Perspectives on Wilhelm Reich - Part 6/7 **Wilhelm Reich Documentary Film Project - Trailer** ~~Perspectives on Wilhelm Reich—Part 4/7~~ Character Analysis Wilhelm Reich Reich's classic work on the development and treatment of human character disorders, first published in 1933. As a young clinician in the 1920s, Wihelm Reich expanded psychoanalytic resistance into the more inclusive technique of character analysis, in which the sum total of typical character attitudes developed by an individual as a blocking against emotional excitations became the object of treatment. Character Analysis: Third, Enlarged Edition: Amazon.co.uk

...Reich's classic work on the development and treatment of human character disorders, first published in 1933. As a young clinician in the 1920s, Wilhelm Reich expanded psychoanalytic resistance into the more inclusive technique of character analysis, in which the sum total of typical character attitudes developed by an individual as a blocking against emotional excitations became the object of treatment. Character Analysis by Wilhelm Reich - Goodreads Wilhelm Reich Characterology. Wilhelm Reich is considered the Western originator of the science of Body Mind Psychotherapy. Freud and early psychologists discovered that there is a childhood developmental process that is now known to be windows of plasticity in the brain where the developing child has their beliefs, feelings and attachments to parents, others, and objects influenced in a positive or negative way. Wilhelm Reich Characterology | Bodymind Therapy ...In the paragraph above, the writing of "Character Analysis", subsequent approval, and final suppression, is exposed by Wilhelm Reich. It seems to be the usual sequence of events, concerning the exposure of Truth,

to a world full of lies..... this is why humanity's winning bores me to the core of my being! Truth is presented and recognized by that part of the being capable, still, of aligning itself with and equal, that is, Truth with Truth; immediately external forces emerge ...Character Analysis - Wilhelm Reich As a young clinician in the 1920s, Wilhelm Reich expanded psychoanalytic resistance into the more inclusive technique of character analysis, in which the sum total of typical character attitudes developed by an individual as a blocking against emotional excitations became the object of treatment. These encrusted attitudes functioned as an "armor," which Reich later found to exist simultaneously in chronic muscular spasms. Character Analysis | Wilhelm Reich | Macmillan As a young clinician in the 1920s, Wilhelm Reich expanded psychoanalytic resistance into the more inclusive technique of character analysis, in which the sum total of typical character attitudes developed by an individual as a blocking against emotional excitations became the object of treatment.  These observations spurred the development of the concept of character. Character would be a personality construct that explained the inefficacy of mere 'uncovering' in producing change. Wilhelm Reich also noticed that the patterns of character were more than 'belief systems'--they extended to physical appearance and posture. At a standstill in some cases, Reich resorted to having clients move seemingly-fixed areas like the jaw, to loosen things up.
