Battle For Home Plate

GRANT SYLVIA

The Secret Battle of Evan Pao Creative Editions

Photographs taken in the field provide an extraordinary commentary upon the Civil War

The Battle for Christmas Casemate Publishers

Anyone who laments the excesses of Christmas might consider the Puritans of colonial Massachusetts: they simply outlawed the holiday. The Puritans had their reasons, since Christmas was once an occasion for drunkenness and riot, when poor "wassailers extorted food and drink from the well-to-do. In this intriguing and innovative work of social history, Stephen Nissenbaum rediscovers Christmas's carnival origins and shows how it was transformed, during the nineteenth century, into a festival of domesticity and consumerism. Drawing on a wealth of period documents and illustrations, Nissenbaum charts the invention of our current Yuletide traditions, from St. Nicholas to the Christmas tree and, perhaps most radically, the practice of giving gifts to children. Bursting with detail, filled with

subversive readings of such seasonal classics as "A Visit from St. Nicholas" and A Christmas Carol, *The Battle for Christmas* captures the glorious strangeness of the past even as it helps us better understand our present.

Simon and Schuster

Perfect for fans of Raina Telgemeier, *Awkward*, and *All's Faire* in Middle School, this graphic novel follows a neighborhood of kids who transform ordinary cardboard into fantastical homemade costumes as they explore conflicts with friends, family, and their own identity. "A breath of fresh air, this tender and dynamic collection is a must-have." --Kirkus, Starred Welcome to a neighborhood of kids who transform ordinary boxes into colorful costumes, and their ordinary block into cardboard kingdom. This is the summer when sixteen kids encounter knights and rogues, robots and monsters--and their own inner demons--on one last quest before school starts again. In the *Cardboard Kingdom*, you can be anything you want to be--imagine that! *The Cardboard Kingdom* was created, organized, and drawn by Chad Sell with writing from ten other authors: Jay Fuller, David DeMeo, Katie Schenkel, Kris Moore, Molly Muldoon, Vid Alliger, Manuel Betancourt, Michael Cole, Cloud

Jacobs, and Barbara Perez Marquez. The Cardboard Kingdom affirms the power of imagination and play during the most important years of adolescent identity-searching and emotional growth. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS * THE NEW YORK PUBLIC LIBRARY * SCHOOL LIBRARY JOURNAL * A TEXAS BLUEBONNET 2019-20 MASTER LIST SELECTION

"There's room for everyone inside The Cardboard Kingdom, where friendship and imagination reign supreme." --Ingrid Law, New York Times bestselling author of Savvy "A timely and colorful graphic novel debut that, like its many offbeat but on-point characters, marches to the beat of its own cardboard drum." --Tim Federle, award-winning author of Better Nate Than Ever

Collision at Home Plate Rowman & Littlefield

The Battle of the River Plate was the first major naval confrontation of the Second World War, and it is one of the most famous. The dramatic sea fight between German pocket battleship Admiral Graf Spee and the British cruisers Exeter, Ajax and Achilles off the coast of South America caught the imagination in December 1939. Over the last 60 years the episode has come to be seen as one of the classics of naval warfare. Yet the accepted interpretation of events has perhaps been taken for granted and is ripe for reassessment, and that is one of the aims of Richard Woodman's enthralling new study.

* Newbery Honor Book * #1 New York Times Bestseller * Winner of the Schneider Family Book Award * Wall Street Journal Best Children's Books of the Year * New York Public Library's 100 Books for Reading and Sharing An exceptionally moving story of triumph against all odds set during World War II, from the acclaimed author of Fighting Words, and for fans of Fish in a Tree and Number the Stars. Ten-year-old Ada has never left her one-room apartment. Her mother is too humiliated by Ada's twisted foot to let her outside. So when her little brother Jamie is shipped out of London to escape the war, Ada doesn't waste a minute—she sneaks out to join him. So begins a new adventure for Ada, and for Susan Smith, the woman who is forced to take the two kids in. As Ada teaches herself to ride a pony, learns to read, and watches for German spies, she begins to trust Susan—and Susan begins to love Ada and Jamie. But in the end, will their bond be enough to hold them together through wartime? Or will Ada and her brother fall back into the cruel hands of their mother? This masterful

work of historical fiction is equal parts adventure and a moving tale of family and identity—a classic in the making. "Achingly lovely...Nuanced and emotionally acute."—The Wall Street Journal

Schmidt, author of *Okay for Now* "I love Ada's bold heart...Her story's riveting."—Sheila Turnage, author of *Three Times Lucky*

