Miracles and the Supernatural Throughout Church History Destiny Image Publishers
El arte de la oracion, conocido por los primeros Pentecostales, virtualmente se ha perdido durante los ultimos anos. Sin embargo, para que Dios lleve a cabo lo que El desea, el verdadero arte de la oracion debe ser revivido en la Iglesia. El libro de Kenneth E. Hagin, El Arte de la Oracion, muestra como puede ser hecho esto y refleja el material nuevo y actualizado del Rev. Hagin sobre este tema. El Rev. Hagin anota: "Creemos que Dios va a utilizar este libro para levantar y entrenar un gran numero de personas que sepan como orar y que estaran a la vanguardia de la obra del Senor en estos ultimos dias". Este texto es imprescindible para toda iglesia y para todo grupo de oracion. Los capitulos en esta importante guia sobre el arte perdido de la oracion, cubren temas como: Oracion por su patria, intercesion por los perdidos, oracion por liberacion, gemidos en el Espiritu, ayuno y oracion por aquellos que estan en pecado. Book jacket.

The Worldview of the Word of Faith Movement: Eden Redeemed Wm. B. Eerdmans Publishing

Throughout history, inspiring leaders have stepped out in faith, stirring many to renewed strength and purpose. With sparkling writing and fascinating detail, Dean Merrill captures the bold, often surprising stories of notable Pentecostal, charismatic, and Spirit-empowered leaders. As Dean trains his journalist's eye on the lives of Smith Wigglesworth, David du Plessis, William J. Seymour, Aimee Semple McPherson, and many more, these engaging narratives challenge readers to follow in the footsteps of these extraordinary individuals and obey the Holy Spirit.

This book is a daring and no-holds-barred description of the false teachings and dangerous trends that have sent much of the Nigerian Church off course over the past four decades. Gary Maxey is joined by Peter Ozodo in describing four major threats to Christian orthodoxy that are threatening the orthodoxy of Nigerian Christianity. The first is the unbalanced Prosperity Gospel that is shown to be an import from the scripturally unbalanced American Word of Faith movement. The second is the revival of African Traditional Religion within the Church. The third threat is a subtle redefining of Christian spirituality, moving away from sound foundations in biblical morality. The fourth threat is the contemporary Hyper Grace movement, found in the teachings of Singapore's Joseph Prince and a host of American imitators. All four of these threats have become deeply entrenched in various sectors of the Nigerian Church.With a powerful Introduction by Gbile Akanni, this book is a must-read by every Nigerian pastor, as well as discerning lay people. Maxey and Ozodo not only point out the problems but they point to clear solutions. Their conviction is that before we can expect a national spiritual revival in Nigeria we must first see a clear reformation in which these and other errors are clearly dealt with.

The Way to Victory AuthorHouse

God's Way to Prosperity You may have given God control of many areas of your life, yet you won't know His real blessings and intervention until you bring your money into line with His will as revealed in His Word. God's plan for your life, including your money, is summed up in one beautiful word: prosperity. "Beloved, I pray that in all respects you may prosper and be in good health, just as your soul prospers" (3 John 2:2 NASB). God wants you to succeed in the area of your soul, in the area of your physical body, and in the area of your finances. Failure, defeat, frustration, and poverty are not His will for you. Internationally acclaimed Bible teacher Derek Prince helps you bring your finances in line with God's perfect plan by taking you through specific steps that lead to abundance. Do not underestimate your money, belittle it, or think of it as unspiritual or unimportant. Discover God's Plan for Your Money.

The Body of Christ is to be filled with God's power and glory. This book exhorts believers to abide in the Presence of God so they can experience a fresh anointing each day!

Biblical Keys to Financial Prosperity University of Alabama Press

Jawara D. King is back with another classic and has written "the greatest self-help book of all-time" with TRANSFORM YOUR WORLD THROUGH THE POWERS OF YOUR MIND, which is a classic and spiritual masterpiece leading the world into manifested mind power. This transformational life-changing manual full of life-changing principles will help you make the proper mental adjustments needed to experience the full manifestation of thought power. A trained and directed mind disciplined to think the right thoughts will help you manifest the life you want through the power and possibility of faith. Learn how to not limit yourself in your thinking and allow the energy of thought to create the circumstances you desire. The only limits are our beliefs, which make the possible impossible, while everything is possible, including the impossible, using mind over matter to overcome impossibilities. Through persistence, will, and daily commitment, you will be able to change or manifest anything within the realm of the possible through applied action. The beliefs you hold within are always repelling or attracting success, and your thoughts and spoken words will manifest. Building on the success of his first book WORLD TRANSFORMATION, Dr. Jawara D. King returns with a spectacular effort full of techniques that will make dramatic positive changes for you if practiced, and help you see and imagine yourself being what you affirm to be. A decision backed by action is the root of all change, along with a change in your thinking. You have to believe it before you see it. Images of what you want in your mind begin the creative process. You attract situations that match the images of your daily thoughts and what you mostly focus upon. Through mind power, your new life will reflect your new thoughts and habits.

Pioneers of Faith Bloomsbury Publishing

A wrong confession is a confession of defeat, of failure and of the supremacy of Satan. They are always talking about what a time they're having with the devil--what a battle they're having--what all they're going through--how the devil is keeping them from success--keeping them sick--holding them in bondage.

God's Plan for Your Money Faith Library Publications

Your faith can grow. Start exercising it on the things you need, but don't start out claiming something ridiculous. And remember, it is not God who is withholding your needs and wants.

