*For White Folks Who
Teach in the Hood... and
the Rest of Y'all Too* Hill
and Wang

A biography of the Harlem poet whose works gave voice to the joy and pain of the black experience in America.

The Ways of White Folks Simon & Schuster
THE NEW YORK TIMES
BESTSELLER From the
Civil War to our
combustible present,
White Rage reframes the
continuing conversation
about race in America,
chronicling the history of
the powerful forces
opposed to black
progress. Since the
abolishment of slavery in
1865, every time African
Americans have made
advances towards full
democratic participation,
white reaction has fuelled

a rollback of any gains.
Carefully linking historical
flashpoints – from the
post-Civil War Black
Codes and Jim Crow to
expressions of white rage
after the election of
America's first black
president – Carol
Anderson renders visible
the long lineage of white
rage and the different
names under which it
hides. Compelling and
dramatic in the history it
relates, White Rage adds
a vital new dimension to
the conversation about
race in America.

'Beautifully written and
exhaustively researched'
CHIMAMANDA NGOZI
ADICHIE 'An
extraordinarily timely and
urgent call to confront the
legacy of structural
racism' NEW YORK TIMES

The Souls of Black Folk W.
E. B. Du Bois - One of the
Most Important Books on
Civil Rights, Race, and
Freedom Ever Written. It
is a seminal work in the
history of sociology and a
cornerstone of African-
American literature and a
monumental collection of
essays that examines
race and racism in
America during the early
1900s and prior. To
develop this work, Du Bois
drew from his own
experiences as an African
American in American
society. Outside of its
notable relevance in
African-American history,
The Souls of Black Folk
also holds an important
place in social science as
one of the early works in
the field of sociology. The
Souls of Black Folk is
perfect for anyone
interested in African-
America literature and
history

Jesse B. Simple, Simple to

his fans, made weekly appearances beginning in 1943 in Langston Hughes' column in the Chicago Defender. Simple may have shared his readers feelings of loss and dispossession, but he also cheered them on with his wonderful wit and passion for life.

White Rage Vintage

These are the things of which men think who live: of their own selves and the dwelling place of their fathers; of their neighbors; of work and service; of rule and reason and women and children; of Beauty and Death and War.

I Wonder As I Wander
Vintage

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this "vital, necessary, and beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us to understand racism as a practice not restricted to 'bad people' (Claudia Rankine). Referring to the defensive moves that white people make when

challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

The Ways of White

Folks Hill and Wang
Langston Hughes's *Not Without Laughter* (1930) is drawn in part from the author's own recollections of youth and early manhood. This stirring coming-of-age tale unfolds in 1930s rural Kansas. A poignant portrait of African-American family life in the early twentieth century, it follows the story of young Sandy Rogers as he grows from a boy to a man. We meet Sandy's mother, Annjee, who works as a housekeeper for a wealthy white family; his strong-willed grandmother, Hager;

Jimboy, Sandy's father, who travels the country looking for work; Aunt Tempy, the social climber; and Aunt Harriet, the blues singer who has turned away from her faith. A fascinating chronicle of a family's joys and hardships, 'Not Without Laughter' is a vivid exploration of growing up and growing strong in a racially divided society. A rich and important work, it masterfully echoes the black American experience.

The Ways of White

Folks The Ways of White
FolksStories

THE CELEBRATED SHORT STORY COLLECTION FROM THE AMERICAN POET AND WRITER OFTEN CALLED THE 'POET LAUREATE OF HARLEM' 'Powerful, polemical pieces' New York Times One of the most important writers to emerge from the Harlem Renaissance, Langston Hughes is best known as a pioneer of jazz poetry, but the stories in his 1934 collection, *The Ways of White Folk*, showcase his talent as a dynamic storyteller. Sometimes humorous, sometimes violent, but more often tragic, these poignant stories explore the tension that arises when the pretense of cordiality

between Black and white Americans breaks down. Blending elements of blues and jazz, speech and song, into a triumphant and wholly original idiom *The Ways of White Folks* is a masterpiece of 20th century American literature.

Father and Son Taylor & Francis

In the spirit of Langston Hughes's *The Ways of White Folks*, Black Trans poet & educator, J Mase III takes us on a journey through the absurdities of whiteness. From MLK quotes out of context, to strange dance moves and circular conversations about justice that go nowhere, he guides us into accepting what we already know: *White Folks Be Trippin'*. More importantly, in an Instagram world he warns that not knowing the complexities of whiteness, white supremacy and its impacts can be downright dangerous for us all.

The Ways of White Folks Teacher Created Materials

A definitive selection of work by the African-American poet and author features "The Negro Speaks of Rivers," "The Weary Blues," "America," "Let America Be American Again," "Dream

Variations," and "UnAmerican Investigators."

Uncollected Writings

University of Illinois Press
The Short Stories of Langston Hughes This collection of forty-seven stories written between 1919 and 1963--the most comprehensive available--showcases Langston Hughes's literary blossoming and the development of his personal and artistic concerns. Many of the stories assembled here have long been out of print, and others never before collected. These poignant, witty, angry, and deeply poetic stories demonstrate Hughes's uncanny gift for elucidating the most vexing questions of American race relations and human nature in general.

