"His father's stolen blessing in hand, the young Jacob, not yet a patriarch, lights out for the territories. His flight rewinds history, retracing the thread of family destiny back to Harran, where once his grandfather Abraham heard the voice of a new god speaking: lech lecha, take yourself and go. This time, it is the voice of his mother Rebekah that Jacob heard, telling him "look, Esau your brother is consoling himself by plotting to kill you" (Gen. 27:42). He chooses the better part of valor and his life not only begins, but, happily for him, continues. In Harran, in the home of his uncle Laban, Jacob will marry, not once but twice, and become the father of thirteen children-one daughter, and twelve sons (Gen. 29-30). After fourteen years, Jacob and his family return to Canaan, and near the

end of his life, travel from Canaan to Egypt (Gen. 46). In Egypt, in the fullness of time, the descendants of Jacob's twelve sons become the twelve tribes of Israel, a populous and powerful nation. From the book of Exodus on, the myth of the twelve tribes of Israel is the beating heart of the story the Bible tells. It is the tribes that Moses leads out of Egypt, into the wilderness"--

Enjoy having a simple overview on the 12 Tribes of Israel at your fingertips. See each tribe's symbol, meaning, history, and other fascinating facts at a glance. Includes incredible visual aids, such as a full-color map, family tree, Tabernacle diagram, and more. Almost every person in the Bible belonged to one of the 12 Tribes of Israel based on their ancestry:

From Moses who was a Levite to the Apostle Paul who was Benjaminite. Each tribe had its own history, land, and heritage. Now you can easily grasp the "backstory" of each tribe and see key information at a glance! For example, find out the significance of Jesus being called the "Lion of Judah." For each of the 12 Tribes of Israel, you will get—

- A quick overview of its meaning, size, family history, location, and more.
- A picture of the tribe's symbol (such as the lion from the Tribe of Judah)
- Simple summary of Jacob's blessing, Moses' blessing, and other key events related to each tribe. (Find out the major battles, controversies, and scandals that impacted each tribe. Plus, see which important Bible people came from each tribe of Israel.)

Features Incredible Visual

Aids (Map of Israel, Tabernacle Diagram, and more) This pamphlet is packed with visual aids that will help you see key information at a glance. These visuals will enrich your understanding of the 12 Tribes of Israel and add depth to any Old Testament study:

- Family Tree of Jacob (Israel)
- Tabernacle diagram showing where each of the 12 tribes encamped around the Tabernacle.
- Time Line showing key events, starting with Abraham's journey from Haran
- Easy-to-read, full-color map showing how the "promised land" was divided amongst each of the 12 tribes according to their inheritance. The map is color-coded so you can easily spot each tribe's location!

The Ten Lost Tribes Rose Publishing (CA)

In the Wilderness is a classic work on the

anthropology of the Book of Numbers. Up to now Bible scholars have tended to dismiss Numbers - Wellhausen called it the junk room of the Bible, and most contemporary commentaries feel called upon to say something about its apparent lack of coherence. In this book Mary Douglas argues that Numbers is composed of 12 alternating sections of law and narrative arranged in a ring, with each law and narrative section corresponding to its pair on the other side. Notes from a Hebrew scholar confirm the pattern by identifying objectively the beginnings and endings of law and narrative. On this showing Numbers turns out to be an extremely coherent example of a well-known antique rhetorical system. The meaning of the book comes out very differently

according to whether it is read linearly or as written, synoptically. Professor Douglas shows that Numbers is not heavy or obscure but reads like a detective story. WITH REGARD TO LEVITICUS AS LITERATURE The books of Numbers and Leviticus stand at the centre of the Pentateuch and are revered as the basis of biblical Judaism. In her two books Mary Douglas argues that neither has been read in its own terms. Oxford University Press have brought together Professor Douglas's two ground-breaking works because the process of discovery is continuous, the work on Leviticus builds on the work for Numbers. The second book is the fruit of the first. They each make more sense together than apart.

Tudor Parfitt examines a myth which is based on one of the world's oldest mysteries - what happened to the lost tribes of Israel? Christians and Jews alike have attached great importance to the legendary fate of these tribes which has had a remarkable impact on their ideologies throughout history. Each tribe of Israel claimed descent from one of the twelve sons of Jacob and the land of Israel was eventually divided up between them. Following a schism which formed after the death of Solomon, ten of the tribes set up an independent northern kingdom, whilst those of Judah and Levi set up a separate southern kingdom. In 721BC the ten northern tribes were ethnically cleansed by the Assyrians and the Bible states they were

placed: in Halah and in Habor by the river of Gozan and in the city of Medes. The Bible also foretold that one day they would be reunited with the southern tribes in the final redemption of the people of Israel. Their subsequent history became a tapestry of legend and hearsay. The belief persisted that they had been lost in some remote part of the world and there were countless suggestions and claims as to where. The History of a Myth Xlibris Corporation
What are the roots and deeper meanings of the Tribes of Israel? How did the blessings received by the Tribes from Yaakov Avinu differ from those of Moshe Rabbeinu? What are the unique characteristics of each Tribe? With years of careful research and writing, this book answers all the above questions--and

more, giving fascinating insight into the Twelve Tribes of Israel, the Shevatim. Includes many charts, maps, and illustrations to give a clear and in-depth explanation of the Tribes in an easy-to-read format. The author draws from his experience as an esteemed educator, and this extremely readable book will be enjoyed by both adults and young readers.

