CONRAD POLLARD

A Desk Reference for the Curious Mind
Simon & Schuster

Explores the visionary, mystical, and ecstatic traditions that influenced the music of the 1960s • Examines the visionary, spiritual, and mystical influences on the Grateful Dead, the Beatles, the Rolling Stones, Bob Dylan, Van Morrison, the Incredible String Band, the Left Banke, Lou Reed and the Velvet Underground, and others • Shows how the British Invasion acted as the “detonator” to explode visionary music into the mainstream • Explains how 1960s rock and roll music transformed consciousness on both the individual and collective levels The 1960s were a time of huge transformation, sustained and amplified by the music of that era: Rock and Roll. During the 19th and 20th centuries visionary and esoteric spiritual traditions influenced first literature, then film. In the 1960s they entered the realm of popular music, catalyzing the ecstatic

experiences that empowered a generation. Exploring how 1960s rock and roll music became a school of visionary art, Christopher Hill shows how music raised consciousness on both the individual and collective levels to bring about a transformation of the planet. The author traces how rock and roll rose from the sacred music of the African Diaspora, harnessing its ecstatic power for evoking spiritual experiences through music. He shows how the British Invasion, beginning with the Beatles in the early 1960s, acted as the “detonator” to explode visionary music into the mainstream. He explains how 60s rock and roll made a direct appeal to the imaginations of young people, giving them a larger set of reference points around which to understand life. Exploring the sources 1960s musicians drew upon to evoke the initiatory experience, he reveals the influence of European folk traditions, medieval Troubadours, and a lost American history of ecstatic politics and shows how a revival of the ancient use of psychedelic substances was the strongest agent of

change, causing the ecstatic, mythic, and sacred to enter the consciousness of a generation. The author examines the mythic narratives that underscored the work of the Grateful Dead, the French symbolist poets who inspired Bob Dylan, the hallucinatory England of the Beatles' Sgt. Pepper, the tale of the Rolling Stones and the Lord of Misrule, Van Morrison's astral journeys, and the dark mysticism of Lou Reed and the Velvet Underground. Evoking the visionary and apocalyptic atmosphere in which the music of the 1960s was received, the author helps each of us to better understand this transformative era and its mystical roots.

Everybody Had an Ocean Rock & Roll lifestyles - The 50's and 60's

1000 Songs That Rock Your World is the ultimate visual guide to the best rock music ever produced. From Abba to ZZ Top, it's not simply the ideal playlist, it's a one-stop catalog of a half-century of Rock 'n' Roll. Showcasing songs by nearly 500 artists in all rock genres, 1000 Songs That Rock Your World goes behind the scenes to uncover the fascinating story of the creation, significance, and popularity of these dynamic hits. Hollywood Eden Macmillan

The astonishing outpouring of rock 'n' roll in the 1960s in Australia and New Zealand gave birth to such iconic bands as the Easybeats, the Masters Apprentices, Billy Thorpe and the Aztecs, the Purple Hearts, and the Missing Links. It also launched the careers of a generation of musicians who would go on to greater, international fame with their later groups (the Bee Gees, AC/DC, Little River Band, and more). In *Wild About You*, authors Ian D. Marks and Iain McIntyre offer profiles of 35 of the most important bands who made the scene. The book is profusely illustrated with many classic images by the great rock photographers of the period (in particular Jim Colbert and Colin Beard, who were heavily involved in this project), as well as photos and ads from *Go-Set* and *Everybody's*, rare posters and more from the bands' personal collections. It also includes the authors' Top 100 Beat and Garage Songs and a detailed discography, as well as an introduction by Ian McFarlane. *Wild About You* is destined to be the definitive work on this crucial period in music, and compulsory reading for Sixties obsessives and garage-band enthusiasts

everywhere.

A Century of American Popular Music

Alfred Music Publishing
Concentrating on the friendship between impresario Larry Parnes, Beatles manager Brian Epstein, and showbiz solicitor David Jacobs, the book details how they shaped the Swinging 60s, along with their associates including songwriter Lionel Bart (author of the hit musical *Oliver!*), record producer Joe Meek, Sir Joseph Lockwood (the head of EMI), Vicki Wickham (manager of Dusty Springfield and assistant producer on the influential TV show *Ready Steady Go*), and more. Drawing on rare and unpublished archive material, personal diaries, and new interviews from some of the survivors of that turbulent decade, *The Velvia Mafia* shows how--in the period leading up to the partial decriminalisation of homosexuality and the founding of the Gay Liberation movement--LGBT professionals in the music industry were working together, supporting each other, and changing history.

