Did you know that God's light can shine through every facet of your identity? Radiant is an invitation for teen girls and young women to enjoy a candid conversation on identity with bestselling author Priscilla Shirer. You'll hear reflections on life lessons she's gathered from her teen years until now. She'll show you how the light of God's Word shaped her identity, and she'll teach you how it can change and shape your life as well. The culture will try to define you, but this world is starving for something different that comes only from the creative genius of your God. You were created to reflect His light. . . . You were created to be radiant.

Crown Jewel Redhook

From #1 New York Times bestselling author Nora Roberts comes the final novel in the Cordina's Royal Family series—a thrilling tale of deception and desire... For a few blessed weeks, Princess Camilla de Cordina plans on leaving her imperial duties behind to be commoner Camilla MacGee. Working for archaeologist Delaney Caine in rural Vermont seems the perfect escape, but her handsome employer is also an utterly cantankerous distraction. As Camilla's irritation with Del quickly turns into a burning passion, the runaway knows she'll have to confess. But will Del see her as the woman he loves, or dismiss her as a royal pain? The Crown Jewels J. Murrey Atkins Library at Unc Charlotte
Stolen sports cars, brilliant casino heists, and the brazen kidnapping of a prince: only shadowy spy for hire Simon Riske can stop the mastermind behind it all. Monte Carlo's lavish casinos have become the target of a sophisticated and

brutal team of professional gamblers; a casino dealer has been beaten to death; a German heiress's son has been kidnapped. Who better to connect the crimes and foil a daringly brilliant plot than Simon Riske, freelance industrial spy? Riske -- part Bond, part Reacher -- knows Monte Carlo well: it's where he was once a thrill-seeking thief himself, robbing armored trucks and leading police on dangerous car chases across the Côte d'Azur, until he was double-crossed, served his time, and graduated as an investment genius from the Sorbonne. Now Riske is a man who solves problems, the bigger and "riskier" the better. From the baccarat tables of Europe's finest casinos to the superyachts moored in Monaco's Port Hercule to a secluded chalet deep in the Swiss Alps, Riske will do what he does best: get in over his head, throw himself into danger, and find a way to outthink and outmaneuver villains of every stripe. In one of the most clever, enjoyable, and entertaining series to come along in years, this sequel to *The Take* gives readers what they want most: a hero we can root for, locales we wish we were in, and a plot that never lets up.

□A story by USA Today bestselling author becomes a comic!□Ruby works as a receptionist in the English countryside. One day a prince named Raja from the Middle Eastern country of Najar appears in front of her, seeking a political marriage. Her mother is the former wife of the King of Ashur, a neighboring country. In order to fulfill the conditions of a newly established peace treaty, Raja has come to retrieve Ruby, the sole heir of Ashur. But she flatly denies his offer, not wanting to become like her mother, who suffered through so much. Sure this would incur Raja's wrath, she is

surprised that responds with a devilish, enigmatic smile...

In this second fanciful novel which follows *The Bridge*, Jeri Massi continues the history of the tiny island country of Bracken. Rosewyn is the young princess, daughter of Rosalynn and Herron. Unlike her quiet and gentle mother, Rosewyn is forever climbing trees and drainspouts, knocking down boys who bully her, and getting into trouble. Ready for adventure of any kind, she stumbles into a secret plot against her father's crown. With help from her beautiful, powerful grandmother, she escapes from the castle and begins her adventures in exile. After she and her grandmother are chased by their enemy, the young princess finds refuge in a village of miners. While among these new friends, she seeks to join her grandmother in a last attempt to save the real King and Queen. But a new threat from assassins forces the princess to flee again. All of her courage is put to the test as she fights to save her family and her kingdom.

From USA Today bestseller Ella James After that close-up of his package on the sailboat in Morocco, TMZ started calling him Crown Jewels. Not that I keep track of Prince Liam. Definitely don't stalk him online like my friends do. I'm out of that scene now. My family's reality show might still be running, but I've been off-screen for a while. When people pass me on the sidewalk, they might squint, but most of them don't scream

"Lucy Rhodes" and ask about my love of Lucky Charms or how my broken toe healed. Prince Liam-my stalking his Instagram-that's just for fun. It's my dirty little secret. Trust me, I'm the only woman in the world who doesn't actually want him. Except I'm back in the Hamptons for the first time in two years. I'm at a party, and Prince Manwhore is here as well. I tell myself that smile has no effect on me. That his ridiculous charisma is a parlor trick I see right through. After our one night together, no one knows that I succumbed. It doesn't matter. It meant nothing. Not until I see those two pink lines.

Creating North Cascades National Park A Jewel in His Crown Rediscovering Your Value as a Woman of Excellence

A collection of speeches given by Churchill in the 1930s, fiercely opposing the India Bill and India home rule. In 1931, Britain's Conservative Party proposed the India Bill, a piece of legislation that would make significant changes to the way India governed itself under British rule. Winston Churchill was against the bill and defended his position with characteristic conviction and oratory brilliance. This book contains seven speeches and three important addresses Churchill gave on the subject, printed originally to generate popular support for Churchill's opinion.

