Hacker and Paul Pierson "American Amnesia" is a much-needed refresher of what truly made America great and what we can do to restore a well-functioning government that promotes shared prosperity.  
American Amnesia: Business, Government, and the Forgotten ...But according to Jacob Hacker and Paul Pierson's new book, American Amnesia, as power has become more

concentrated in the hands of the country's wealthy, the very instrument that brought America prosperity is now at risk of being scrapped and neglected. American Amnesia - The Century Foundation America can ill-afford continued amnesia in its foreign policy, any more than it can afford to allow public opinion to dictate national security policy. Because regardless of whether we want to be at war or not, al-Qaeda, the Taliban, and those like them across the globe are far from gone, and they are not going anywhere without a fight. American Amnesia In The Afghan War - War on the Rocks In American Amnesia, bestselling political scientists Jacob S. Hacker and Paul Pierson trace the economic and political history of the United States over the last century and

show how a viable mixed economy has long been the dominant engine of America's prosperity. We have largely forgotten this reliance, as many political circles and corporate actors have come to mistakenly see government as a hindrance rather than the propeller it once was. American Amnesia | Book by Jacob S. Hacker, Paul Pierson ... War on American Amnesia. June 17, 1971 Statement from President Richard Nixon [Revised June 24, 2019] America's public enemy number one in the United States is American Repression and Amnesia 1.