Reckless Daughter Yale University Press
Profiles rock musicians from the 1950s to the 1990s who never made it big, including the Collins Kids, Graham Bond, Duffy Powder, the Remains, Nick Drake, Sandy Denny, Martin Newell, and the Free Spirits

Music in the 1960s Cengage Learning
Michael Campbell's best-selling POPULAR MUSIC IN AMERICA, now in its fourth edition, remains the industry standard in breadth of coverage, readability, and musical focus. The text provides a rich account of the evolution of popular music from the mid-19th century to the present. Discussions highlight connections, contrasts, and patterns of influence among artists, styles, and eras. Coverage of listening skills allows

students to place music of their choice in context. The Fourth Edition expands the coverage of country, Latin, world, and late 20th century music to give instructors more options to teach the course as they choose to. A major reorganization replaces long chapters with units broken into small chapters to make the material easier for students to read and master. Units are clearly defined by style and timeframe, and chapters feature narrowly focused objectives. This edition features a vibrant, richly illustrated, magazine-like design, plus numerous online resources. Almost all listening examples are available on iTunes via dedicated playlists; instructors who adopt the text will also receive copies of the heritage 3-CD set from the 3rd edition for personal, library, and class use. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
Rock N' Roll'n - The 50's and 60's A&C Black

Turtleback

For beginning musicians, Alfred's Easy series is the fast track to developing a repertoire of well-known and fun-to-play songs, while more experienced players will find an excellent resource of favorite songs. The Easy Hits Guitar TAB format provides melody in notation and TAB, chords, lyrics, and any integral "hook" parts---plus suggested strum and fingerpicking patterns. This Classic Rock edition features songs spanning three decades from such artists as Chicago,

The Rolling Stones, Fleetwood Mac, The Doors, Bruce Springsteen, Crosby, Stills, Nash and Young, and many more! Titles: 25 or 6 to 4 (Chicago) * Baby It's You (Smith) * Behind Blue Eyes (The Who) * Born to Run (Bruce Springsteen) * Can't You See (The Marshall Tucker Band) * The Chain (Fleetwood Mac) * The Circle Game (Joni Mitchell) * Colour My World (Chicago) * Dancing in the Dark (Bruce Springsteen) * Do You Feel Like We Do (Peter Frampton) * Do You Want to Know a Secret (The Beatles) * Don't Stop Believin' (Journey) * Feelin' Stronger Every Day (Chicago) * Go Your Own Way (Fleetwood Mac) * Good Times Bad Times (Led Zeppelin) * Hit Me with Your Best Shot (Pat Benatar) * Hold the Line (Toto) * Hold Your Head Up (Argent) * I Hear You Knocking (Dave Edmunds) * I Saw Her Standing There (The Beatles) * Let's Spend the Night Together (The Rolling Stones) * The Letter (The Box Tops) * Lido Shuffle (Boz Scaggs) * Life in the Fast Lane (The Eagles) * Light My Fire (The Doors) * Lola (The Kinks) * Marrakesh Express (Crosby, Stills and Nash) * Only Women Bleed (Alice Cooper) * Open Arms (Journey) * Our House (Crosby, Stills, Nash and Young) * Paint It, Black (The Rolling Stones) * Pinball Wizard (The Who) * Riders on the Storm (The Doors) * Rock and Roll (Led Zeppelin) * (I Can't Get No) Satisfaction (The Rolling Stones) * Separate Ways (Worlds Apart) (Journey) * She Loves You (The Beatles) * She's Not There (The Zombies) * Space Oddity (David Bowie) * Spirit in the Sky (Norman Greenbaum) * Stairway to Heaven (Led

