**Captain Crash and the Dallas Cowboys** Simon and Schuster  
The rivalry between UCLA and USC is unlike any other in sports. When the Bruins and the Trojans compete, families are torn. Friends become enemies. Nothing matters more than beating your rival, and when the two Los Angeles foes meet, fans are often in for a show. In this book, you will read about the moments that have made the rivalry between UCLA and USC so great. You will read about the greatest games, the greatest players, and the greatest moments. You will read about the pranks, the fights, and all the moments that have helped make the rivalry the best in sports. In 1929, UCLA and USC met on the football field for the first time. Los Angeles has never been the same.

**UCLA Bruins** Third Millennium Publishing  
UCLA: The First Century is an extensively illustrated hardcover book which follows a chronological historical narrative with in-depth sections on campus traditions and the history of Bruin athletics. Since the UCLA History Project was launched in 2004, UCLA have been chronicling a full account of their alma mater, from humble beginnings to their current standing as one of the world's most prestigious public research universities. The research and editorial team for this publication delved into the untold number of historical documents and photographs preserved in UCLA's archives and beyond, interviewed numerous members of the UCLA community, and searched for materials and anecdotes that were on the verge of becoming permanently lost or forgotten. '100 years of UCLA on your coffee table.' Los Angeles Times "I wanted to create an authentic, historical account of our university. Every day I am inspired by the story of UCLA and I see

its history as a collective, living legacy that we all share." Marina Dundjerski '94, Author 'The book is indeed beautiful. Thank you so much for all the work that went into it.' Rhea Turteltaub, Vice Chancellor, UCLA External Affairs  
Black Civil Rights and American College Football Skyhorse Publishing Inc.

A statistical and factual reference to the past half-century of college football features recaps of more than seven thousand games, includes complete season-by-season lineups and records, and is complemented by personality profiles of forefront players and coaches. Original. 20,000 first printing.

Players Recall the Glory Years of the Dallas Cowboys Grand Central Publishing

Over 100 years ago, the University of Kentucky and the University of Louisville met for the first time on the basketball court. Over thirty years ago, the intra-state rivals faced each other in the original "Dream Game." *Fightin' Words* will have the inside stories of these games and others from the rivalry, including a discussion of how Louisville coach Denny Crum out-recruited Joe B. Hall for the athletes in inner city Louisville; how Rick Pitino won the city back for UK, then left to become Cardinal coach; how John Calipari brought UK back on top of the rivalry and the basketball world, and much more. The book covers everything from the 12 games between the rivals before the 1983 game, the buildup to the 1983 game and how it finally became an annual rivalry, and then individual chapters for the 31 UK/UL games since. Each chapter contains pre-game analysis, full-game coverage, and postgame discussion, with firsthand interviews from major players involved on both sides. The authors reveal the effects of each game on both teams as well as the history of college basketball. No matter your allegiance, this is a book for the shelf of any fan of college basketball. Skyhorse Publishing, as well as our Sports Publishing

imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

The Road to Madness Globe Pequot

The Dallas Cowboys were dubbed America's Team nearly forty years ago, and the label has stuck in the minds and hearts of football fans to this day. *Facing America's Team* takes you onto the field to see what it was like to take on Bob Lilly, Roger Staubach, Tony Dorsett, Emmitt Smith, Troy Aikman, and the other legends who captured five Super Bowl titles while building the legacy of America's Team. Eighty noted Dallas foes share their stories about the Cowboys' greatest rivals, biggest games, and most memorable plays. You will hear from Hall of Famers and rivals, including: • Jerry Rice • "Mean Joe" Greene • Jack Youngblood • Joe Theismann • Randall Cunningham • Aeneas Williams • Paul Warfield • Ken Houston • Jackie Smith • Conrad Dobler • And many more! With eight Super Bowl appearances under their belt and a thirty-year run of success unmatched by any NFL team, the Cowboys are one of the best-known franchises worldwide—and for good reason. This book is the perfect gift for fans of one of the most successful organizations in sports history.

**Wooden on Leadership** Simon and Schuster

In February 2008, Bill Walton, after climbing to the top of every mountain he ever tried, suffered a catastrophic spinal collapse--the culmination of a lifetime of injuries--that left him in excruciating, debilitating, and unrelenting pain. Unable to walk, he underwent pioneering surgery and slowly recovered. The ordeal tested Walton to the fullest, but with extraordinary determination and sacrifice, he recovered. Now Bill Walton shares his life story in this remarkable memoir. Walton, the son of parents with no interest in athletics, played basketball in every spare moment. An outstanding player on a great high school team, he only wanted to play for John Wooden at UCLA--and Wooden wanted him. Walton was deeply influenced by the culture of the 1960s, but he respected the thoughtful, rigorous Wooden, who seemed immune to the turmoil of the times. Other than his parents, Wooden would be the greatest influence in Walton's life--the two would speak nearly every day for 43 years until Wooden's death. Throughout a brilliant championship career, accumulating injuries would afflict Walton. He would lose almost two-thirds of his playing time to injury. After his playing days ended, Walton chose a career in broadcasting, despite being a lifelong stutterer--once again he overcame a physical limitation and eventually won multiple broadcasting accolades. Wooden once said that no greatness ever came without sacrifice--nothing better illustrates this notion than Walton's life.--Adapted from dust jacket.

