**Louder Than Words** Anamchara Books Bridget Jones's Diary meets Mean Girls as lovably flawed high school student Chloe Snow chronicles another year in her life while she navigates the highs and lows of family, friendship, school, and love in a diary that sparkles with humor and warmth. It's Chloe Snow's sophomore year of high school, and life has only grown

more complicated. Last year, Chloe was the star of the musical. This year, after an audition so disastrous she runs off the stage in tears, she's cast as a lowly member of the ensemble. Will she be able to make it through the show knowing everyone's either pitying her or reveling in her downfall? Chloe's best friend, Hannah, is no help: she's been sucked into the orbit of Lex, the velvet-gloved, iron-fisted ruler of the sophomore class. Chloe's dad is busy falling in love with Miss Murphy, and Chloe is no longer speaking to her mother, who is sending her increasingly desperate

and unhinged emails from Mexico. As her parents' divorce negotiations unravel, a custody battle looms. If only Chloe could talk to Grady about it: his parents are divorced, and he's easy to talk to. Or he was, until he declared his love for Chloe, and she turned him down because despite all her rational brain cells she can't seem to get over Mac, and then Grady promptly started going out with Lex. As the performance of the show approaches, Chloe must find a way to navigate all the messy elements of her life and make it through to the end of the year.

A Year of Living Kindly Simon and Schuster  
A journalist's provocative and spellbinding account of her eighteen months spent disguised as a man. Norah Vincent became an instant media sensation with the publication of *Self-Made Man*, her take on just how hard it is to be a man, even in a man's world. Following in the tradition of John Howard Griffin (*Black Like Me*), Vincent spent a year and a half disguised as her male alter ego, Ned, exploring what men are like when women aren't around. As Ned, she joined a bowling team, took a high-octane sales job, went on dates with women (and men), visited strip clubs, and even managed to infiltrate a monastery and a men's therapy group. At once thought-provoking and pure fun to read, *Self-Made Man* is a sympathetic and thrilling tour de force of immersion journalism.

*Seeing through the Fog* Simon Pulse  
Anger... Resentment... Guilt... Pain... For millions of people, not every prison comes with a set of bars. That's because at some point, no matter who you are, regardless of your race, creed, religion or even gender, everyone has suffered at the hands of another person. You are not

alone. The question is whether this wrong happened two minutes or twenty years ago, whether this person is living or dead, why are you still allowing yourself to suffer because of it? Why is this pain still being allowed to destroy the very relationships that you have with your friends, family, God and even yourself? There is help, but are you ready to accept it? In this ground breaking study of the power of forgiveness, R.A. Clark, an award-winning educator and life coach, challenges not only what you thought that you knew about forgiveness, but also questions the heavy emotional price that you are willing to pay to live without it. In a world where it is hard to love and there is so much to hate, finally somebody will tell the truth about the lies that we tell ourselves about forgiveness. Including... - Why you should never forgive and forget? - When is the right time to forgive anyone for anything? - Why your "silence" maybe slowly destroying your family? - The only biblical way that there is to forgive anyone. - Also, discover just who is the one person that you should always forgive, even when your heart tells you not to. Prepare yourself. This book is the first step in a

remarkable journey to help you to become the spouse, parent, and/or friend that you were truly meant to be; the one person that many people wish they were and others only pretend to be.

### **Free Roll** R A Clark

Left alone in this world when her father dies, eighteen-year-old Faith Beshert learns that he took an ancient truth to his grave, a truth that would have explained the history of her bloodline and the role it plays in a wager between God and Satan. Faith isn't spiritual or religious. In-fact she doesn't believe in any of it. However, when two angels disguised as gorgeous young men enter her life and steal her heart, she's exposed to the existence of the other side and a responsibility she's meant to fulfill.

### Planting God Bloomsbury Publishing

Documents the author's quest to live one year in literal compliance with biblical rules, from being fruitful and multiplying to growing a beard and avoiding mixed-fiber clothing.

