The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

*Palanquin Bearers* Penguin Books India

Anton Pavlovich Chekhov, (29 January 1860 – 15 July 1904) was a Russian physician, dramaturge and author who is considered to be among the greatest writers of short stories in history. His career as a dramatist produced four classics and his best short stories are held in high esteem by writers and critics. Chekhov practised as a medical doctor throughout most of his literary career: "Medicine is my lawful wife", he once said, "and literature is my mistress."Chekhov renounced the theatre after the disastrous reception of *The Seagull* in 1896, but the play was revived to acclaim in 1898 by Constantin Stanislavski's Moscow Art Theatre, which subsequently also produced Chekhov's *Uncle Vanya* and premiered his last two plays, *Three Sisters* and *The Cherry Orchard*. These four works present a challenge to the acting ensemble as well as to audiences, because in place of conventional action Chekhov offers a "theatre of mood" and a "submerged life in the text."Chekhov had at first written stories only for financial gain, but as his artistic ambition grew, he made formal innovations which have influenced the evolution of the modern short story. His originality consists in an early use of the stream-of-consciousness technique, later adopted by James Joyce and other modernists, combined with a disavowal of the moral finality of traditional story structure. He made no apologies for the difficulties this posed to readers, insisting that the role of an artist was to ask questions, not to answer them. Always modest, Chekhov could hardly have imagined the extent of his posthumous reputation. The ovations for the play, *The Cherry Orchard*, in the year of his death showed him how high he had risen in the affection of the Russian public—by then he was second in literary celebrity only to Tolstoy, who outlived him by six years—but after his death, Chekhov's fame soon spread further afield. Constance Garnett's translations won him an English-language readership and the admiration of writers such as James Joyce, Virginia Woolf, and Katherine Mansfield. The issues surrounding the close similarities between Mansfield's 1910 story "The Child Who Was Tired" and Chekhov's "Sleepy" are summarised in William H. New's *Reading Mansfield and Metaphors of Reform* The Russian critic D.S. Mirsky, who lived in England, explained Chekhov's popularity in that country by his "unusually complete rejection of what we may call the heroic values." In Russia itself, Chekhov's drama fell out of fashion after the revolution but was later adapted to the Soviet agenda, with the character Lopakhin, for example, reinvented as a hero of the new order, taking an axe to the cherry orchard.One of the first non-Russians to praise Chekhov's plays was George Bernard Shaw, who subtitled his *Heartbreak House* "A Fantasia in the Russian Manner on English Themes" and noted similarities between the predicament of the British landed class and that of their Russian counterparts as depicted by Chekhov: "the same nice people, the same utter futility."

*The Portrait of a Lady* Jammu & Kashmir GK General Knowledge Objective Question Bank Based on Previous Papers

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

*When You Are Old* Routledge

What is it that we as a nation are missing? Why, given all our skills, resources and talents, do we settle so often for the ordinary instead of striving to be the best? At the heart of Ignited Minds is an irresistible premise: that people do have the power, through hard work, to realize their dream of a truly good life. Kalam's vision document of aspiration and hope motivates us to unleash the dormant energy within India and guide the country to greatness.