Beyond the Upper Room Faith Library Publications

No branch of Christianity has grown more rapidly than Pentecostalism, especially in the southern hemisphere. There are over 100 million Pentecostals in Africa. In Latin America, Pentecostalism now vies with Catholicism for the soul of the continent, and some of the largest pentecostal congregations in the world are in South Korea. In *To the Ends of the Earth*, Allan Heaton Anderson explores the historical and theological factors behind the phenomenal growth of global Pentecostalism. Anderson argues that its spread is so dramatic because it is an "ends of the earth" movement--pentecostals believe that they are called to be witnesses for Jesus Christ to the furthest reaches of the globe. His wide-ranging account examines such topics as the Azusa Street revival in Los Angeles, the role of the first missionaries in China, India, and Africa, Pentecostalism's incredible diversity due to its deep local roots, and the central role of women in the movement. He describes more recent developments such as the creation of new independent churches, megachurches, and the "health and wealth" gospel, and he explores the increasing involvement of pentecostals in public and political affairs across the globe. Why is this movement so popular? Anderson points to such features as the emphasis on the Spirit, the "born-again" experience, incessant evangelism, healing and deliverance, cultural flexibility, a place-to-feel-at-home, religious continuity, an egalitarian community, and meeting material needs--all of which contribute to Pentecostalism's remarkable appeal. Exploring more than a century of history and ranging across most of the globe, Anderson illuminates the spectacular rise of global Pentecostalism and

shows how it changed the face of Christianity worldwide.

In Him Oxford University Press

In this book Rev. Kenneth E. Hagin uses the Word of God to answer the many questions Christians have concerning money and the prosperity message. This book will challenge the way Christians think and talk about money.

The Precious Blood of Jesus Baker Books

Tongues: Beyond the Upper Room looks at common objections to and misconceptions about tongues, scriptural purposes of speaking in other tongues, common excesses, praying out God's plan, pressing into greater depths in prayer, guidelines to receiving the Baptism in the Holy Spirit, and much more!

50 Pentecostal and Charismatic Leaders Every Christian Should Know Faith Library Publications
Normal 0 false false false MicrosoftInternetExplorer4 *Recovering the Margins of American Religious History*, a celebration of the life and work of David Edwin Harrell Jr., brings together essays from Harrell's colleagues, peers, and students that explore his impact and legacy in the field of American religious studies. Raised in an upper-class family in mid-twentieth-century Jacksonville, Florida, Harrell's membership in the Church of Christ helped establish his sense of self as a spiritual outsider. This early exclusion from the Christian mainstream laid a foundation for Harrell's pioneering studies of marginalized faiths, including the first stirrings of neo-fundamentalism and the diminishingly influential social gospel movement. Harrell's connections with these religious movements point to his deeper ongoing concerns with class, gender, and race as core factors behind religious institutions, and he has unblinkingly investigated a wide range of social dynamics. Combining an extensive knowledge of and long-standing passion for American religious history with a comprehensive understanding of the developing world, Harrell's research and writings over his lifetime have produced compelling portraits of the American religious underclass, an increased integration of religion into the narrative of world history, and innovative new comparative studies in the healing and charismatic movements of the developing world. What are those provisions? What are our rights? What actually belongs to us when it comes to physical healing and health? How can we ascertain exactly what was secured to us? There's only one way. By a constant, careful, diligent, reverent, prayerful study of God's Word.m

An American Translation The Midas TouchA Balanced Approach to Biblical Prosperity
Rev. Hagin encourages Christians to examine and follow the scriptural reasons for fasting. He discuss-es the proper length for a fast, and he presents an interesting alternative to the traditional view of fasting--an alternative the Lord gave him.

The New Testament Kenneth Hagin Ministries

As a young preacher, Rev. Kenneth E. Hagin asked himself this question. He studied the subject and concluded the following: "We as a Church have authority on the earth that we've never yet

realized... A few of us have barely gotten to the edge of that authority, but before Jesus comes again, there's going to be a whole company of believers who will rise up with the authority that is theirs. They will know what is theirs, and they will do the work that God intended they should do." During the past 30 years, over a million readers have been blessed by this classic faith-building message by Rev. Hagin. In his clear and illustrative style, he uses the Word of God to explain the authority that belongs to every believer. Book jacket.

Man on Three Dimensions Faith Library Publications

Joel Osteen, the smiling preacher, has quickly emerged as one of the most recognizable Protestant

leaders in the country. His megachurch, the Houston based Lakewood Church, hosts an average of over 40,000 worshipers each week. Osteen is the best-selling author of numerous books, and his sermons and inspirational talks appear regularly on mainstream cable and satellite radio. How did Joel Osteen become Joel Osteen? How did Lakewood become the largest megachurch in the U. S.? *Salvation with a Smile*, the first book devoted to Lakewood Church and Joel Osteen, offers a critical history of the congregation by linking its origins to post-World War II neopentecostalism, and connecting it to the exceptionally popular prosperity gospel movement and the enduring attraction of televangelism. In this richly documented book, historian Phillip Luke Sinitiere carefully excavates the life and times of Lakewood's founder, John Osteen, to explain how his son Joel expanded his

legacy and fashioned the congregation into America's largest megachurch. As a popular preacher, Joel Osteen's ministry has been a source of existential strength for many, but also the routine target of religious critics who vociferously contend that his teachings are theologically suspect and spiritually shallow. Sinitiere's keen analysis shows how Osteen's rebuttals have expressed a piety of resistance that demonstrates evangelicalism's fractured, but persistent presence. *Salvation with a Smile* situates Lakewood Church in the context of American religious history and illuminates how Osteen has parlayed an understanding of American religious and political culture into vast popularity and success.