### Trinity of Coaching National Geographic Books

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars

working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Being kind when we don't feel like it, or when all of our buttons are being pushed, is hard. But that's also when it's most needed; that's when it can defuse anger and even violence, when it can restore civility in our

personal and virtual interactions. Kindness has the power to profoundly change our relationships with other people and with ourselves. It can, in fact, change the world. In *A Year of Living Kindly*—using stories, observation, humor, and summaries of expert research—Donna Cameron shares her experience committing to 365 days of practicing kindness. She presents compelling research into the myriad benefits of kindness, including health, wealth, longevity, improved relationships, and personal and business success. She explores what a kind life entails, and what gets in the way of it. And she provides practical and experiential suggestions for how each of us can strengthen our kindness muscle so choosing a life of kindness becomes ever easier and more natural. An inspiring, practical guide that can help any reader make a commitment to kindness, *A Year of Living Kindly* shines a light on how we can create a better, safer, and more just world—and how you can be part of that transformation.

**The Year of Living Like Jesus** Penguin Trinity of Coaching: God, You, and Your Life Coach is a practical guide for coaches, coaching clients, ministers, and laypeople.

Packed with research-supported techniques, practical advice, and life application lessons, this book is an excellent tool to help you integrate your Christian faith and Biblical principles into your coaching sessions and daily activities.

[A Man Approved of God](#) NavPress

If there is one thing that most of us aspire to, it is, simply, to be happy. And yet attaining happiness has become, it appears, anything but simple. Having stuff - the latest, the newest, the best yet - is all too often peddled as the sure fire route to happiness. So why then, in our consumer-driven society, is depression, stress and anxiety ever more common, affecting every strata of society and every age, even, worryingly, the very young? Kate Humble's fresh and frank exploration of a stripped-back approach to life is uplifting, engaging and inspiring - and will help us all find balance and happiness every day.

**The Year of Living Dangerously** David C Cook

"It may appear from the cover that this is a nice book about growing a beard because Jesus did but be warned- you will quickly discover that Ed's adventure takes him, and us, deep into the heart of grace,

mercy and the endless discovery of just what the way of Jesus looks like - which, of course, has very little to do with having a beard."—Rob Bell, *Jesus Wants To Save Christians* "Inspiring, insightful, sometimes infuriating, often funny, a little weird (like its author) and a must read for anyone wanting to become a serious follower of Jesus Christ" —Cal Thomas "Highly, highly recommended" —Brian McLaren  
Evangelical pastor Ed Dobson had a radical idea... "Live one year as Jesus lived. Eat as Jesus ate. Pray as Jesus prayed. Observe the sabbath as Jesus observed. Attend the Jewish festivals as Jesus attended. Read the Gospels every week." Dobson's transition from someone who follows Jesus to someone who lives like Jesus takes him into bars, inspires him to pick up hitchhikers, and deepens his understanding of suffering. Living like Jesus is quite different from what we imagine. "It may appear from the cover that this is a nice book about growing a beard because Jesus did but be warned- you will quickly discover that Ed's adventure takes him, and us, deep into the heart of grace, mercy and the endless discovery of just what the way of Jesus

looks like - which, of course, has very little to do with having a beard."—Rob Bell, *Jesus Wants To Save Christians*

**The Year of Living Virtuously** Thomas Nelson Inc

*A Year of Living Generously* follows award-winning journalist Lawrence Scanlan as he volunteers with 12 different charities, among them well-known institutions Habitat for Humanity, the St. Vincent de Paul Society and Canadian Crossroads. Drawing from first-hand experiences - serving in a soup kitchen in Ontario, building houses in post-Katrina New Orleans and teaching at a women's radio station in Senegal — Scanlan tests the ideas and theories on global aid and philanthropy and makes a compelling case for greater commitment and real connection from us all. The result is an engaging yet informative primer for today's volunteers, young and old, who are looking to make a meaningful contribution.

