Golf, Life, and Lessons from Dad Simon and Schuster

Four sisters desperately seeking the blueprints to life—the modern-day retelling of Louisa May Alcott’s *Little Women* like only Anna Todd (*After, Imagines*) could do. The Spring Girls—Meg, Jo, Beth, and Amy—are a force of nature on the New Orleans military base where they live. As different as they are, with their father on tour in Iraq and their mother hiding something, their fears are very much the same. Struggling to build lives they can be proud of and that will lift them out of their humble station in life, one year will determine all that their futures can become. The oldest, Meg, will be an

officer's wife and enter military society like so many of the women she admires. If her passion—and her reputation—don't derail her. Beth, the workhorse of the family, is afraid to leave the house, is afraid she'll never figure out who she really is. Jo just wants out. Wishing she could skip to graduation, she dreams of a life in New York City and a career in journalism where she can impact the world. Nothing can stop her—not even love. And Amy, the youngest, is watching all her sisters, learning from how they handle themselves. For better or worse. With plenty of sass, romance, and drama, *The Spring Girls* revisits Louisa May Alcott's classic *Little Women*, and brings its themes of love, war, class, adolescence, and family into the language of the twenty-first century.

A Take the Fall Novel Cambridge University Press

Belfast, 1985. Amid the Troubles, Detective Sean Duffy, a Catholic cop in the Protestant Royal Ulster Constabulary, struggles with burnout as he investigates a brutal double murder and suicide. Did Michael Kelly really shoot his parents at point-blank and then jump off a nearby cliff? A suicide note points to this conclusion, but Duffy suspects even more sinister circumstances. He soon discovers that Kelly was present at a decadent Oxford party where a cabinet minister's daughter died of a heroin overdose, which may or may not have something to do with Kelly's subsequent death. New evidence leads elsewhere: gun runners, arms dealers, the British government, and a rogue American agent with a fake identity. Duffy thinks he's getting somewhere when agents from MI5 show up at his doorstep and try to recruit him, thus taking him off the investigation. Duffy is in it up to his neck, doggedly pursuing a case that may finally prove his undoing.

When We Fell Apart Penguin

A dazzlingly original and ambitious book on the history of female self-portraiture by one of today's most well-respected art critics. Her story weaves in and out of time and place. She's Frida Kahlo, Loïs Mailou Jones and Amrita Sher-Gil en route to Mexico City, Paris or Bombay. She's Suzanne Valadon and Gwen John, craving city lights, the sea and solitude; she's Artemisia Gentileschi striding through the streets of Naples and Paula Modersohn-Becker in Worpswede. She's haunting museums in her paint-stained dress, scrutinising how El Greco or Titian or Van Dyck or Cézanne solved the problems that she too is facing. She's railing against her corsets, her chaperones, her husband and her brothers; she's hammering on doors, dreaming in her bedroom, working day and night in her studio. Despite the immense hurdles that have been placed in her way, she sits at her easel, picks up a mirror and paints a self-portrait

because, as a subject, she is always available. Until the twentieth century, art history was, in the main, written by white men who tended to write about other white men. The idea that women in the West have always made art was rarely cited as a possibility. Yet they have - and, of course, continue to do so - often against tremendous odds, from laws and religion to the pressures of family and public disapproval. In *The Mirror and the Palette*, Jennifer Higgin introduces us to a cross-section of women artists who embody the fact that there is more than one way to understand our planet, more than one way to live in it and more than one way to make art about it. Spanning 500 years, biography and cultural history intertwine in a narrative packed with tales of rebellion, adventure, revolution, travel and tragedy enacted by women who turned their back on convention and lived lives of great resilience, creativity and bravery.

In this love letter to his father, former professional golfer Nathaniel Crosby shares memories of Bing Crosby on the golf course, and the lessons he taught him about the game and about life. With a Foreword by Jack Nicklaus. "Bing

Crosby was a great ambassador for our game, as well as a great man," hails longtime friend and golf partner, Jack Nicklaus. The beloved singer and star was also an extraordinary teacher who instilled an abiding passion and mastery of the game in his youngest son, Nathaniel. Winning the US Amateur at nineteen, Nathaniel went on to compete in high-level professional tournaments for his entire life. In *18 Holes with Bing*, Nathaniel introduces us to the Bing Crosby he and his family knew—not the beloved singer who played golf, but a golfer who sang to pay his country club dues. Nathaniel shares exclusive stories about this American icon golfing, working, and playing with some of the most famous people in history—royalty, titans of industry, stars of stage and screen, and champions of the green, including Bob Hope, Dwight Eisenhower, Ben Hogan, Jack Nicklaus, and Louis Armstrong. At the book's heart is an intimate account of a father and a son—how a mutual love of golf formed an exceptional emotional bond. Full of anecdotes, vignettes, and recollections of Bing's time on the course, the tournaments he created and later sponsored, and the constant encouragement he showed his son, *18 Holes with Bing* honors this celebrated golfer, entertainer, and father, and illuminates his life as never before.

Jack Valentini isn't my type. Sexy, brooding cowboys are fine in the movies, but in real life, I prefer a suit and tie. Proper manners. A close shave. Jack might be gorgeous, but he's also scruffy, rugged, and rude. He wants nothing to do with a "rich city girl" like me, and he isn't afraid to say so. But I've got a PR job to do for his family's farm, so he's stuck with me and I'm stuck with him. His glares. His moods. His tight jeans. His muscles. His huge, hard muscles.

Pretty soon there's a whole different kind of tension between us, the kind that has me misbehaving in barns, trees, and pickup trucks. I've never done anything so out of character-but it feels too good to stop. And the more I learn about the grieving ex-Army sergeant, the better I understand him. Losing his wife left him broken and bitter and blaming himself. He doesn't think he deserves a second chance at happiness. But he's wrong. I don't need to be his first love. If only he'd let me be his last.