The national restoration and conversion of the twelve tribes of Israel, or, Notes on some prophecies believed to relate to those two great events Mohr Siebeck

The newest Oprah's Book Club 2.0 selection: this special eBook edition of *The Twelve Tribes of Hattie* by Ayana Mathis features exclusive content, including Oprah's personal notes highlighted within the text, and a

reading group guide. The arrival of a major new voice in contemporary fiction. A debut of extraordinary distinction: Ayana Mathis tells the story of the children of the Great Migration through the trials of one unforgettable family. In 1923, fifteen-year-old Hattie Shepherd flees Georgia and settles in Philadelphia, hoping for a chance at a better life. Instead, she marries a man who will bring her nothing but disappointment and watches helplessly as her firstborn twins succumb to an illness a few pennies could have prevented. Hattie gives birth to nine more children whom she raises with grit and mettle and not an ounce of the tenderness they crave. She vows to prepare them for the calamitous difficulty they are sure to face in their later lives, to meet a world

that will not love them, a world that will not be kind. Captured here in twelve luminous narrative threads, their lives tell the story of a mother's monumental courage and the journey of a nation. Beautiful and devastating, Ayana Mathis's *The Twelve Tribes of Hattie* is wondrous from first to last—glorious, harrowing, unexpectedly uplifting, and blazing with life. An emotionally transfixing page-turner, a searing portrait of striving in the face of insurmountable adversity, an indelible encounter with the resilience of the human spirit and the driving force of the American dream.

Jacob's Dozen is a study of the biblical history and prophecies associated with each of the tribes of Israel. It is based on Jacob's deathbed prophecies concerning each of his twelve sons found in Genesis 49. The remarkable manner in which each prophecy was fulfilled in that tribe's history is clearly explained. Other fascinating subjects, such as the lost tribes of Israel and the role of the tribes in the end times, are explored. You will be amazed and blessed by this scholarly, yet readable prophetic look at the tribes of Israel.

The Twelve Tribes of Israel Targum Press

Is there a book of the Bible more often discussed and yet less understood than the Book of Revelation? The "seven seals." The "dragon." The "beast." The

"sea of glass." The fantastic imagery found in the Book of Revelation has long captivated Christians but remains mysterious to many. In the midst of so much discussion about the end times, what does Revelation teach us about living in the present moment, with our eyes focused on the heavenly Jerusalem? Michael Barber's *Coming Soon* explores these questions by taking a detailed look at Revelation and its rich tapestry of prophecy, history, and biblical allusion. Barber explores the profound link between the Mass celebrated here on earth and the eternal reality of heaven, demonstrating that the Apocalypse reveals truth that has practical implications for today and points to a firm hope in tomorrow. *Coming Soon* is a verse-by-verse

commentary on the Book of Revelation using the Revised Standard Version: Catholic Edition of the Bible. Barber provides a Catholic interpretation, which sees the liturgical background of this book of Scripture—a perspective missing in many Protestant commentaries.

Rose Publishing Inc

In this study, Andrew Tobolowsky offers a new approach to biblical descriptions of the tribes of Israel as the "sons of Jacob". He reveals how shifting assumptions about early Israelite history and the absence of references to Jacob in most accounts of the tribes make it unlikely that this understanding was part of early tribal discourse. Instead, drawing on extensive similarities between the role Jacob's children plays

in the biblical narrative and the role that shared descent from figures such as Hellen and Herakles play in the construction of ancient Greek histories, Andrew Tobolowsky concludes that the "tribal-genealogical" concept was first developed in the late Persian period as a tool for the production of a newly integrated, newly coherent account of a shared ethnic past: the first continuous biblical vision of Israelite history from Adam to the fall of Jerusalem and beyond.

This material will be based on several things to tie a lot of things together, that might have been hindering us as Christians to grow to our potential. You see there are keys in the word of God that must be understood. To receive the total blessing of the promises we must be in compliance of God's revelation for man. Within the keys we find many things and within this material we are going to be looking for a greater understanding of Christ Jesus. I found the best way to do that is to study the

tribes. For which will enhance our understanding of the Old Testament, and exactly how things connected to the New Testament. And most of all give us better understanding of the Savoir our Lord Jesus Christ, through understanding His character. We will look at the four major characteristics of our Lord. To see how His perfection of the traits that combined together outlined the characteristic which the tribes possessed. Each trait is a key in our understanding of a closer walk with Christ. As we see the riches in getting closer to the perfect character of Christ Jesus in our daily life. To enhance our life in such a way that we can have victory in areas were we struggle. Not saying we are going to be perfect here on earth, but we can strive to be better each day.

