## WHITEHEAD HOBBS

[A Jewish Family's Forgotten History](#) W. W. Norton & Company

Tinderbox tells the exclusive, explosive, uninhibited true story of HBO and how it burst onto the American scene and screen to detonate a revolution and transform our relationship with television forever. The Sopranos, Game of Thrones, Sex and the City, The Wire, Succession...HBO has long been the home of epic shows, as well as the source for brilliant new movies, news-making documentaries, and controversial sports journalism. By thinking big, trashing tired formulas, and killing off cliches long past their primes, HBO shook off the shackles of convention and led the way to a bolder world of content, opening the door to all that was new, original, and worthy of our attention. In *Tinderbox*, award-winning journalist James Andrew Miller uncovers a bottomless trove of secrets and surprises, revealing new conflicts, insights, and analysis. As he did to great acclaim with *SNL in Live from New York*; with ESPN in *Those Guys Have All the Fun*; and with talent agency CAA in *Powerhouse*, Miller continues his record of extraordinary access to the most important voices, this time speaking with talents ranging from Abrams (J. J.) to Zendaya, as well as every single living president of HBO—and hundreds of other major players. Over the course of more than 750 interviews with key sources, Miller reveals how fraught HBO's journey has been, capturing the drama and the comedy off-camera and inside boardrooms as HBO created and mobilized a daring new content universe, and, in doing so, reshaped storytelling and upended our entertainment lives forever.

*Goldstone Recants* Oxford University Press  
From Caldecott honoree LeUyen Pham, *Outside, Inside* is a moving picture book

celebrating essential workers and the community coming together to face the challenges of the global COVID-19 pandemic. Something strange happened on an unremarkable day just before the season changed. Everybody who was outside . . . . . went inside. Outside, it was quieter, wilder, and different. Inside, we laughed, we cried, and we grew. We remembered to protect the ones we love and love the ones who protect us. While the world changed outside, we became stronger on the inside and believed that someday soon spring would come again. [Tales of a Fourth Grade Nothing](#) OR Books  
Acclaimed author Karen Hesse's Newbery Medal-winning novel-in-verse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma.

[The Clutter Book](#) Penguin

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

*Forgotten Americans* One World  
Clutter has a negative effect on your life. You want to live differently, but you haven't been able to make progress.

Marcie Lovett, author of *The Clutter Book*, will motivate you to make the changes you want. Learn to let go of what you don't need and find room for what you value. The direct, accessible writing style and interactive exercises will inspire you to succeed. In this book, Marcie guides you through the process of letting go of the clutter that is keeping you from achieving success. Whether your clutter is caused by things, commitments or thoughts, Marcie encourages you to make the choices to conquer your challenges. If previous attempts at letting go of clutter have not been successful for you, you will benefit from the motivation and wisdom Marcie offers. Written in a straightforward and accessible style, filled with insight and real-life stories, the book enables readers to learn from the experience of others and overcome obstacles to success. You will understand why you keep clutter, save time and money by avoiding unnecessary purchases, discover the habits that hold you back, find ways to fight procrastination and create systems that allow you to retrieve and return items. Whether you want to live with less or live with what you have, this is the book for you.

Createspace Independent Pub  
NEW YORK TIMES BESTSELLER • REESE'S BOOK CLUB PICK • "This book is every suspense lover's dream and it kept me up way too late turning pages. . . . A novel with crazy twists and turns that will have you ditching your Friday night plans for more chapters."—Reese Witherspoon  
A backpacking trip has deadly consequences in this "eerie psychological thriller . . . with alluring locales, Hitchcockian tension, and possibly the best pair of female leads since *Thelma and Louise*" (BookPage), from the bestselling author of *The Lost Night* and *The Herd*. A Marie Claire Book Club Pick • Named One of the Best Books of the Year by NPR and Marie Claire  
Emily is having the time of her life—she's in the