Churchill's opposition to Indian home rule is one of his more controversial political positions and led to a period of political isolation for him. Despite the strength of his oration, the India Bill was approved by Parliament in 1935.

Documenting a rare loss for Churchill, these speeches provide an important insight into his mind and strategy as a political leader.

B&H Publishing Group

Through many decades, Lake Martin, a

symbol of sustenance, has enticed generations of residents, vacationers, and modern retirees to its welcoming shores. This picturesque lake, shaped like a dragon protecting its territory, has witnessed droughts, tornadoes, fishing tournaments, boat races, and even World War II aircraft crashes.

Surrounded by its own unique history, Lake Martin also reflects the dynamic personalities of those who sacrificed childhood homes and family land to bring dreams of a prosperous future to fruition. Before the Tallapoosa River was dammed to feed Lake Martin's waters, it was an ideal environment for the Native Americans who resided on land now submerged. The land's history is rife with discord as British soldiers and Georgia Rangers resisted French spies in the early 1700s and migrant settlers defended their homefront during the Civil War. The Martin Dam became a state landmark by 1927, generating hydroelectric power while memorializing the 31-mile-long lake as the world's largest man-made body of water at the time. It was not long before Lake Martin evolved into a community enjoying unparalleled growth as a vacation site and permanent home for Americans who discovered the satisfaction lakeside living could provide. Lake Martin: Alabama's Crown Jewel chronicles the trials and triumphs of the people who created one of today's leading retirement communities through courageous choices and determination. The story is told through compelling narrative and evocative images, many of which have not been widely published.

A bestseller! Priscilla Shirer has her hands on the pulse of women today.

Women are becoming increasingly weary and discouraged and are thus losing

sight of their real value as daughters of the King. *A Jewel in His Crown* examines how a woman's view of her worth deeply affects her relationships. Her practical wisdom has helped thousands of women renew their strength and become women of excellence.

The Jeweled Ladies B&H Publishing Group

From New York Times and Wall Street Journal bestseller M.J. Rose comes a provocative and moving story of a young female architect in post-World War II Manhattan, who stumbles upon a hidden treasure and begins a journey to discovering her mother's life during the fall of the Romanovs. Sophia Moon had always been reticent about her life in Russia and when she dies, suspiciously, on a wintry New York evening, Isobelle despairs that her mother's secrets have died with her. But while renovating the apartment they shared, Isobelle discovers something among her mother's effects—a stunning silver tiara, stripped of its jewels. Isobelle's research into the tiara's provenance draws her closer to her mother's past—including the story of what became of her father back in Russia, a man she has never known. The facts elude her until she meets a young jeweler, who wants to help her but is conflicted by his loyalty to the Midas Society, a covert international organization whose mission is to return lost and stolen antiques, jewels, and artwork to their original owners. Told in alternating points of view, the stories of the two young women unfurl as each struggles to find their way during two separate wars. In 1915, young Sofiya Petrovitch, favorite of the royal household and best friend of Grand Duchess Olga Nikolaevna, tends to wounded soldiers in a makeshift hospital within the grounds of the Winter Palace

in St. Petersburg and finds the love of her life. In 1948 New York, Isobelle Moon works to break through the rampant sexism of the age as one of very few women working in a male-dominated profession and discovers far more about love and family than she ever hoped for. In M.J. Rose's deftly constructed narrative, the secrets of Sofiya's early life are revealed incrementally, even as Isobelle herself works to solve the mystery of the historic Romanov tiara (which is based on an actual Romanov artifact that is, to this day, still missing)—and how it is that her mother came to possess it. The two strands play off each other in finely-tuned counterpoint, building to a series of surprising and deeply satisfying revelations.

The Last Tiara St Martins Press

Prague is at the core of everything both wonderful and terrible in Western history, but few people truly understand this city's unique culture. In *Prague in Black and Gold*, Peter Demetz strips away sentimentalities and distortions and shows how Czechs, Germans, Italians, and Jews have lived and worked together for over a thousand years.

Jewel-less Crown Moody Publishers

From New York Times bestselling author Christopher Reich, an international spy thriller featuring Simon Riske: one part James Bond, one part Jack Reacher.

Riske is a freelance industrial spy who, despite his job title, lives a mostly quiet life above his auto garage in central London. He is hired to perform the odd job for a bank, an insurance company, or the British Secret Service, when he isn't expertly stealing a million-dollar watch off the wrist of a crooked Russian oligarch. Riske has maintained his quiet life by avoiding big, messy jobs; until now. A gangster by the name of Tino

Coluzzi has orchestrated the greatest street heist in the history of Paris: a visiting Saudi prince had his pockets lightened of millions in cash, and something else. Hidden within a stolen briefcase is a secret letter that could upend the balance of power in the Western world. The Russians have already killed in an attempt to get it back by the time the CIA comes knocking at Simon's door. Coluzzi was once Riske's brother-in-arms, but their criminal alliance ended with Riske in prison, having narrowly avoided a hit Coluzzi ordered. Now, years later, it is thief against thief, and hot on their trail are a dangerous Parisian cop, a murderous Russian femme fatale, her equally unhinged boss, and perhaps the CIA itself. In the grand tradition of *The Day of the Jackal* and *The Bourne Identity*, Christopher Reich's *The Take* is a stylish, breathtaking ride.

