### Pre-Incident Indicators of Terrorist Incidents

Kensington Books  
Math in Society is a survey of contemporary mathematical topics, appropriate for a college-level topics course for liberal arts major, or as a general quantitative reasoning course. This book is an open textbook; it can be read free online at <http://www.opentextbooks.com/mathinsociety/>. Editable versions of the chapters are available as well.

*One Moment Please* Erin McCarthy  
Since Dr. Brizendine wrote *The Female Brain* ten years ago, the response has been overwhelming.

This New York Times bestseller has been translated into more than thirty languages, has sold nearly a million copies between editions, and has most recently inspired a romantic comedy starring Whitney Cummings and Sofia Vergara. And its profound scientific understanding of the nature and experience of the female brain continues to guide women as they pass through life stages, to help men better understand the girls and women in their lives, and to illuminate the delicate emotional machinery of a love relationship. Why are women more verbal than men? Why do women remember details of fights that men can't remember at all? Why do women tend to form deeper bonds with their female friends than men do with

their male counterparts? These and other questions have stumped both sexes throughout the ages. Now, pioneering neuropsychiatrist Louann Brizendine, M.D., brings together the latest findings to show how the unique structure of the female brain determines how women think, what they value, how they communicate, and who they love. While doing research as a medical student at Yale and then as a resident and faculty member at Harvard, Louann Brizendine discovered that almost all of the clinical data in existence on neurology, psychology, and neurobiology focused exclusively on males. In response to the overwhelming need for information on the female mind, Brizendine

established the first clinic in the country to study and treat women's brain function. In *The Female Brain*, Dr. Brizendine distills all her findings and the latest information from the scientific community in a highly accessible book that educates women about their unique brain/body/behavior. The result: women will come away from this book knowing that they have a lean, mean, communicating machine. Men will develop a serious case of brain envy.

*Fangs for the Memories*

Kensington Books

In a world of modern, involved, caring parents, why are so many kids aggressive and cruel? Where is intelligence hidden in the brain, and why does that matter? Why do cross-racial friendships decrease in schools that are more integrated? If 98% of kids think lying is morally wrong, then why do 98% of kids lie? What's the single most important thing that helps infants learn language? *NurtureShock* is a groundbreaking collaboration between award-winning science journalists Po Bronson and Ashley Merryman. They argue that when it comes

to children, we've mistaken good intentions for good ideas. With impeccable storytelling and razor-sharp analysis, they demonstrate that many of modern society's strategies for nurturing children are in fact backfiring--because key twists in the science have been overlooked. Nothing like a parenting manual, the authors' work is an insightful exploration of themes and issues that transcend children's (and adults') lives.

*When Good Things Happen To Bad Boys*

Penguin

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This

study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

*Predictive Analytics ABC-CLIO*

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney

films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

*The Pregnancy Test* Brava His best friend's hot older sister. Her younger brother's annoying sidekick. And one forbidden kiss in high school... It was complicated back then. It's even more so now. Because former mean girl Sloane rolls back in town to find Rick stripping at a charity event like he was born with biceps. And single dad Rick is her landlord. And her brother will murder him if he has sex with her. But sometimes you have to strip it all down to see what was there all along...

Loveswept  
When rock-god vampire Johnny Malone commits suicide, the rest of The Impalers gather for an Irish wake and jam session to send their bandmate off in style. But alcohol-laced blood and grief make for one hell of a combination... When her brother, Johnny, dies,

Stella Malone's grief lands her in the buff arms of The Impalers' bass player. While her tryst with Wyatt had some serious bite, Stella isn't looking for a relationship, especially after a tipsy argument leads to her getting stuck in bat form at the wake. The rest of the hungover Impalers are in no shape to help her, meaning that Stella's one night stand is the only one who can help her figure out what really happened last night. Only Wyatt doesn't have a clue what happened last night, either, nor does he know that Stella is the bat currently dive-bombing his head. But he does have her purse and that has to be a start, right? Or not. On the other hand, there is a priest passed out in the bathtub and an alcoholic parrot squawking about a chapel of love... Which might explain the ring on Berto Cortez's finger. How did a night of rock 'n' roll debauchery result in him turning sexy washboard player Katie Lambert into a vampire and then marrying her? He wouldn't. He couldn't. But he can't quite remember, exactly. Which means these four friends turned amnesiac couples have only one choice: hit the famed Bourbon Street for

some answers...

