What could be better than
the bestselling Schaum's
Outline series? For
students looking for a
quick nuts-and-bolts
overview, it would have to

be Schaum's Easy Outline series. Every book in this series is a pared-down, simplified, and tightly focused version of its predecessor. With an emphasis on clarity and brevity, each new title features a streamlined and updated format and the absolute essence of the subject, presented in a concise and readily understandable form. Graphic elements such as sidebars, reader-alert icons, and boxed highlights stress selected points from the text, illuminate keys to

learning, and give students quick pointers to the essentials. Designed to appeal to underprepared students and readers turned off by dense text. Cartoons, sidebars, icons, and other graphic pointers get the material across fast. Concise text focuses on the essence of the subject. Delivers expert help from teachers who are authorities in their fields. Perfect for last-minute test preparation. So small and light that they fit in a backpack!