mountains of Chile with her best friend, Kristen, on their annual reunion trip, and the women are feeling closer than ever. But on the last night of the trip, Emily enters their hotel suite to find blood and broken glass on the floor. Kristen says the cute backpacker she brought back to their room attacked her, and she had no choice but to kill him in self-defense. Even more shocking: The scene is horrifyingly similar to last year's trip, when another backpacker wound up dead. Emily can't believe it's happened again—can lightning really strike twice? Back home in Wisconsin, Emily struggles to bury her trauma, diving headfirst into a new relationship and throwing herself into work. But when Kristen shows up for a surprise visit, Emily is forced to confront their violent past. The more Kristen tries to keep Emily close, the more Emily questions her motives. As Emily feels the walls closing in on their cover-ups, she must reckon with the truth about her closest friend. Can Emily outrun the secrets she shares with Kristen, or will they destroy her relationship, her freedom—even her life?

*Memory Is My Name* Henry Holt and Company

From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories

came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

*Mineral Springs Road 1940s* HarperCollins Children's Modern Classics

In high school, everyone's talking about college. What to do. Where to go. Why it's important. Classes are given on it. Books are written about it. But details get left out. Every year, college graduates learn this the hard way as they step into adulthood. I was one of them. After earning a four-year degree, I went through two of the worst years of my life. Not that my situation is unique. I am a part of a generation that was told to go to college first and sort out the details later. Most of us did. We chased the promise of a big shiny future, and we ended up being chased by the mistakes of our past. That's not to say we completely regretted going. This book isn't a list of privileged millennial complaints. It's a collection of wisdom gained in less than pleasant ways. It's a story of hardship, failure, victory, and perseverance. It's all of the things we wish someone had told us. And it takes place before college, in college, after college, and without college. This is the wild, painful, awkward, hilarious, depressing, & beautiful journey from youth to maturity. This is the college book that no one ever gave us.

*And Then There Were None* Random House

*My Overdue Book: Too many stories not to tell:* spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement

for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards

*The Ocode Chronicles Book 1 Paladin W.* W. Norton & Company

This beautiful HarperCollins Children's Modern Classics edition is perfect for every bookshelf.

**You Go Away** Penguin

Living with his little brother, Fudge, makes Peter feel like a fourth grade nothing. Fudge is never far from trouble. He's a two-year-old terror who gets away with everything--and Peter's had enough. When Fudge walks off with Dribble, Peter's pet turtle, it's the last straw.

*The Time We Did Nothing* Penguin

For those who could read between the lines, the censored news out of China was terrifying. But the president insisted there was nothing to worry about. Fortunately, we are still a nation of skeptics. Fortunately, there are those among us who study pandemics and are willing to look unflinchingly at worst-case scenarios. Michael Lewis's taut and brilliant nonfiction thriller pits a band of medical visionaries against the wall of ignorance that was the official response of the Trump administration to the outbreak of COVID-19. The characters you will meet in these pages are as fascinating as they are unexpected. A thirteen-year-old girl's science project on transmission of an airborne pathogen develops into a very grown-up model of disease control. A local public-health officer uses her worm's-eye view to see what the CDC misses, and

reveals great truths about American society. A secret team of dissenting doctors, nicknamed the Wolverines, has everything necessary to fight the pandemic: brilliant backgrounds, world-class labs, prior experience with the pandemic scares of bird flu and swine flu...everything, that is, except official permission to implement their work. Michael Lewis is not shy about calling these people heroes for their refusal to follow directives that they know to be based on misinformation and bad science. Even the internet, as crucial as it is to their exchange of ideas, poses a risk to them. They never know for sure who else might be listening in.

#### If We Were Villains OR Books

Charlie struggles to cope with complex world of high school as he deals with the confusions of sex and love, the temptations of drugs, and the pain of losing a close friend and a favorite aunt. The Glass Castle Roaring Brook Press One by one, the guests arrived at the mansion on Indian Island, summoned by a mysterious host. And one by one, with terrifying meticulousness, they were stalked by a cunning murderer. Utterly baffling...and yet there was a pattern, concealed in a nursery rhyme hanging over the fireplace.