What happened when Wendy Nissen let three chickens called Marigold, Hillary and Yoko into her life on 24 October, 2008? A

Home Companion details Wendyl's year-long journey towards self-sufficiency. The book details each home discovery as it happens - both the triumphs and the disasters - while Wendyl slowly sheds her corporate life.

*Year of Living Blonde* Black Swan

\* NOW WITH A NEW CHAPTER \* 'A hugely enjoyable romp through the pleasures and pitfalls of setting up home in a foreign land.' - Guardian Given the opportunity of a new life in rural Jutland, Helen Russell discovered a startling statistic: Denmark, land of long dark winters, cured herring, Lego and pastries, was the happiest place on earth. Keen to know their secrets, Helen gave herself a year to uncover the formula for Danish happiness. From childcare, education, food and interior design to SAD and taxes, *The Year of Living Danishly* records a funny, poignant journey, showing us what the Danes get right, what they get wrong, and how we might all live a little more Danishly ourselves. In this new edition, six years on Helen reveals how her life and family have changed, and explores how Denmark, too - or her understanding of it - has shifted. It's a messy and flawed place, she

concludes - but can still be a model for a better way of living.

**Living the Christian Year** Simon and Schuster

Imagine growing up in the largest slum on the planet in the year 2080AD. Twenty million people are your neighbors, huddled together in an ocean of rusted dwellings made from whatever Sedonia City, the towering metropolis in the distance, decides to throw away. Gang members, known as the T99s, are the heads of your community: smuggling tech, trafficking drugs, and fighting a constant guerilla war against the City's bio-augmented EXO police force. There is little hope for survival. None for escape to a better life beyond the half-mile high Border between city and slum. This is Matteo's world. A bright kid, but sick and weak since childhood, he is painfully dependent on Jogun: loving older brother, and hardened soldier for the T99s. When a luxury transport from Sedonia's aerial traffic crash-lands in Rasalla, it threatens to change Matteo and Jogun's fate forever. And all fates are connected. The Dwellers of Rasalla, bound by family in the scrap, ashes, and dirt. The Citizens of Sedonia,

oblivious to danger in the buzzing twilight of the Neuro-Social Revolution. The EXOs, placing themselves in harm's way to perform their duty to protect their homes and fellow officers. And the Ruling Elite, whose long-buried secrets and desperate plans could spell the end of civilization...or a new beginning. *Son of Sedonia* is an action-filled science fiction epic with a soul and a clear message. Its characters live, breathe, suffer, and love in their different worlds, each brought to the brink as the Third-World collides with the First. Their future could well be ours.

[The Gospel Messenger, #1](#) Createspace Independent Pub

Benjamin Franklin was in his early twenties when he embarked on a "bold and arduous project of arriving at moral perfection," intending to master the virtues of temperance, silence, order, resolution, frugality, industry, sincerity, justice, moderation, cleanliness, tranquility, chastity, and humility. He soon gave up on perfection but continued to believe that these virtues, coupled with a generous heart and a bemused acceptance of human frailty, laid the foundation for not only a good life but also

a workable society. Writer and visual artist Teresa Jordan wondered if Franklin's perhaps antiquated notions of virtue might offer guidance to a nation increasingly divided by angry righteousness. She decided to try to live his list for a year, focusing on each virtue for a week at a time and taking weekends off to attend to the seven deadly sins. The journal she kept became this collection of beautifully illustrated essays, weaving personal anecdotes with the views of theologians, philosophers, ethicists, evolutionary biologists, and a whole range of scholars and scientists within the emerging field of consciousness studies. Teresa Jordan offers a wry and intimate journey into a year in midlife devoted to the challenge of trying to live authentically.

