SANFORD OCONNOR

Go Math! Houghton Mifflin Harcourt

Host Bob Beetle takes special guest Dahlia Dragonfly down memory lane, highlighting the most influential creatures and experiences during her time as a nymph and giving young readers facts about the life cycle of a dragonfly.

Common Core. Grade 3 HOUGHTON MIFFLIN

Do you know that the Statue of Liberty hasn't always looked green? Or that the first torch had to be replaced? Lady Liberty has been an important US symbol for more than one hundred years. Join Mrs. Bolt's class as they visit the statue and learn where the statue came from, how she was built, and what American ideas she represents.

Math Math Expressions

A young man realizes his dream by listening the voice of nature.

California Go Math! HOUGHTON MIFFLIN

This engaging retelling of the Southern Sierra Miwok legend features the great Yosemite Valley monolith, El Capitan, and how it came to be. Mother Grizzly Bear thinks that her two playful cubs are wrestling and having fun along the Merced River while she is checking her fish traps. When she returns to join her sons, however, she discovers the cubs are nowhere to be found. It takes an unlikely hero to bring her cubs safely home. Populated with characters based on real Sierra animals, this story is about the value of all beings, the nature of courage, and the idea that being a hero has very little to do with one's size. Includes notes about the life and culture of the Southern Sierra Miwok and a bibliography.

Journeys, Grade 3 Leveled Reader Ell Collection Houghton Mifflin