50 Hits of the '60s, '70s & '80s

Britannica Educational Pub

Mirroring the youthful sensibilities of a rapidly transforming populace, rock music emerged in the second half of the 20th century, forever altering the

landscape of popular music. The new sound which many at the time viewed as subversive articulated the passions and beliefs of a new generation, and has since influenced a wide range of genres, from folk to disco to hip-hop. The musical stylings that have accompanied the social, cultural, and political developments of the late 20th and early 21st centuries form the subjects of these entertaining and informative volumes. Profiles of pivotal groups and artists whose lives have been inextricably tied to musical history structure the narrative and reveal the stories behind some of popular music's most inspired creations. [This Day in Music](#) Rowman & Littlefield

"Evokes the fire of Redding. . . . Ribowsky tells the story with nonstop energy, while always probing for the larger social and musical pictures."

—New York Times Book Review When he died in one of rock's string of tragic plane crashes, Otis Redding was only twenty-six, yet already the avatar of a new kind of soul music. The beating heart of Memphis-based Stax Records, he had risen to fame belting out gospel-flecked blues in stage performances that seemed to ignite not only a room but an entire generation. If Berry Gordy's black-owned kingdom in Motown showed the way in soul music, Redding made his own way, going where not even his two role models who had preceded him out of Macon, Georgia—Little Richard and James Brown—had gone. Now, in this transformative work, New York Times Notable Book author Mark Ribowsky contextualizes his subject's short career within the larger cultural and social movements of the era, tracing the crooner's rise from preacher's son to a preacher of three-minute soul sermons. And what a quick rise it was. At the tender age of twenty-one, Redding

needed only a single unscheduled performance to earn a record deal, his voice so "utterly unique" (Atlantic) that it catapulted him on a path to stardom and turned a Memphis theater-turned-studio into a music mecca. Soon he was playing at sold-out venues across the world, from Finsbury Park in London to his ultimate conquest, the 1967 Monterrey Pop Festival in California, where he finally won over the flower-power crowd. Still, Redding was not always the affable, big-hearted man's man the PR material painted him to be. Based on numerous new interviews and prodigious research, *Dreams to Remember* reintroduces an incredibly talented yet impulsive man, one who once even risked his career by shooting a man in the leg. But that temperament masked a deep vulnerability that was only exacerbated by an industry that refused him a Grammy until he was in his grave—even as he shaped the other Stax soul men around him, like Wilson Pickett, Sam and Dave, and Booker T. and The MG's. As a result, this requiem is one of great conquest but also grand tragedy: a soul king of truth, a mortal man with an immortal voice and a pain in his heart. Now he, and the forces that shaped his incomparable sound, are reclaimed, giving us a panoramic of an American original who would come to define an entire era, yet only wanted what all men deserve—a modicum of respect and a place to watch the ships roll in and away again.

Seeking the Sacred in Post-1960s

Popular Music Backbeat Books

When rock and roll first burst onto the scene in the 1950s, it was more than a new form of music—it was a rebellion against the past. With the music of such artists as Elvis Presley, Buddy Holly, Little Richard, and the Supremes came a

new attitude that allowed fans—many of them young—to look past the social norms of the time, a shift that included a greater interaction with and understanding between the races. This stunning, story-filled volume examines the phenomenon of rock and roll—the way it was before it crept into the mainstream it had once retaliated against—and the many musicians who made it into an art.

Dreams to Remember: Otis Redding, Stax Records, and the Transformation of Southern Soul U of Minnesota Press

The music of the 1960s is perhaps as memorable as the historical milestones of the era. Timeless bands, such as the Beatles and the Rolling Stones, emerged from England while the U.S. saw the rise of such folk musicians as Bob Dylan and the explosion of soul, with such legends as Aretha Franklin and James Brown providing the soundtrack to the fight for civil rights. Accessible text captures the extraordinary sounds of this unforgettable period through profiles of its greatest musical talents, placing their stories in social and cultural context.