The Know-It-All Zondervan

The struggle is real. Sure. But often times we can over-complicate our lives. Planting God inspires us with a simple idea. God reveals Himself to us so we can plant Him into the lives of people around us. In this valuable book, Derek Schoenhoff shares exciting life-stories, asks thoughtful questions and applies Biblical truth. You will cultivate your knowledge of God,

energize your ability to communicate with Him, unearth powerful principles for your restoration and wholeness, uncover strategies of the enemy in your life, and simplify your calling and purpose. God has made Himself accessible to everyone, but only you can choose to open yourself up to Him. Whether you have been a Christian for many years, or are just discovering Him, this book will help you on your journey, so you can be passionately Planting God.

And I Thought... Harmony

There are many things in this world the average person cannot see...but a chosen few can. Such is the case with Lala, the five-year-old Mexican-American child at the heart of this unique coming-of-age novel. Divine Sight finds Lala at a critical point in her life, where she is learning how to deal with the different perspectives of her multicultural, multigenerational family and coming to terms with her sixth sense of second sight. Set in the 1950s and spanning both the United States and Mexico, the story is told through a series of vignettes written in Lala's voice. Each chapter casts Lala against a challenging situation and shows how she, with the aid

of her family members and otherworldly allies, works to overcome it and becomes more comfortable in her own skin—as a medium between two worlds and two cultures. A truly touching and thoughtful tome, Divine Sight explores many common, and uncommon, themes from an encouraging and empowering angle. It speaks volumes about cultural and spiritual understanding and tells a tale of hope and helpfulness that's sure to appeal to open-minded readers who want to better understand and appreciate life's many marvels.

**Living in a Make-Believe World** She Writes Press

An evangelical pastor shares what it was like to spend one year living like Jesus and obeying his teachings.

**Following Aslan** HarperCollins Australia  
Take a daily step toward joy and contentment and ditch stress, overwhelming thoughts, and boredom with encouraging and biblical messages from Alli Worthington. You do your best to live life well—you work hard to be present in the moment, take care of the people in your life, knock it out of the park at work and home. And yet, somehow, you still

have days (perhaps more than you'd like to admit) where you're simultaneously stressed and bored, and you wonder if you even know how to be happy. Is happiness a worthy goal? Does happiness matter to God, or does He only care about holier things? Alli Worthington gets it. As a wife, mother of five boys, author, speaker, and entrepreneur, she knows a thing or two about being busy, stressed, and happy in the midst of a crazy world! Over the years, she's seen how happiness gets a bad rap in Christian circles, and now she is standing up to shout the good news from the roof (or the internet, as the case may be): You are allowed to be happy! Yes, you! You can be happy right now! Join Alli for The Year of Living Happy: Finding Contentment and Connection in a Crazy

World, and find the roots of your happiest life yet. Each of the 100 short and inspirational entries includes a thoughtful message from Alli, based on God's Word practical ways to make your life happier day by day a journaling section This gorgeous book is an empowering gift for yourself or any woman you love. It can be used as a daily devotional or as a guided journal. Be part of this exciting message: Happiness and holiness can coexist for a beautiful life. Don't miss the great big adventure God has for you. Let this be The Year of Living Happy!

**A Home Companion** Attard Coaching and Consulting

David J. Keyser, Ph.D. \*\* Christian Theology \*\* This book is about the humanity of Jesus Christ. The Christian

Church has neglected this important Christian truth for too long. An understanding of the humanity of Jesus has been sacrificed to our understanding of his divinity. He is indeed Divine. But it is a costly mistake to forget about his humanity; it is here that we find our identity with Him. ISBN: 9780615164557 -- Dr. David J. Keyser has served as an international theology teacher and college adjunct faculty. His earned degrees include a B.S., an M.Div, an M.S., a Th.M., and a Ph.D. in Systematic Theology with a specialization in Pneumatology (the study of The Holy Spirit) from the University of Saint Andrews in Scotland, Presbyterianism's oldest University. His interests include the humanity of Christ, The Holy Spirit and Biblical fiction.