We will also decipher some keys which will unlock and give clarity in some things in the New Testament. That will enrich our lives forever! God Bless You! Let's get started. The power in God's revelation instead of man's interpretation sets free some things that hinders. This book will be looking at the qualities or traits that build characteristics that combined with other characteristics built Christ Jesus character. With the understanding of the Tribes will give the quality that builds characteristics that grows and develops character. Enjoy the readings you have my Blessings as well as my Prayers! God Bless
 ארמון השבטים במקרא Cambridge University Press
 In this book the author takes a unique

approach in presenting the information of the history of each of the Twelve Tribes of Israel. He begins from the time of their first forefathers, continues with their incipience as tribes, moves on to their full development as 'semi-nations' within the people of Israel, and then ends by stating the final destiny of each of them. In order to do this, the author goes throughout the Bible and collects all the possible information about each tribe, and then puts that information together in chapters, one for each tribe. From each tribe, the author draws a spiritual lesson that he states in the conclusion of each chapter. Each chapter follows the following format: A. Name of the tribe B. Map of the tribe containing:

- a. Tribe's specific location in the Promised Land
- b. Tribe's flag
- c. Tribe's

logo (taken from the blessing of Jacob) C. Welcome and Presentation D. A common history (with the rest of the tribes of Israel) E. A unique history (of the described tribe)

- a. Tribe's territory
- b. Tribe's famous places
- c. Tribe's famous persons
- d. Tribe's famous story(s)

F. Conclusion

The Twelve Tribes are addressed in alphabetical order, and not in the order of their significance, or the order of the birth of their forefathers, the twelve sons of Jacob.

The Tribes of Israel Oxford University Press

An "illuminating" and "richly descriptive" (New York Times Book Review) portrait of contemporary Israel, revealing the diversity of this extraordinary yet volatile nation by weaving together personal histories of ordinary citizens from all

walks of life. “In Twelve Tribes, Ethan Michaeli proves he is a master portraitist – of lives, places, and cultures. His rendering of contemporary Israel crackles with energy, fueled by a historian’s vision and a journalist’s unrelenting curiosity.” — Evan Osnos, New York Times bestselling author of *Age of Ambition* and *Wildland* In 2015, Israeli President Reuven Rivlin warned that the country’s citizens were dividing into tribes: by class and ethnicity, by geography, and along lines of faith. In *Twelve Tribes*, award-winning author Ethan Michaeli portrays this increasingly fractured nation by intertwining interviews with Israelis of all tribes into a narrative of social and political change. Framed by Michaeli’s travels across the country over four years and his

conversations with Israeli family, friends, and everyday citizens, *Twelve Tribes* illuminates the complex dynamics within the country, a collective drama with global consequences far beyond the ongoing conflict with the Palestinians. Readers will meet the aging revolutionaries who founded Israel’s kibbutz movement and the brilliant young people working for the country’s booming Big Tech companies. They will join thousands of ultra-Orthodox Haredim at a joyous memorial for a long-dead Romanian Rebbe in a suburb of Tel Aviv, and hear the life stories of Ethiopian Jews who were incarcerated and tortured in their homeland as “Prisoners of Zion” before they were able to escape to Israel. And they will be challenged, in turn, by portraits of Israeli

Arabs navigating between the opportunities in a prosperous, democratic state and the discrimination they suffer as a vilified minority, as by interviews with both the Palestinians striving to build the institutions of a nascent state and the Israeli settlers seeking to establish a Jewish presence on the same land. Immersive and enlightening, *Twelve Tribes* is a vivid depiction of a modern state contending with ancient tensions and dangerous global forces at this crucial historic moment. Through extensive research and access to all sectors of Israeli society, Michaeli reveals Israel to be a land of paradoxical intersections and unlikely cohabitation—a place where all of the world’s struggles meet, and a microcosm for the challenges faced by

all nations today.

The Legacy of Return BRILL

In *Secularising the Sacred*, Mishory offers an account of Zionist Israeli artists-designers' visual corpus and artistic lexicon of Jewish-Israeli icons as an anchor for the emerging “civil religion,” through a process of giving visual form to Zionist ideas and myths.

In *The Ten Lost Tribes*, Zvi Ben-Dor Benite shows for the first time the extent to which the search for the lost tribes of Israel became, over two millennia, an engine for global exploration and a key mechanism for understanding the world.

[Jacob and the Twelve Tribes of Israel](#)

Weidenfeld & Nicolson Limited

The Myth of the Twelve Tribes of Israel is the first study to treat the history of claims to an Israelite identity as an ongoing historical phenomenon from biblical times to the present. By treating the Hebrew Bible's accounts of Israel as one of many efforts to construct an Israelite history, rather than source material for later legends, Andrew Tobolowsky brings a long-term comparative approach to biblical and nonbiblical "Israelite" histories. In the process, he sheds new light on how the structure of the twelve tribes tradition enables the creation of so many different visions of Israel, and generates new questions: How can we explain the enduring power of the myth of the twelve tribes of Israel? How does "becoming Israel" work, why has it

proven so popular, and how did it change over time? Finally, what can the changing shape of Israel itself reveal about those who claimed it?