The Visionary and Ecstatic Roots of 1960s Rock and Roll Routledge

There are undercurrents and peripheral taste preferences that are a defining part of our individual and collective cultural experience. Music is no exception. George Plasketes adapts the iconic "A-side/B-side" dichotomy from the 45 r.p.m. for use as a unique conceptual, critical, historical, and cultural framework for exploring and threading together a variety of popular music and media texts. The profiles and perspectives focus on the peripheries; on texts which might be considered "B-sides"—"overlooked, underappreciated, and unsung cases, creators, patterns

and productions that have unassumingly, but significantly, marked popular culture, music and media during the past 40 years. The underappreciated yet enduring contributions of a variety of creative individuals in music, television and film are a centerpiece of this volume: actress Doris Day's son, Terry Melcher, a 1960s music producer whose imprint is on the surf, country blues, garage pop and most importantly the folk rock genre; Hans Fenger's kid chorus cover project, a musical variation of "outsider art" that became representative of the tribute wave that began in the 1990s and continues today; versatile guitarist virtuoso Ry Cooder's extensive film soundtrack work; World Music "missionary efforts" of American artists beyond Paul Simon's Graceland, including Neil Diamond's precursor with Tap Root Manuscript in the 1970s and the exotic adventures of Henry Kaiser and David Lindley in Madagascar and Norway"to name just a few examples. These B-sides represent undercurrents, but they resonate as overtones in the mainstream of music and culture, many as historical hinges. Collectively, these B-sides are an A-side antidote of outskirts observations, individual snapshots of artists, artifacts and rituals, genres and generations, producers and musical productions in television, film and video. They constitute an important connect-the-dots cultural chronicle with a multi-layered context"social, legal, historic, economic, technological, generational, aesthetic"for interpreting the interrelations between creators and institutions, the music market place, the production of culture and important connections between the peripheral and the popular.

History of Rock 'n' Roll in Ten Songs
Penguin

Based on the massively popular Web site thisdayinmusic.com, this extraordinary day-by-day diary recounts the musical firsts and lasts, blockbuster albums and chart-topping tunes, and other significant happenings on each of the 365 days of the year.

Music and Mayhem in 1960s Los Angeles
A&C Black

Popular music has traditionally served as a rallying point for voices of opposition, across a huge variety of genres. This volume examines the various ways popular music has been deployed as anti-establishment and how such opposition both influences and responds to the music produced. Implicit in the notion of resistance is a broad adversarial hegemony against which opposition is measured. But it would be wrong to regard the music of popular protest as a kind of dialogue in league against 'the establishment'. Convenient though they are, such 'us and them' arguments bespeak a rather shop-worn stance redolent of youthful rebellion. It is much more fruitful to perceive the relationship as a complex dialectic where musical protest is as fluid as the audiences to which it appeals and the hegemonic structures it opposes. The book's contemporary focus (largely post-1975) allows for comprehensive coverage of extremely diverse forms of popular music in relation to the creation of communities of protest. Because such communities are fragmented and diverse, the shared experience and identity popular music purports is dependent upon an audience collectivity that is now difficult to presume. In this respect, *The Resisting Muse* examines how the forms and aims of social protest music are contingent upon the audience's ability to invest the music with the 'appropriate' political meaning.

Amongst a plethora of artists, genres, and themes, highlights include discussions of Aboriginal rights and music, Bauhaus, Black Sabbath, Billy Bragg, Bono, Cassette culture, The Capitol Steps, Class, The Cure, DJ Spooky, Drum and Bass, Eminem, Farm Aid, Foxy Brown, Folk, Goldie, Gothicism, Woody Guthrie, Heavy Metal, Hip-hop, Independent/home publishing, Iron Maiden, Joy Division, Jungle, Led Zeppelin, Lil'Kim, Live Aid, Marilyn Manson, Bob Marley, MC Eiht, Minor Threat, Motown, Queen Latifah, Race, Rap, Rastafarianism, Reggae, The Roots, Diana Ross, Rush, Salt-n-Pepa, 7 Seconds, Roxanne Shanté, Siouxsie and the Banshees, The Sisters of Mercy, Michelle Shocked, Bessie Smith, Straight edge Sunrize Band, Bunny Wailer, Wilco, Bart Willoughby, Wirrynyga Band, Zines. *An Every Day Record of Musical Feats and Facts* Simon and Schuster

The explosive rise of the Knights Templar and the power of the Vatican was a much more complex and blemished journey than the idealized paths traditionally presented. Both of these secretive groups were shaped by conflicted people and events long before the Crusades began and a knightly brotherhood was formed. The rape of a daughter led to the conquest of a European country. Desperately needed services by an abbot were bought by giving him an abbey. The pope anointed a king and received an earthly kingdom in return. The sources of these many intriguing experiences begin with the writings of Barber, Addison and Gibbon but then go deep into the rich details and stories revealed by more recent research. In the early Middle Ages, Europe had no knights. The pope was relatively powerless. The Vatican was marshy land embracing a cemetery.