#### The Perks of Being a Wallflower Palmetto Publishing Group

Traditionally, American Jews have been broadly liberal in their political outlook; indeed African-Americans are the only ethnic group more likely to vote Democratic in US elections. Over the past half century, however, attitudes on one topic have stood in sharp contrast to this group's generally progressive stance: support for Israel. Despite Israel's record of militarism, illegal settlements and human rights violations, American Jews have, stretching back to the 1960s, remained largely steadfast supporters of the Jewish "homeland." But, as Norman Finkelstein explains in an elegantly-argued and richly-textured new book, this is now beginning to change. Reports by Human Rights Watch, Amnesty International and the United Nations, and books by commentators as prominent as President Jimmy Carter and as well-respected in the scholarly community as Stephen Walt, John Mearsheimer and Peter Beinart, have increasingly pinpointed the fundamental illiberalism of the Israeli state. In the light of these exposes, the support of America Jews for Israel has begun to fray. This erosion has been particularly marked among younger members of the community. A 2010 Brandeis University poll found that only about one quarter of

Jews aged under 40 today feel "very much" connected to Israel. In successive chapters that combine Finkelstein's customary meticulous research with polemical brio, *Knowing Too Much* sets the work of defenders of Israel such as Jeffrey Goldberg, Michael Oren, Dennis Ross and Benny Morris against the historical record, showing their claims to be increasingly tendentious. As growing numbers of American Jews come to see the speciousness of the arguments behind such apologies and recognize Israel's record as simply indefensible, Finkelstein points to the opening of new possibilities for political advancement in a region that for decades has been stuck fast in a gridlock of injustice and suffering. Roll of Thunder, Hear My Cry Yale University Press

An intimate trip through queer history. "An absolute tour de force." —Maggie Nelson Strobilic lights and dark rooms; throbbing house and drag queens on counters; first kisses, last call: the gay bar has long been a place of solidarity and sexual expression—whatever your scene, whoever you're seeking. But in urban centers around the world, they are closing, a cultural demolition that has Jeremy Atherton Lin wondering: What was the gay bar? How have they shaped him? And could this spell the end of gay identity as we know it? In *Gay Bar*, the author embarks upon a transatlantic tour of the hangouts that marked his life, with each club, pub, and dive revealing itself to be a palimpsest of queer history. In prose as exuberant as a hit of poppers and dazzling as a disco ball, he time-travels from Hollywood nights in the 1970s to a warren of cruising tunnels built beneath London in the 1770s; from chichi bars in the aftermath of AIDS to today's fluid queer spaces; through glory holes, into Crisco-slicked dungeons and down San Francisco alleys. He charts police raids and riots, posing and passing out—and a chance encounter one restless night that would change his life forever. The journey that emerges is a stylish and nuanced inquiry into the connection between place and identity—a tale of liberation, but one that invites us to go beyond the simplified Stonewall mythology and enter lesser-known battlefields in the struggle to carve out a territory. Elegiac, randy, and sparkling with wry wit, *Gay Bar* is at once a serious critical inquiry, a love story and an epic night out to remember.

#### Macmillan

In the past five years Israel has mounted three major assaults on the 1.8 million Palestinians trapped behind its blockade of the Gaza Strip. Taken together, Operation