**How to Get Lucky** Erin McCarthy

This guide has been developed jointly by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists, and is designed for use by all personnel involved in the care of pregnant women, their fetuses, and their neonates.

**Accidentally Pregnant!**

Cambridge University Press

Two months ago Irena and Vincenzo spent a heady week together. Their connection was instant, deep, strong. Yet it could never last—she was destined to marry another. Now Irena is pregnant and alone. Vincenzo has never forgotten Irena. When he hears of her plight he takes control the only way he knows how—by offering marriage! Life in Vincenzo's Mediterranean palazzo seems idyllic—but Vincenzo is about to discover that the tiny baby inside Irena belongs to him....

*Believe* DIANE Publishing  
A New Adult novel from Erin McCarthy, the USA Today bestselling author of *Sweet*. Robin used to be a party girl... until she got black out drunk and

woke up in bed with her best friend's boyfriend. Now she's faced with being THAT girl, and couldn't be more disgusted with herself. She can't even tell her friends the reason for her sudden sobriety and she avoids everyone until she meets Phoenix—quiet, tattooed, and different in every way that's good and oh, so bad... Phoenix is two days out of jail when he meets Robin at his cousin's house, and he knows that he has no business talking to her, but he's drawn to her quiet demeanor, sweet smile, and artistic talent. She doesn't care that he's done time, or that he only has five bucks to his name, and she supports his goal to be a tattoo artist. But Phoenix knows Robin has a secret, and that it's a naïve dream to believe that his record won't catch up with them at some point. Though neither is prepared for the explosive result when the past collides with the present... Praise for Erin McCarthy "McCarthy's entry in the burgeoning new adult subgenre is a page-turning, gut-wrenching success."—RT Book Reviews (Top Pick) "McCarthy has written a new adult love story that takes us on a journey

filled with love, laughter, growth, and a bit of angst."—Smexybooks "Not everything in life is wrapped up nicely with a pretty ribbon on top and this book shows that...If you are a fan of NA, this one is a must-read."—Between the Lines  
**The Hookup** Kensington Books  
 The Pregnancy Test Kensington Books  
Stripped Down Penguin  
 The guy she wants... Growing up on the coast of Maine with a revolving door of foster siblings, Caitlyn Michaud spent one intense and passionate year falling in love with her foster brother, Heath. Then he left without a word. Isn't the guy she needs... Determined to move on, in college Caitlyn has risen above her small town impoverished roots and has joined a sorority, reinvented her appearance, and landed the right boyfriend in frat president Ethan. But the perfect world she tried so hard to attain is ripped apart when Heath appears one night out of nowhere. Out of the military, Heath is as brooding and intense as ever, and he is determined not only to win her back, but to exact

revenge on everyone who kept him from her... And when one love allows her to breathe, but the other feels as essential to her life as air, how does she choose between them?  
*Nurture Shock* Thomas Nelson Inc  
 That awkward moment when an ER doctor has to inform you that you're pregnant?with his baby. Three things Lynsey Jones knows about the hot doctor: he's grouchy, an arrogant jerk, and strangely obsessed with pie. Three things Dr. Dick knows: he doesn't talk about his past, he doesn't do relationships, and the crazy girl in the hospital cafeteria who ate a fistful of French silk pie?is annoyingly irresistible. After a chance meetup at a bar and a heated cab ride together, things come to a head and now instead of hating each other, they're horizontal in a bed. Three months later, the weird cafeteria stalker who crept out of Dr. Dick's house like a thief in the night, winds up as his patient in the ER after her Tinder date from hell. Dr. Dick is prepared to keep it cool and professional. That is until her bloodwork reveals that she's pregnant. What really throws him for a loop?is that the surprise

baby?is his.

**Weight Gain During Pregnancy** Harmony

A girl in danger... Aubrey Walsh never dreamed that she would find herself in an abusive relationship, but after her boyfriend hits her so hard he breaks her tooth, she flees the University of Maine to hide on a remote island with her best friend. Only to discover that she is pregnant. Terrified of what will happen if Jared finds out, she is walking along the rocks, deciding her future, when she slips. A guy with a secret past... After a job gone wrong, Riker has left the assassin business and is incognito as a ferryboat operator off the shores of Maine. It's a lonely life, and when he sees a young woman almost fall off the rocks, he doesn't hesitate to save her and take her in, though he's determined to stay unemotionally uninvolved. But when the truth about her situation is revealed, he will do anything to protect Aubrey and her unborn child. Even marry her. Even kill for her. When Jared comes looking for the only girl who has ever rejected him, Riker won't allow it. And Aubrey is torn between protecting herself and her child, or protecting the mysterious

husband she has come to love. And when chance brings them together but fate tears them apart, can their love survive the storm?