**The First 100 Years** Simon and Schuster

**Bowl Full of Memories: 100 Years of Football at the Yale Bowl** covers the Yale football from its inception in 1872 and pays tribute to the historic Yale Bowl, which celebrates its 100th anniversary in 2014. Based on more than 150 interviews—more than 100 of which were conducted with former players—the book serves as a time-capsule of Yale football by those who took part in this most storied college football program. Players, coaches, writers, broadcasters and fans give their view of the spectacle, people, places, and contests that make Yale football history come to life. Marazzi, who has seen almost every game in the Yale Bowl in the last 50 years, gives due attention to the career of towering figures like legendary Yale football coach Walter Camp, whose story is important to understanding Yale football and the evolution of the game as we know it. And of course he covers the one of the oldest rivalries in college sports, between Yale and Harvard. The book takes readers into the huddle, the locker room, the practice field, the campus, and the hearts and minds of Yalies over the past century. **Bowl Full of Memories: 100 Years of Football at the Yale Bowl** is a book that every Yale alum, Ivy League and college football fan will want to own and refer to often. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. **Georgetown Basketball, Miami Football, and the Racial Transformation of College Sports** Rutgers University Press

A provocative and revelatory new biography of the legendary UCLA coach John Wooden, by one of America's top college basketball writers No college basketball coach has ever dominated the sport like John Wooden. His UCLA teams reached

unprecedented heights in the 1960s and '70s capped by a run of ten NCAA championships in twelve seasons and an eighty-eight-game winning streak, records that stand to this day. Wooden also became a renowned motivational speaker and writer, revered for his "Pyramid of Success." Seth Davis of Sports Illustrated and CBS Sports has written the definitive biography of Wooden, an unflinching portrait that draws on archival research and more than two hundred interviews with players, opponents, coaches, and even Wooden himself. Davis shows how hard Wooden strove for success, from his All-American playing days at Purdue through his early years as a high school and college coach to the glory days at UCLA, only to discover that reaching new heights brought new burdens and frustrations. Davis also reveals how at the pinnacle of his career Wooden found himself on questionable ground with alumni, referees, assistants, and even some of his players. His was a life not only of lessons taught, but also of lessons learned. Woven into the story as well are the players who powered Wooden's championship teams - Kareem Abdul-Jabbar, Bill Walton, Walt Hazzard, and others - many of whom speak frankly about their coach. The portrait that emerges from Davis's remarkable biography is of a man in full, whose life story still resonates today.

**Facing Michael Jordan** Macmillan

The Black Bruins chronicles the inspirational lives of five African American athletes who faced racial discrimination as teammates at UCLA in the late 1930s. Best known among them was Jackie Robinson, a four-star athlete for the Bruins who went on to break the color barrier in Major League Baseball and become a leader in the civil rights movement after his retirement. Joining him were Kenny Washington, Woody Strode, Ray Bartlett, and Tom Bradley—the four played starring roles in an era when fewer than a dozen major colleges had black players on their rosters. This rejection of the “gentleman’s agreement,” which kept teams from fielding black players against all-white teams, inspired black Angelinos and the African American press to adopt the teammates as their own. Kenny Washington became the first African American player to sign with an NFL team in the post-World War II era and later became a Los Angeles police officer and actor. Woody Strode, a Bruins football and track star, broke into the NFL with Washington in 1946 as a Los Angeles Ram and went on to act in at least fifty-seven full-length feature films.

Ray Bartlett, a football, basketball, baseball, and track athlete, became the second African American to join the Pasadena Police Department, later donating his time to civic affairs and charity. Tom Bradley, a runner for the Bruins' track team, spent twenty years fighting racial discrimination in the Los Angeles Police Department before being elected the first black mayor of Los Angeles.

Did you know that the UCLA Bruins play at the Rose Bowl stadium in Pasadena, California? The Rose Bowl is a National Historic Landmark. Learn more about this college team's history, traditions, uniforms, team records, coaches, and legendary players in UCLA Bruins, part of the Inside College Football series.

**The USA TODAY College Football Encyclopedia 2009-2010** University of Illinois Press

A complete history of a century of UCLA Basketball! Over the course of one hundred years, UCLA has proven to be arguably the top college basketball program of all time, but the rise to the top was filled with many bumps in the road. In UCLA Basketball Encyclopedia, Spencer Stueve writes in detail about each season in the team's epic history. While Coach John Wooden built a program that won more championships than any other in America, not all of UCLA's basketball history is about winning titles. Prior to Coach Wooden's arrival, UCLA was one of the worst programs in America, and since his departure, UCLA has been on a never-ending search for the man to bring them back to the top. Stueve leaves no stone unturned in this comprehensive volume, describing the many highs and lows the team has encountered along the way. Readers will learn about the life of Lewis Alcindor (who changed his name to Kareem Abdul-Jabbar), the dark days of Bill Walton and how he came back to life, and many other legendary players whose accomplishments have often been overshadowed, players like Gail Goodrich and Walt Hazzard. With a comprehensive all-time roster to accompany the text, this book is the perfect gift for any Bruins basketball fan!