But when bankrobber Cam Douglas buys her at auction, she gets more than she bargained for. Will the law catch them before they can ride off into the sunset? Bonus Short: Miss Sapphire's Wedding Night: Judge Gerard Hobson has married the former Jewel Miss Sapphire--now the perfectly respectable Mrs. Sadie Hobson. How to celebrate this joyous event? Why, with a wedding night neither of them will forget. "Interested in some sexy stories set in the American West? His Topaz, Their Emerald and Her Ebony will fit the bill. I look forward to seeing what Maggie Chase writes next." - Jennifer Porter, Romance Novel News "Dear @TheMaggieChase His Sapphire is amazing read." - @JenniferRNN (Jennifer Porter, Romance Novel News) "One of the most amazing erotica series I have ever read." - Erin Penn, Goodreads "This

is an interesting story, not just for the romance, which is sizzling, but also for the details about the inner workings of an old west brothel. I recommend this for anyone who likes spicy romance about the strong ladies of the west and the men who love them." -- Mary Dieterich, Goodreads

Jewels in the Crown Moody Pub

Can a justice system that doesn't protect the poor be considered truly just? We have all heard the phrase, "You have the right to an attorney." But did you know this is only true for those being accused of a crime in our country, not their victims? Without a legal advocate, innocent victims are left to fend for themselves. The church is called to do justice and love mercy. We are given the example of the Good Samaritan serving a victim in need, no matter the stigmas attached. But how are we to do this amidst the complexities of the current system? Bruce Strom left a successful legal career to start Administer Justice, a nonprofit organization providing free legal care to our most vulnerable neighbors. Gospel Justice calls churches across the nation to transform lives by serving both the spiritual and legal needs of the poor through participation in the Gospel Justice Initiative. It is not only a book for lawyers or pastors, though. Bruce Strom is calling each of us, the whole body of Christ, to join the cause of legal justice for the oppressed.

The Jewel Princesses and the Missing Crown Harlequin / SB Creative

From telemarketers to traffic jams to twenty-item shoppers in the ten-item line, our lives are full of interruptions. They're often aggravating, sometimes infuriating, and can make us want to tell people what we really think about them. But they also tell us something quite important about ourselves. The prophet

Jonah's life was interrupted by a clear call of God that made him mad enough and scared enough to run in the completely opposite direction. Yet it wasn't really an interruption. It was an opportunity for Jonah to be involved in something the likes of which the Old Testament world had never seen: national revival in a Gentile country. What if Jonah had seen God's interruption for what it truly was—a divine intervention that held more adventure and possibility than any other thing he could have been doing at the time? What could have felt any better than being directly in the center of God's will? Yet we play it that same way—always running from major pains and minor problems that just don't seem to suit us at the time. Who knows what we're missing by being so interruption avoidant? In this very personal account of opportunities lost and lessons learned, popular conference speaker and author Priscilla Shirer shows how to embrace the amazing freedom and fulfillment that comes from going with God, even when He's going against your grain. .

A Jewel in His Crown Elliot & Thompson Limited

North Cascades National Park is remote, rugged, and spectacularly majestic. Efforts to establish a park gained traction after World War II, as national interest in wilderness preservation and concerns about the impact of harvesting timber grew. Troubled by the National

Park Service's policy favoring development for tourism and the United States Forest Service's policy promoting logging in the national forests, conservationists leveraged a changing political environment and the evolving environmental values of the natural resource agencies. Their activism eventually led to the 1968 creation of a crown jewel--Washington's magnificent third national park. This engaging account tells the story.

The Making of The Jewel in the Crown

Time Life Education

Discusses the production, filming, and cast of PBS television's Masterpiece Theater production of "The Jewel in the Crown," a fourteen-week series based on Paul Scott's "Raj Quartet," novels focusing on the tumultuous history of India between 1942 and 1947

Cordina's Crown Jewel Penguin

An in-depth look at what truly happened when the Great Britain gave India its independence, from the author of *Five Days from Defeat*. When India became independent in 1947, the general view, which has prevailed until now, is that Britain had been steadily working for an

amicable transfer of power for decades. In this book, Walter Reid argues that nothing could be further from the truth. With reference to a vast amount of documentary material, from private letters to public records and state papers, Reid shows how Britain held back political progress in India for as long as possible—a policy which led to unimaginable chaos and suffering when independence was granted, and which created a legacy of hatred and distrust that continues to this day. Praise for *Keeping the Jewel in the Crown* “A fascinating, robust and provocative version of the sunset of the Raj.”

—Lawrence James, author of *Raj: The Making and Unmaking of British India* “A thorough and hard-hitting account . . . presented with clarity and sobriety.”

—BBC History Magazine (UK) “An excellent and original work . . . A meticulously researched, pioneering study that will appeal to many in both countries.” —The Open (India) “It is a rare book that will alter the way you look at one of history’s pivotal events and one of its greatest tragedies, but this is one of them.” —Matt Rubin, *Washington Times*