*Math in Society* John Wiley & Sons

With the Supreme Court likely to reverse Roe v. Wade, the landmark abortion decision, American debate appears fixated on clashing rights. The first comprehensive legal history of a vital period, *Abortion and the Law in America* illuminates an entirely different and unexpected shift in the terms of debate. Rather than simply championing rights, those on opposing sides battled about the policy costs and benefits of abortion and laws restricting it. This mostly unknown turn deepened polarization in ways many have missed. Never abandoning their constitutional demands, pro-choice and pro-life advocates increasingly disagreed about the basic facts. Drawing on unexplored records and interviews with key participants, Ziegler complicates the view that the Supreme Court is responsible for the escalation of the conflict. A gripping account of social-movement divides

and crucial legal strategies, this book delivers a definitive recent history of an issue that transforms American law and politics to this day.

**The Fangover** Erin McCarthy

Sebastian Young must find a way to help his brother Rhys when he breaks his one rule and saves the life of a mortal woman, which leads to a sensual encounter that makes him forget that he is a vampire. Original.

**The Promise of Love**

Kensington Books

From the USA Today bestselling author of *True*, *Sweet*, and *Believe* comes a tantalizing New Adult novel about finding love in the most unexpected ways... Kylie Warner prides herself on being optimistic, but after finding her best friend in bed with her boyfriend and flunking chemistry, her upbeat attitude has taken a dive. Even an impromptu hook-up with her sexy new chemistry tutor only brightens her mood slightly. After all, it's not like she'll ever see the tattooed scholar again... While he's a whiz at complex equations, Jonathon Kadisch has trouble when it comes to figuring out women. So when Kylie tells him that

she's pregnant after their night of passion, he's at a complete loss. He's prepared to be a good father—unlike his own deadbeat dad—but he's less prepared to fall for the genuine and alluring blonde bearing his child. With emotions running high, Kylie wonders if Jonathon's devotion is out of growing love or looming obligation. And when heartbreak threatens to tear them apart, Jonathon will have to fight for the only girl who's ever made him feel whole...

*Perinatal Palliative Care*

Erin McCarthy

Is there an equation for the perfect hookup? Turns out it's a lot more complicated than one plus one. . . . Sophie: Numbers are my comfort zone, which explains why my sex life is a big fat zero. Then again, if I'm smart enough to earn a PhD, why can't I calculate a way to get a guy into bed, just to see what all the fuss is about? With my prima donna sister, Bella, getting married in Maine, I figure her wedding is the perfect opportunity for my little experiment. And

Cain Jordan seems hot enough—he's certainly drunk enough—to show me what I've been missing. Judging by the body of evidence, it's a lot. . . . Cain: Being stuck in the same town as my lying SOB twin brother, Christian—who may or may not be the father of the son I'm not allowed to see—is a hell of a reason to drink myself silly after the lobster boat docks each day. Any port in a storm. . . . But Sophie's different. She doesn't play around. And she's becoming a habit I don't want to break. Because the smartest woman I've ever met is also the sexiest—and the only one who makes me want to change. Don't miss Bella and Christian's story in *The Breakup!* And look for all of Erin McCarthy's soulful Nashville Nights romances: **HEART BREAKER | DREAM MAKER | LOVE TAKER** Includes an excerpt from another Loveswept title *Flat-Out Sexy* Harlequin When her cross-dressing psychic's prediction that she would meet her soul mate during an accident comes true, Jamie Peters finds Mr. Right in down-to-

earth, honest Jack Davidson, who, unbeknownst to her, has been hired to investigate her for criminal misconduct. Reprint. [Abortion and the Law in America](#) Springer Nature The sequel to *Flat-Out Sexy*, starring a bad boy race car driver hero who's met his match—from a hot USA Today bestselling author. Grad student Imogen Wilson realizes she's hit on the perfect thesis for her sociology degree. If she follows the so-called "rules" on how to get a man, can she steer her way into the world and hearts of stock race car drivers, and establish their dating- and mating-patterns? Although sexy and reckless racer Ty McCordle is the ideal test subject, Imogen knows that for the sake of science, she can't give in to her growing attraction for him. Yet he's the one who's chasing after her, and Imogen realizes that she actually wants to be caught. A southern gentleman like Ty will satisfy all her curiosity—and make all the risks worthwhile...