*Who Will Tell Your Story?* UCLA Bruins

The story of Duke University's 2000-2001 championship basketball season is one of a young inexperienced team, insurmountable odds, and the visionary coach that brought them

to victory.

SportsZone is an imprint of ABDO Publishing Company.

**Players Recall the Greatest Hockey Player Who Ever Lived** McGraw Hill Professional

By 1972, President Richard Nixon had reached the heights of political power and popularity, only to self-destruct due to his role in a "third-rate" burglary called "Watergate." Nixon resigned in disgrace, and, for the first time in history, Americans came to be led by an unelected President and Vice President -- Gerald Ford and Nelson Rockefeller. But Americans had much more on their minds than mere politics -- movies, TV, sports, earning a living, etc. Hollywood motion pictures, including "The Godfather," "Jaws," and "Star Wars," captured their imaginations, while weekly TV shows such as "All in the Family" and "Happy Days" made them laugh, and "Monday Night Football" kept their competitive juices flowing. To no one's surprise, UCLA continued to win NCAA basketball championships, and such schools as Alabama, Arkansas, Michigan, Nebraska, Notre Dame, Oklahoma, Penn State, Texas, and USC remained dominant on the gridiron. And professional sports, thanks to such super-stars as Billie Jean King, Kareem Abdul-Jabbar, Henry Aaron, Jack Nicklaus, Muhammad Ali, Al Unser, and Terry Bradshaw, became more popular than ever. But who could have predicted at the beginning of the decade that a young high school dropout named John Travolta and a band called the Bees Gees would become the kings of Disco Dancing? Or that a peanut farmer from Georgia would be elected President during our Bicentennial Year?

[Kentucky vs. Louisville](#) Triumph Books

For more than a decade, the UCLA dynasty defined college basketball. In twelve seasons from 1964 to 1975, John Wooden's teams won ten national titles, including seven consecutive championships. The Bruins made history by breaking numerous

records, but they also rose to prominence during a turbulent age of political unrest and youthful liberation. When Lew Alcindor and Bill Walton--the most famous college basketball players of their generation--spoke out against racism, poverty, and the Vietnam War, they carved out a new role for athletes, casting their actions on and off the court in a political light. The Sons of Westwood tells the story of the most significant college basketball program at a pivotal period in American cultural history. It weaves together a story of sports and politics in an era of social and cultural upheaval, a time when college students and college athletes joined the civil rights movement, demonstrated against the Vietnam War, and rejected the dominant Cold War culture. This is the story of America's culture wars played out on the basketball court by some of college basketball's most famous players and its most memorable coach.

**A Comprehensive Modern Reference to America's Most Colorful Sport, 1953-Present** ABDO Publishing Company

Former NBA star and Presidential Medal of Freedom recipient Kareem Abdul-Jabbar explores his 50-year friendship with Coach John Wooden, one of the most enduring and meaningful relationships in sports history. When future NBA legend Kareem Abdul-Jabbar was still an 18-year-old high school basketball prospect from New York City named Lew Alcindor, he accepted a scholarship from UCLA largely on the strength of Coach John Wooden's reputation as a winner. It turned out to be the right choice, as Alcindor and his teammates won an unprecedented three NCAA championship titles. But it also marked the beginning of one of the most extraordinary and enduring friendships in the history of sports. In *Coach Wooden and Me*, Abdul-Jabbar reveals the inspirational story of how his bond with John Wooden evolved from a history-making coach-player mentorship into a deep and genuine friendship that transcended sports, shaped the course of both men's lives, and lasted for half a century. *Coach Wooden and Me* is a stirring tribute to the subtle but profound influence that Wooden had on Kareem as a player, and then as a person, as they began to share their cultural, religious, and family values while facing some of life's biggest obstacles. From his first day of practice, when the players were taught the importance of putting on their athletic socks properly; to gradually absorbing the sublime wisdom of Coach Wooden's now famous "Pyramid of Success"; to learning to cope with the ugly racism that confronted

black athletes during the turbulent Civil Rights era as well as losing loved ones, Abdul-Jabbar fondly recalls how Coach Wooden's fatherly guidance not only paved the way for his unmatched professional success but also made possible a lifetime of personal fulfillment. Full of intimate, never-before-published details and delivered with the warmth and erudition of a grateful student who has learned his lessons well, *Coach Wooden and Me* is at once a celebration of the unique philosophical outlook of college basketball's most storied coach and a moving testament to the all-conquering power of friendship.