Cast Lead (2008-9), Operation Pillar of Defense (2012), and Operation Protective Edge (2014), have resulted in the deaths of some 3,700 Palestinians. Meanwhile, a total of 90 Israelis were killed in the invasions. On the face of it, this succession of vastly disproportionate attacks has often seemed frenzied and pathological. Senior Israeli politicians have not discouraged such perceptions, indeed they have actively encouraged them. After the 2008-9 assault Israel's then-foreign minister, Tzipi Livni, boasted, "Israel demonstrated real hooliganism during the course of the recent operation, which I demanded." However, as Norman G. Finkelstein sets out in this concise, paradigm-shifting new book, a closer examination of Israel's motives reveals a state whose repeated recourse to savage war is far from irrational. Rather, Israel's attacks have been designed to sabotage the possibility of a compromise peace with the Palestinians, even on terms that are favorable to it. Looking also at machinations around the 2009 UN sponsored Goldstone report and Turkey's forlorn attempt to seek redress in the UN for the killing of its citizens in the 2010 attack on the Gaza freedom flotilla, Finkelstein documents how Israel has repeatedly eluded accountability for what are now widely recognized as war crimes. Further, he shows that, though neither side can claim clear victory in these conflicts, the ensuing stalemate remains much more tolerable for Israelis than for the beleaguered citizens of Gaza. A strategy of mass non-violent protest might, he contends, hold more promise for a Palestinian victory than military resistance, however brave.

Createspace Independent Publishing Platform

"Much like Donna Tartt's *The Secret History*, M. L. Rio's sparkling debut is a richly layered story of love, friendship, and obsession...will keep you riveted through its final, electrifying moments." —Cynthia D'Aprix Sweeney, *New York Times* bestselling author of *The Nest* "Nerdily (and winningly) in love with Shakespeare...Readable, smart." —*New York Times* Book Review On the day Oliver Marks is released from jail, the man who put him there is waiting at the door. Detective Colborne wants to know the truth, and after ten years, Oliver is finally ready to tell it. A decade ago: Oliver is one of seven young Shakespearean actors at

Dellecher Classical Conservatory, a place of keen ambition and fierce competition. In this secluded world of firelight and leather-bound books, Oliver and his friends play the same roles onstage and off: hero, villain, tyrant, temptress, ingénue, extras. But in their fourth and final year, good-natured rivalries turn ugly, and on opening night real violence invades the students' world of make-believe. In the morning, the fourth-years find themselves facing their very own tragedy, and their greatest acting challenge yet: convincing the police, each other, and themselves that they are innocent. *If We Were Villains* was named one of *Bustle's* Best Thriller Novels of the Year, and *Mystery Scene* says, "A well-written and gripping ode to the stage...A fascinating, unorthodox take on rivalry, friendship, and truth."

**Between the World and Me** Simon and Schuster

An instant New York Times Bestseller! Longlisted for the 2019 National Book Award for Fiction, the Carnegie Medal in Fiction, the 2019 Aspen Words Literacy Prize, and the PEN/Hemingway Debut Novel Award Shortlisted for the 2019

Center for Fiction First Novel Prize Winner of the 2019 New England Book Award for Fiction! Named one of the most anticipated books of 2019 by *Vulture*, *Entertainment Weekly*, *Buzzfeed*, *Los Angeles Times*, *Boston Globe*, *Oprah.com*, *Huffington Post*, *The A.V. Club*, *Nylon*, *The Week*, *The Rumpus*, *The Millions*, *The Guardian*, *Publishers Weekly*, and more. "A lyrical work of self-discovery that's shockingly intimate and insistently universal...Not so much briefly gorgeous as permanently stunning." —Ron Charles, *The Washington Post* Poet Ocean Vuong's debut novel is a shattering portrait of a family, a first love, and the redemptive power of storytelling *On Earth We're Briefly Gorgeous* is a letter from a son to a mother who cannot read. Written when the speaker, Little Dog, is in his late twenties, the letter unearths a family's history that began before he was born — a history whose epicenter is rooted in Vietnam — and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable love between a

single mother and her son, it is also a brutally honest exploration of race, class, and masculinity. Asking questions central to our American moment, immersed as we are in addiction, violence, and trauma, but undergirded by compassion and tenderness, *On Earth We're Briefly Gorgeous* is as much about the power of telling one's own story as it is about the obliterating silence of not being heard. With stunning urgency and grace, Ocean Vuong writes of people caught between disparate worlds, and asks how we heal and rescue one another without forsaking who we are. The question of how to survive, and how to make of it a kind of joy, powers the most important debut novel of many years.