A New York Times Best Seller Merging real stories with theory, research, and practice, a prominent scholar offers a new

approach to teaching and learning for every stakeholder in urban education. Drawing on his own experience of feeling undervalued and invisible in classrooms as a young man of color and merging his experiences with more than a decade of teaching and researching in urban America, award-winning educator Christopher Emdin offers a new lens on an approach to teaching and learning in urban schools. For *White Folks Who Teach in the Hood...and the Rest of Y'all Too* is the much-needed antidote to traditional top-down pedagogy and promises to radically reframe the landscape of urban education for the better. He begins by taking to task the perception of urban youth of color as unteachable, and he challenges educators to embrace and respect each student's culture and to reimagine the classroom as a site where roles are reversed and students become the experts in their own learning. Putting forth his theory of Reality Pedagogy, Emdin provides practical tools to unleash the brilliance and eagerness of youth and educators alike—both of whom have been typecast

and stymied by outdated modes of thinking about urban education. With this fresh and engaging new pedagogical vision, Emdin demonstrates the importance of creating a family structure and building communities within the classroom, using culturally relevant strategies like hip-hop music and call-and-response, and connecting the experiences of urban youth to indigenous populations globally. Merging real stories with theory, research, and practice, Emdin demonstrates how by implementing the “Seven C’s” of reality pedagogy in their own classrooms, urban youth of color benefit from truly transformative education. For *White Folks Who Teach in the Hood...and the Rest of Y’all Too* has been featured in MotherJones.com, Education Week, Weekend All Things Considered with Michel Martin, *Diverse: Issues in Higher Education*, PBS NewsHour.com, Slate, The Washington Post, Scholastic Administrator Magazine, Essence Magazine, Salon, ColorLines, Ebony.com, Huffington Post Education

Laughing to Keep from Crying GENERAL PRESS

A Vintage Shorts “Short Story Month” Selection Colonel Norwood is the despotic owner of Big House Plantation, where he lives alone but for the occasional company of his black mistress, Coralee Lewis. But this summer, a new breeze is blowing in with the warm Georgia wind—his son is coming home. From the publication of his first book in 1926, Langston Hughes was hailed as the poet laureate of black America. In “Father and Son,” Hughes reveals himself to be a writer of prose just as lasting as his poetry, and one of the true icons of modern American letters. The staggering final story in the collection *The Ways of White Folks*. An eBook short.

A biting satire about a young man's isolated upbringing and the race trial that sends him to the Supreme Court, Paul Beatty's *The Sellout* showcases a comic genius at the top of his game. It challenges the sacred tenets of the United

States Constitution, urban life, the civil rights movement, the father-son relationship, and the holy grail of racial equality—the black Chinese restaurant. Born in the "agrarian ghetto" of Dickens—on the southern outskirts of Los Angeles—the narrator of *The Sellout* resigns himself to the fate of lower-middle-class Californians: "I'd die in the same bedroom I'd grown up in, looking up at the cracks in the stucco ceiling that've been there since '68 quake." Raised by a single father, a controversial sociologist, he spent his childhood as the subject in racially charged psychological studies. He is led to believe that his father's pioneering work will result in a memoir that will solve his family's financial woes. But when his father is killed in a police shoot-out, he realizes there never was a memoir. All that's left is the bill for a drive-thru funeral. Fueled by this deceit and the general disrepair of his hometown, the narrator

sets out to right another wrong: Dickens has literally been removed from the map to save California from further embarrassment. Enlisting the help of the town's most famous resident—the last surviving Little Rascal, Hominy Jenkins—he initiates the most outrageous action conceivable: reinstating slavery and segregating the local high school, which lands him in the Supreme Court. *Why It's So Hard for White People to Talk About Racism* Hill and Wang A stirring and powerful memoir from black cultural critic Rebecca Carroll recounting her painful struggle to overcome a completely white childhood in order to forge her identity as a black woman in America. Rebecca Carroll grew up the only black person in her rural New Hampshire town. Adopted at birth by artistic parents who believed in peace, love, and zero population growth, her early childhood was loving and

idyllic—and yet she couldn't articulate the deep sense of isolation she increasingly felt as she grew older. Everything changed when she met her birth mother, a young white woman, who consistently undermined Carroll's sense of her blackness and self-esteem. Carroll's childhood became harrowing, and her memoir explores the tension between the aching desire for her birth mother's acceptance, the loyalty she feels toward her adoptive parents, and the search for her racial identity. As an adult, Carroll forged a path from city to city, struggling along the way with difficult boyfriends, depression, eating disorders, and excessive drinking. Ultimately, through the support of her chosen black family, she was able to heal. Intimate and illuminating, *Surviving the White Gaze* is a timely examination of racism and racial identity in America today, and an extraordinarily moving portrait of resilience.