Then all of this changed dramatically. In time, the pope lived in a palace and ruled cities. The Templars arose and soon exceeded all expectations. These knights were everywhere in Europe as bankers, advisors to kings, and champions from the Holy Land. And tantalizingly, their 870 European estates created a river of gold flowing across the continent. The impact of this strong brotherhood is still felt today. How did all of this happen? The fascinating answers can be surprising--sometimes even amazing--and are carefully documented. A wealth of maps and rare illustrations make this a highly visual journey among exceptional people and experiences that you will always remember.

Music and Citizenship in the Sixties Counterculture University of Illinois Press

Los Angeles in the 1960s gave the world some of the greatest music in rock 'n' roll history: "California Dreamin'" by the Mamas and the Papas, "Mr. Tambourine Man" by the Byrds, and "Good Vibrations" by the Beach Boys, a song that magnificently summarized the joy and beauty of the era in three-and-a-half minutes. But there was a dark flip side to the fun fun fun of the music, a nexus between naïve young musicians and the fringe elements that exploited the decade's peace-love-and-flowers ethos, all fueled by sex, drugs, and overnight success. One surf music superstar unwittingly subsidized the kidnapping of Frank Sinatra Jr. The transplanted Texas singer Bobby Fuller might have been murdered by the Mob in what is still an unsolved case. And after hearing Charlie Manson sing, Neil Young recommended him to the president of Warner Bros. Records. Manson's ultimate rejection by the music industry likely led to the infamous murders that shocked a nation. Everybody Had an Ocean chronicles the

migration of the rock 'n' roll business to Southern California and how the artists flourished there. The cast of characters is astonishing—Brian and Dennis Wilson of the Beach Boys, Jan and Dean, eccentric producer Phil Spector, Cass Elliot, Sam Cooke, Ike and Tina Turner, Joni Mitchell, and scores of others—and their stories form a modern epic of the battles between innocence and cynicism and joy and terror. You'll never hear that beautiful music in quite the same way.

A Chronicle of an Era, 1954-1963

Everybody's Heard about the BirdThe True Story of 1960s Rock 'n' Roll in Minnesota

Everybody's Heard about the BirdThe True Story of 1960s Rock 'n' Roll in MinnesotaU of Minnesota Press

That Old-time Rock & Roll W. W. Norton & Company

The legendary critic and author of *Mystery Train* “ingeniously retells the tale of rock and roll” (Publishers Weekly, starred review). Unlike previous versions of rock 'n' roll history, this book omits almost every iconic performer and ignores the storied events and turning points everyone knows. Instead, in a daring stroke, Greil Marcus selects ten songs and dramatizes how each embodies rock 'n' roll as a thing in itself,

in the story it tells, inhabits, and acts out—a new language, something new under the sun. “Transmission” by Joy Division. “All I Could Do Was Cry” by Etta James and then Beyoncé. “To Know Him Is to Love Him,” first by the Teddy Bears and almost half a century later by Amy Winehouse. In Marcus’s hands these and other songs tell the story of the music, which is, at bottom, the story of the desire for freedom in all its unruly and liberating glory. Slipping the constraints of chronology, Marcus braids together past and present, holding up to the light the ways that these striking songs fall through time and circumstance, gaining momentum and meaning, astonishing us by upending our presumptions and prejudices. This book, by a founder of contemporary rock criticism—and its most gifted and incisive practitioner—is destined to become an enduring classic. “One of the epic figures in rock writing.”—The New York Times Book Review “Marcus is our greatest cultural critic, not only because of what he says but also, as with rock-and-roll itself, how he says it.”—The Washington Post Winner of the Deems Taylor Virgil Thomson Award in Music Criticism, given by the American Society of Composers, Authors & Publishers
