at the end of our lives..

Live in a Better Way Bantam

This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to

the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

But I Tell You CreateSpace

In *Love That Lasts*, New York Times bestselling author of *Jesus > Religion* Jefferson Bethke and his wife, Alyssa, expose the distorted views of love that permeate our culture and damage our hearts, minds, and souls. Drawing from Jeff's "prodigal son" personal history and from Alyssa's "True Love Waits" experience, the Bethkes point to a third and better way. Blending personal storytelling with biblical teaching, they offer readers an inspiring, realistic vision of love, dating, marriage, and sex. Young people today enter adulthood with expectations of blissful dating followed by a romantic, fulfilling marriage only to discover they've been duped. They learned about love and sexuality from social media, their friends, Disney fairy tales, pornography, or even their own rocky past, and they have no idea what healthy, lifelong love is supposed to be like. The results are often disastrous, with this generation becoming one of the most relationally sick, sexually addicted, and divorce ridden in history. Looking to God's design while drawing lessons from their own successes and failures, the Bethkes explode the fictions and falsehoods of our current moment. One by one, they peel back lies such as, the belief that every person has only one soul mate, that marriage will complete you, and that pornography and hook-ups are harmless.

Living in a Make-Believe World Bantam

Have you ever been in a situation that you can't really have answers to? Have you ever been scared that someone out there knows all about you - even the things you do in your own apartment - but still can't place a finger on who really the person is? It isn't a pleasant feeling indeed. I don't know if you know about that, but I am sure several people have once gone through similar ordeals. I hear it's not easy at all, and I concur with people that say this because for me, it was a difficult guessing game. One moment you think you know who is behind it all, the next you are all confused, doing a back and forth between separate suspects. Nevertheless, I lived to see another day and can write about my story for you to see just how much I was troubled by this whole issue.

Do's and Don'ts to a Better Way of Living Penguin

As eighteen-year-old Cheryl Hunter escapes rural Colorado for the bright lights of Europe, she does so with nothing more than an over-packed suitcase and a dream. Once there, her mind is bent on solving one problem alone: how does a small-town cowgirl pull off the feat of becoming an international supermodel? When Cheryl is abducted, raped and brutally beaten instead, she is faced with solving a much bigger problem: how does she survive? Using her journey of rising from the ashes as fuel, Hunter delivers a step-by-step method that can be applied by anyone who has ever dealt with less-than-favorable circumstances. In a world where—let's face it—life often hijacks our personal agendas, Cheryl shows you how to immediately take back the reins, design a life you love, and become the unstoppable force of nature you were born to be.

Live As a Man. Die As a Man. Become a Man. Brandt Tobler

In the Sermon on the Mount, Jesus calls his followers to a new lifestyle that affects all our relationships. The author's insights from the original Greek give illumination and depth that help the reader rediscover truth in this classic sermon.

Little Harry Rabbit and the Yeahbut Xulon Press

The author recounts his descent into despair and his discovery of spiritual nourishment in the works of Aristotle, Emerson, Ben Franklin, and Plato, and enumerates the seventeen rules that helped transform his life. Og Mandino was one of the leading inspirational authors in the world. But once, he was a thirty-five-year-old derelict who nearly spent his last few dollars on a suicide gun. In *A Better Way to Live*, he describes the joyously redemptive process that turned a down-and-out alcoholic into a millionaire and a happy man within ten years. Og Mandino is the only person who could tell this heartwarming tale of personal triumph—because it is his own true story. And it can profoundly influence your life. Here are the principles that turned Og Mandino's life around: his seventeen "Rules to Live By." These simple, easy-to-follow rules comprise a sound, wise prescription for inner growth and for a fulfilling everyday life that will work for you—just as it worked for Og Mandino. You can avoid spending even one more day feeling failure, grief, poverty, shame, or self-pity. Here is a better way to live: a way that literally saved Og Mandino's life, a way that can help make your dreams come true.

The Quantum Life A Better Way to Live

For nearly 60 years dentists from around the world have traveled to St. Petersburg, Florida to attend Peter Dawson's seminars on "The Concept of Complete Dentistry." He's personally taught more than 50,000 of those practitioners. In the process he literally redefined dentistry and its standard of care by challenging his professional peers to raise their sites beyond "usual and customary" practices, to become true physicians of the masticatory system. But the most important reason for reading this book? It's the promise reflected in its title and in Pete Dawson's life-long quest to discover A Better Way. A Better Way to practice dentistry, for sure. But also, A Better Way to define success. A Better Way to balance the demands of a career with the needs of a family. In short, A Better Way to live.

The Seeds of New Earth (the Silent Earth, Book 2) Barclay Press

Outlines a less invasive, more humane approach to end-of-life care, sharing the stories of the author's parents and explaining the political and technological factors that are interfering with patient preferences.

Tree of Life Macmillan

Life is about change. So many times we get caught up thinking things or situations are bad, when in reality, they are all good. Jim Riviello's story is about meaningful change that you can achieve in every area of your life. Jim reveals the little, everyday decisions we all make that will either move us closer to the life we desire or take us off the beaten path, making it harder to find our way. Do you ever wonder if "There is a Better Way?" Are you searching for authentic Clarity and Discipline, both personally and professionally? In this unique story, you'll discover that the BETTER WAY we are all searching for is within each of our grasps and you already have everything you need, at this moment, to be successful and happy.