A World Without Email Penguin

Taking its title from *The Face of Battle*, John Keegan's canonical book on the nature of warfare, *The Other Face of Battle* illuminates the American experience of fighting in "irregular" and "intercultural" wars over the centuries. Sometimes known as "forgotten" wars, in part because they lacked triumphant clarity, they are the focus of the book. David Preston, David Silbey, and Anthony Carlson focus on, respectively, the Battle of Monongahela (1755), the Battle of Manila (1898), and the Battle of Makuan, Afghanistan (2020)—conflicts in which American soldiers were forced to engage in "irregular" warfare, confronting an enemy entirely alien to them. This enemy rejected the Western conventions of warfare and defined success and failure—victory and defeat—

in entirely different ways. Symmetry of any kind is lost. Here was not ennobling engagement but atrocity, unanticipated insurgencies, and strategic stalemate. War is always hell. These wars, however, profoundly undermined any sense of purpose or proportion. Nightmarish and existentially bewildering, they nonetheless characterize how Americans have experienced combat and what its effects have been. They are therefore worth comparing for what they hold in common as well as what they reveal about our attitude toward war itself. *The Other Face of Battle* reminds us that "irregular" or "asymmetrical" warfare is now not the exception but the rule. Understanding its roots seems more crucial than ever.

Stealing Home Cambridge University Press

"The ultimate chronicle of the games behind the game."—The New York Times

Book Review Baseball has always inspired rhapsodic elegies on the glory of man and golden memories of wonderful times. But what you see on the field is only half the game. In this fascinating, colorful chronicle—based on hundreds of interviews and years of research and digging—John Helyar brings to vivid life the extraordinary people and dramatic events that shaped America's favorite pastime, from the dead-ball days at the turn of the century through the great strike of 1994. Witness zealous Judge Landis banish eight players, including Shoeless Joe Jackson, after the infamous "Black Sox" scandal; the flamboyant A's owner Charlie Finley wheel and deal his star players, Vida Blue and Rollie Fingers, like a deck of cards; the hysterical bidding war of coveted free agent Catfish Hunter; the chain-smoking romantic, A. Bartlett Giamatti, locking horns with Pete Rose during his

gambling days of summer; and much more. Praise for *The Lords of the Realm* "A must-read for baseball fans . . . reads like a suspense novel."—Kirkus Reviews "Refreshingly hard-headed . . . the only book you'll need to read on the subject."—Newsday "Lots of stories . . . well told, amusing . . . edifying."—The Washington Post

A Baseball Life from Behind the Plate University of Chicago Press

The most anticipated J. Sterling release of the year is finally here! You've waited years to meet Jack Carter's son and the wait is over! Strap in and enjoy the ride. Chance Carter is the son of local baseball legend, Jack Carter. Now in his junior year at Fullton State, Chance is facing challenges he never saw coming. Failing a class will stop his draft season short, making him ineligible to play for the season and pushing his goal of playing professional baseball even further away. In steps Danika, a mouthy tutor from New York, who only wants to help him pass his class... NOT get in his pants. But try telling that to Chance. He doesn't trust girls and he definitely doesn't trust his new tutor. A lifetime growing up as a Carter taught him that. But Danika has issues of her own. After an incident that happened last year, she doesn't trust athletes and wants nothing to do with them. And Chance is no exception. No matter how hot she thinks he is, she isn't interested and never will be. The fireworks explode as the two deny the chemistry between them and family secrets are revealed. There's just one problem... Danika has a boyfriend she has no intention of breaking up with and Chance doesn't know how to give up on something he wants. And he wants her. The question is... how can he have her when she belongs to someone else?

Battle for Home Plate Ballantine Books

This is a major new account of the Battle of Jutland, the key naval battle of the First World War in which the British Grand Fleet engaged the German High Seas Fleet off the coast of Denmark in 1916. Beginning with the building of the two fleets, John Brooks reveals the key technologies employed, from ammunition, gunnery and fire control, to signalling and torpedoes, as well as the opposing commanders' tactical expectations and battle orders. In describing Jutland's five major phases, he offers important new interpretations of the battle itself and how the outcome was influenced by technology, as well as the tactics and leadership of the principal commanders, with the reliability of their own accounts of the fighting reassessed. The book draws on contemporary sources which have rarely been cited in previous accounts, including the despatches of both the British and German formations, along with official records, letters and memoirs.

A Grand Delusion PublicAffairs

Justin and Carlos have played on the same baseball team since their T-ball days. But this season, the friends are forced to play on rival teams. Carlos makes new friends on the field, and Justin is left in the dust. When their teams face each other in the final game of the season, Justin and Carlos aren't even speaking. The game comes down to one run, and Carlos rounds third. What will happen when the former best friends collide at home plate?

