Bending Adversity - Japan and the Art of Survival: Book Review Currently based in Hong Kong, David Pilling is the Asia Editor of the Financial Times . He was Tokyo Bureau Chief from 2002-8. After the earthquake in 2011, he came back to Japan on a number of occasions. Bending Adversity: Japan and the Art of Survival by David ..." Bending Adversity is a superb reappraisal of the so-called 'lost decade(s)' of contemporary Japan. Bending Adversity: Japan and the Art of Survival - Kindle ... The title of this book, Bending Adversity, comes from a Japanese proverb about transforming bad fortune into good. Japan has a remarkable track record of confronting and transcending adversity. Virtually

alone in Asia, it resisted the colonial predations of western powers. Bending Adversity: Japan and the Art of Survival by David ... In his book Bending Adversity, David Pilling describes this string of continuity that carries throughout Japanese history - the story of facing adversity, overcoming it, and becoming so blinded by success that their structure tumbles - through a few key examples: the transition from the Edo Period through the Meiji Restoration, that would eventually result in Japan's pursuit of an East Asian Co-Prosperity Sphere with Japan, the rising sun, at the center, and their post-Second World War rise ... Bending Adversity: Japan and the Art of Survival: David ... The title of "Bending Adversity: Japan and the Art of Survival" refers to an old Japanese proverb about making the best of a bad situation or transforming crisis into opportunity.
