Drawing on biblical teaching and the ministry of the early church, Gareth Weldon Icenogle offers guidance for setting up and running a biblically based small-group ministry program.

While many pastoral ministry books focus on the practical duties of the pastor, few works actually consider how theological truth defines the pastor's role and responsibilities. These pragmatic ministry tools, though instructionally beneficial, essentially divorce biblical doctrine from ministerial practice. As a result, pastors' lives and ministries often lack the theological roots that provide the stability and nourishment necessary to sustain them.

Pastoral Theology constructs a theological framework for pastoral ministry that is biblically derived, historically informed, doctrinally sound, missionally engaged, and contextually relevant. By using traditional theological categories the authors explore the correlation between evangelical doctrine and pastoral practice. Through careful theological integration they formulate a ministry philosophy that defines the pastoral office and determines its corresponding responsibilities in light of theological truth. The authors provide a theological understanding of the pastorate that will equip aspiring pastors to discern and pursue their calling, challenge younger pastors to build on ministerial truth instead of ministerial trends, and inspire seasoned pastors to be reinvigorated in their passion for Christ and his church.

"In a rapidly changing world,... the central missionary vision of the church must be constantly renewed, lest its foundations become lost in the confusion of change or its practices trapped in missionary models of the past." In this second edition of *Missions*, long-time missionary Gailyn Van Rheenen revises and updates his classic text on Christian missions, laying sound theological and strategic foundations for the missionary of today and tomorrow. Van Rheenen helps renew the missionary vision by discussing areas such as: The history of Christian mission, and how it affects where we are today Spiritual formation for God's mission The missionary cycle Cross-cultural communication The character and calling of missionaries Types of missionaries Church maturation

Selecting mission fields The role of money in missions Four levels of involvement in missions But *Missions* is more than blackboard theory. Written by a long-time missionary, it carries the conviction and insights of one who has lived his subject. Accessible to students, practitioners, and laypeople alike, *Missions* provides a primary go-to resource for understanding and becoming involved in the dynamic activity of world missions.

God, Marriage, and Family (Second Edition) Palibrio

The second edition of *The Teaching Ministry of the Church* makes a major overhaul of its predecessor, increasing the content from eighteen to twentythree chapters and contributors from six to thirteen. These writers assert the need for such an expanded update is due to our everchanging world. For example, the rise of Islamic fundamentalism, proliferation of religious sects, and secularization of our culture greatly increase the importance of ensuring the church produces fully developed, biblically informed followers of Jesus. To that end, *The Teaching Ministry of the Church* presents a full overview of Christian education in four major sections: Theological Foundations, Biblical Foundations, Preparation for Teaching, and Structuring the Teaching Ministry of the Church. Within this framework, a step-by-step plan for establishing and maintaining an effective teaching ministry among preschoolers, children, youth, and adults takes shape. Key chapters: "The Bible as Curriculum," "The Church's Role in Teaching," "Creating an Unforgettable Learning Experience," and "Equipping Teachers." [Building Your Life on the Basic Truths of Christianity](#) Baker Academic Foundation addresses the very core of

our integral being. It is the single most important thing in our lives. Our success or failure is determined by the type of foundation we have. No marriage succeeds without a solid foundation. No business lasts without a solid foundation. No country triumphs without a firm foundation. No ministry experiences a breakthrough without it. Foundation is connected to every aspect of our lives. I have seen a lot of families, businesses, Careers and ministries growing or breaking up as a result of the foundations they laid. Beloved, the purpose of this book is not just to reveal the effects of the wrong foundation we have laid but also to reveal the remedy for the broken foundation. "If the foundations are destroyed, what can the righteous do?" (Psalm 11:3, KJV). This question remains the enigma that everybody needs to solve. As you read this book, ask yourself some sincere questions regarding the problems you've had and the one you are passing through right now. Are the foundations of your marriage, business, career, spiritual life, etc., in good order? If not, my prayer for you is that as you read this book, you might find joy, peace, victory, solution and fulfilment that only the power available in the name of Jesus Christ, our ultimate Foundation brings.