Los Angeles, the Dodgers, and the Lives Caught in Between U of Nebraska Press

The Anarchist Cookbook will shock, it will disturb, it will provoke. It places in historical perspective an era when "Turn

on, Burn down, Blow up" are revolutionary slogans of the day. Says the author "This book... is not written for the members of fringe political groups, such as the Weatherman, or The Minutemen. Those radical groups don't need this book. They already know everything that's in here. If the real people of America, the silent majority, are going to survive, they must educate themselves. That is the purpose of this book." In what the author considers a survival guide, there is explicit information on the uses and effects of drugs, ranging from pot to heroin to peanuts. There is detailed advice concerning electronics, sabotage, and surveillance, with data on everything from bugs to scramblers. There is a comprehensive chapter on natural, non-lethal, and lethal weapons, running the gamut from cattle prods to sub-machine guns to bows and arrows.

The Battle of Jutland Penguin

A story about baseball, family, the American Dream, and the fight to turn Los Angeles into a big league city. Dodger Stadium is an American icon. But the story of how it came to be goes far beyond baseball. The hills that cradle the stadium were once home to three vibrant Mexican American communities. In the early 1950s, those communities were condemned to make way for a utopian public housing project. Then, in a remarkable turn, public housing in the city was defeated amidst a Red Scare conspiracy. Instead of getting their homes back, the remaining residents saw the city sell their land to Walter O'Malley, the owner of the Brooklyn Dodgers. Now LA would be getting a different sort of utopian fantasy -- a glittering, ultra-modern stadium. But before Dodger Stadium could be built, the city would have to face down the

neighborhood's families -- including one, the Aréchigas, who refused to yield their home. The ensuing confrontation captivated the nation - and the divisive outcome still echoes through Los Angeles today.

Behind the Plate: A New Adult Sports Romance Knopf Books for Young Readers

The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. **THEY CALLED US ENEMY** is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.

Battle of the Bay Hachette UK
 Baseball Hacks isn't your typical baseball book--it's a book about how to watch, research, and understand baseball. It's an instruction manual for the free baseball databases. It's a cookbook for baseball research. Every part of this book is designed to teach baseball fans how to do something. In short, it's a how-to book--one that will increase your enjoyment and knowledge of the game. So much of the way baseball is played today hinges upon interpreting statistical data. Players are acquired based on their performance in statistical categories that ownership deems most important. Managers make in-game decisions based not on instincts, but on probability - how a particular batter might fare against left-handed pitching, for instance. The goal of this unique book is to show fans all the baseball-related stuff that they can do for free (or close to free). Just as open source projects have made great software freely available, collaborative projects such as Retrosheet and Baseball DataBank have made great data freely available. You can use these data sources to research your favorite players, win your fantasy league, or appreciate the game of baseball even more than you do now. Baseball Hacks shows how easy it is to get data, process it, and use it to truly understand baseball. The book lists a number of sources for current and historical baseball data, and explains how to load it into a database for analysis. It then introduces several powerful statistical tools for understanding data and forecasting results. For the uninitiated baseball fan, author Joseph Adler walks readers through the core statistical categories for hitters (batting average, on-base percentage, etc.), pitchers (earned run average, strikeout-to-walk

ratio, etc.), and fielders (putouts, errors, etc.). He then extrapolates upon these numbers to examine more advanced data groups like career averages, team stats, season-by-season comparisons, and more. Whether you're a mathematician, scientist, or season-ticket holder to your favorite team, Baseball Hacks is sure to have something for you. Advance praise for Baseball Hacks: "Baseball Hacks is the best book ever written for understanding and practicing baseball analytics. A must-read for baseball professionals and enthusiasts alike." -- Ari Kaplan, database consultant to the Montreal Expos, San Diego Padres, and Baltimore Orioles "The game was born in the 19th century, but the passion for its analysis continues to grow into the 21st. In Baseball Hacks, Joe Adler not only demonstrates that the latest data-mining technologies have useful application to the study of baseball statistics, he also teaches the reader how to do the analysis himself, arming the dedicated baseball fan with tools to take his understanding of the game to a higher level." -- Mark E. Johnson, Ph.D., Founder, SportMetrika, Inc. and Baseball Analyst for the 2004 St. Louis Cardinals
The Lives of Pete Rose and Bart Giamatti Stanford University Press
 There's no telling what a game of baseball might bring—but it's not every day that an afternoon at the ballyard includes ball-launching cannons and shovel-wielding base thieves! In *Pirates at the Plate*, a story conceived and illustrated by artist Mark Summers, with text by Aaron Frisch, a ballgame turns into a one-of-a-kind showdown between cowboys and pirates. With stars such as a slugging Blackbeard and a hard-throwing Wild Bill Hickok, the great summer pastime becomes a rowdy

adventure.
