Have you been practicing for hours and hours with little progress? Here's how to get the most out of your practice sessions. "Practice, practice, practice until you can play it right!" The biggest lie the industry wants you to believe. A big fat lie! You shouldn't have to practice for hours or wait for years to be able to play your favorite songs. It sucks the joy out of learning the guitar and makes it boring and tedious. Yes, you need to practice. But not

as much as you've been told to! With the right practice strategy - you can get 10x results out of each practice session. And it's disturbing to see so many beginner guitarists fall into the trap of practicing with no end. To solve this problem - we created "Guitar Exercises for Beginners: 10x your guitar skills in 10 minutes a day". A book designed to provide a structured, systemized and disciplined way to practice guitar. We say you can enhance your guitar playing by practicing just 10 minutes a day. That's all it takes for most people to make incredible progress with their guitar skills. 10 minutes of the right practice every day. Automate progress in your guitar playing The book has exercises for whatever you might be practicing - finger independence, chords, scales, chord progressions etc. Pick a few exercises and practice it every day for 10 minutes - you can easily slide in these exercises into your everyday guitar routine. It's that simple! As the chapters in the book are divided according to stages of a beginner's guitar journey - the book will make sure you always have something to work

on! The right way to practice With over 100 well-crafted exercises this book will ensure a balanced mix of melody, harmony and rhythm. It Starts with simple guitar tablature and finger independence exercises. Then we move up a level to things like - how to hold a pick, picking methods, and strumming patterns. Followed by exercises for techniques like hammer-ons and pull-offs. With exercises dedicated to chords and scales - the book will make sure the concepts stick! After having mastered the basics - we move onto playing melodies and chords. Where we then end in style! With 10 popular chord progressions used by guitar gods such as - Jimi Hendrix, The Beatles, Green Day, Aerosmith we'll get you ready for your journey with popular songs. Here's a glimpse of what you'll find inside A simplified way to read guitar tablature A step-by-step approach to master complete finger independence The secret method of getting rhythmic with time signatures 10 easy and popular melodies and chord progressions Learn where these exercises are applied - references from

popular songs Visual references to help you nail all the methods and techniques No prior experience needed - completely beginner friendly We also provide free downloadable audio for each exercise in slow and medium tempo. Enjoy playing it and take it at your own pace, without getting frustrated or confused. Practice, practice, practice - but do it properly. What else? First 50 Songs You Should Play on

Acoustic Guitar Hal Leonard Corporation (Guitar Book). This unique publication contains 52 favorite Beatles songs arranged exclusively for the guitar. It is designed to provide an accurate look into the lead and rhythm guitar styles of George Harrison and John Lennon. Instead of providing transcriptions of the guitars off the record, these arrangements use the musical elements of the bass, drums, keyboards and guitars all incorporated into one

guitar so that they can be played alone or in a band. Written in tablature, this book also provides numbers, strums, accents and picking patterns for those who do not read music.

On odd days, Tripp uses a school practice room to let loose on a borrowed guitar. Eyes closed, strumming that beat-up instrument, Tripp escapes to a world where only the music matters. On even days, Lyla Marks uses the same practice room. To Tripp, she's trying to

become even more perfect—she's already a straight-A student and an award-winning cellist. But when Lyla begins leaving notes for him in between the strings of the guitar, his life intersects with hers in a way he never expected. What starts as a series of snippy notes quickly blossoms into the sharing of interests and secrets and dreams, and the forging of a very unlikely friendship. Challenging each other to write songs, they begin to connect, even though circumstances threaten to tear them apart. From beloved author Mary Amato comes a YA novel of wit and wisdom, both heartfelt and heart-breaking, about the power of music and the unexpected chords that draw us together.