In this first book of the logos apologetics series, we will trace the earliest manifestations of apologetics. We will examine the biblical record of apologetic expressions and emanations from the Garden throughout Jewish history. In addition, the development of apologetic groups within the Jewish community will be explicated. Moreover, apologetic personalities will be explored. It is our hope that the information presented will help the modern apologist operate in

this ministry with a proper understanding and foundation.

Dean Borgman, a nationally known youth ministry expert, offers a new edition of his influential classic. Reaching a broadly ecumenical audience, this book challenges readers to think about the theological nature of youth ministry. Questions for discussion and reflection are included. This thoroughly updated edition was previously published as *When Kumbaya Is Not Enough*. Praise for the first edition "Writing with the lens of a theologian, the heart of a pastor, and welcome doctrinal breadth, Borgman has provided a 'field book' of pastoral theologies that takes seriously the social systems shaping the lives of adolescents. This book is a significant step toward the long-awaited conversation about theology and youth ministry in postmodern culture."--Kenda Creasy Dean, Princeton Theological Seminary; author of *Almost Christian* "In this excellent work Borgman brings theological integrity, depth, and years of wisdom like nothing else I have seen in our field."--Jim Burns, author of *Teenology: The Art of Raising Great Teenagers*

FOUNDATIONS takes an in depth approach to the design and function of ministry and discipleship. We find in the modern Church a great need for discipleship and spiritual training. Many believers, who "know to do good," struggle in their daily spiritual life as they long for an expression of overcoming faith. FOUNDATIONS leads the reader into a meaningful recognition of their place in Christ. He is our righteousness and God's grace and goodness leads every saint into a repentant and firm faith. There are two kinds of "knowledge" spoken of in the Bible, which are information and application. Information is knowledge that "puffs up" (1 Corinthians 8:1), due to the potential it has to lure people into believing that the more information they have about the Bible, the more mature they are. Hosea speaks about the second type of knowledge when he wrote: "My people are destroyed for lack of knowledge." He was expressing our need for the application of God's word that is necessary for the salvation of our souls and the impartation of Christ-likeness every Christ needs. The application of spiritual truth is the key to an overcoming faith and a renewed mind. Because of this, FOUNDATIONS offers a functional approach to Discipleship and spiritual training which develops the believer's ability to stand

firm in the faith they profess. With this in mind; Solomon asked God for an "understanding heart (i.e., "a hearing heart" - 1 Kings 3:9)," because he understood that in order for anyone to be inclined toward wisdom they had to first hear God. FOUNDATIONS is designed to help the believer mature in their faith by expanding their ability to renew their mind while they develop an understanding heart, so they can learn to hear the Holy Spirit in a clarifying way. Every saint must mature in their ability to hear God as they read the Bible and listen to the Holy Spirit, and this is more readily accomplished through the discipleship process and through spiritual growth. FOUNDATIONS is an exegetical study that was compiled over twenty-eight years of pastoral and ministry experience. It is a study of the Scripture that dives deeply into the ways of God as it also expounds on many of the principles, practices, and doctrines found in the Scriptures. FOUNDATIONS is a practical tool for the serious disciple, and an aid for every Church leader.

[The Ministry As Designed by God](#)

Kevin Giles has been writing on women in the Bible for over forty years. In this book, *What the Bible Actually Teaches on Women*, he gives the most comprehensive account to date of the competing conclusions to this question and the issues surrounding it. To understand the bitter and divisive debate among evangelicals over the status and ministry of women, it needs to be understood that those who since 1990 have called themselves "complementarians" argue that in creation before the fall God set the man over the woman. Thus, the leadership of the man and the subordination of the woman in the home, the church, and wherever possible in the world (the whole creation) is the God-given ideal that is pleasing to God. It is this "theology" that Kevin Giles deconstructs and shows to be without a biblical foundation. Giles shows that he is fully conversant with the complementarian position and yet is unpersuaded by it. He sees it as an appeal to the Bible to preserve male privilege, similar to the appeals to the Bible to validate slavery and Apartheid; appeals to the Bible made by some of the best Reformed and evangelical biblical scholars, and now seen to be special pleading. Carefully studying the limited number of texts on which complementarians predicate their theology of the sexes, Giles finds not one of them actually teaches what complementarians claim. Furthermore, complementarians too often ignore the texts that are very difficult for them. In this book the ordination of women gets only passing mention. The constant focus is on whether or not the Bible subordinates women to men as an abiding theological principle.

