Rising young comedian Moshe Kasher is lucky to be alive. He started using drugs when he was just 12. At that point, he had already been in psychoanalysis

for 8 years. By the time he was 15, he had been in and out of several mental institutions, drifting from therapy to rehab to arrest to...you get the picture. But **KASHER IN THE RYE** is not an "eye opener" to the horrors of addiction. It's a hilarious memoir about the absurdity of it all. When he was a young boy, Kasher's mother took him on a vacation to the West Coast. Well it was more like an abduction. Only not officially. She stole them away from their father and they moved to Oakland , California. That's where the real fun begins, in the war zone of Oakland Public Schools. He was more than just out of control- his mother walked him around on a leash, which he chewed

through and ran away. Those early years read like part Augusten Burroughs, part David Sedaris, with a touch of Jim Carrol...but a lot more Jewish. In fact, Kasher later spends time in a Brooklyn Hasidic community. Then came addiction... Brutally honest and laugh-out-loud funny, Kasher's first literary endeavor finds humor in even the most horrifying situations. M.i.a. Angels

"O'Reilly Media, Inc." The lord of snark, Lawrence Dorfman, is back! With this treasury of backhanded compliments, sarcastic insults, and catty comebacks, Dorfman gives us transformative wisdom that's sure to change your life—or at least induce a light chuckle. One question plagues us all: How do we survive all the Sturm und Drang of everyday life? The answer is but one word: snark. "She wears her clothes as if they were thrown on by a pitchfork." —Jonathan Swift "Why don't you get a haircut? You look like a chrysanthemum." —P. G. Wodehouse "He's a mental midget with the IQ of a fence post." —Tom Waits "They hardly make 'em like

him anymore—but just to be on the safe side, he should be castrated anyway.” —Hunter S. Thompson “He has a Teflon brain . . . nothing sticks” —Lily Tomlin “He has no more backbone than a chocolate éclair.” —Theodore Roosevelt Snark will keep the wolves at bay (or at least out on the porch). Snark, much like a double scotch, will help you deal with relatives, shopping, and rudeness; it is an outlet for the unleashed vitriolic bile that’s saved itself up over the months. Like a shield, it will protect you while you go about your life. Snark is your answer!

Each "Missing In Action
(M.I.A.) Angel"

assignment is to be with someone who is willing to give their life in combat to protect or save others. Some just need that additional bit of help to survive, while others need the presence of an "M.I.A. Angel" as they approach death. It's not easy being an "M.I.A. Angel" although it is many times rewarding. The downside it that sometimes there is nothing that can be done to help, other than the assignment knowing that an angel is with them when they die.