Adoption and The Gospel delivers sound

biblical doctrine that most have never heard. One does not need to be a bible scholar to understand its message! Gerald Clark chronicles his struggle to overcome his traditional image of an orphanage, and how he learned from heart wrenching personal experiences with the children what they so desperately want and need. Six years working with children in an orphanage in the Philippines left Gerald and his wife seeking answers to difficult and very troubling questions. If God loves me, why am I an orphan? If you love me, why dont you adopt me? I kept asking myself , Whats wrong with this picture? No matter how much we love and care for children in an orphanage, theyre still orphans. Whats wrong with the picture is that we simply dont understand that children just dont want to BE orphans. Would we need more orphanages if Adoption was part of the Global Mission Strategy of every evangelical church in the world? Adoption says something about the Gospel and Gods love that no other word can say The Gospel is incomplete if it fails to include adoption Jesus came into the world to bring us a living example of Gods love, so that we might receive the adoption as sons! Galatians 4:4-5 As many as received Him, to them He gave the right to become children of God. John 1:12 The solution to the worlds orphan crisis is found in the bible. Adoption Ministry equips the church to accomplish the task, and God has called millions of families around the world who already want to adopt!

Comfort When the Shadow Falls Baker Books

The dynamic of leadership, there is an age-old debate about whether true leader is born or made. It is about spiritual leadership giving guide to the church, which is an organism not just an organization, and the manual is the Bible. The tool for leading the flock of God is prayer and the Word of God. Leadership is influence. As leaders, we are to influence others by setting good examples and be a servant leader. They are servant leaders because they follow Jesus. "Did not come to be served, but to serve." A leader with inquisitiveness, initiative, and involvement. The Delegate of Leadership from Exodus 18:12-27 helps us to know that we can't do it alone. Jethro's counsel was to delegate authority to others in judging the people while Moses remained a mediator between the people and God. Minor responsibilities were to be given to good men. These men were to have the following traits, many which are similar to the requirements for leadership in the church. "To empower the people to share the burden the work is too heavy for you; you cannot handle it alone" (Exod. 18:18). The essential for leadership is to get people motivated for the tasks. In the book of Nehemiah, I called it the Nehemiah principles of leadership. I learn that Nehemiah was a man who became consumed with a burden. In his example, we are reminded that whenever God uses a person to accomplish his work, it all begins with a burden. The book reveals that what was going in the heart of Nehemiah was the

call of God upon him. How to handle obstacles in leadership. First thing to do is pray. We must rely on God and respected the opposition and refused to quit. Keep our eye on the big picture. Learn to pick our battle to fight. We must learn to exercise humility when opposition come our way

The Believers Foundations Training Manual is a must study book for any newly born again believer in the Lord Jesus Christ. The book is also strongly recommended study for any believer who wants to ensure their foundational roots in the Word of God grows deeper. Many church groups do not have consistent training material for the newly born-again Christian. These are, for the most part, left to feed on scraps they could find here and there. Those who provide any such material seldom address critical and pertinent questions the new babe in Christ may have. The world is more complex, and has unique challenging puzzles for the Christian

faith; especially for the new Christian. This manual is designed to support the new Christian in the quest to seek the Lord Jesus from the very pages of the Holy Scriptures. This manual also equips the new believer to also not accept anything at face value, but ask good questions for clarification. This comes from the premise that the Holy Scriptures have the answers. The believer is imbibed with the notion that the answers, that the Lord Jesus has revealed, can be known in the pages of the scriptures through diligent search. For those of us who are older in the faith, you may have some of your long-held beliefs challenged by biblical textual evidence. We all need this learning curve to help us grow. Its a tremendous journey. Come aboard. For those who know it all, this manual is not for you.
