An ancient Hindu text, "The Kama Sutra" is attributed to Vatsyayana-a Vedic philosopher of the Gupta Empire. The book offers advice on the practice of sexual intercourse, with additional passages about virtue, love, family, and other aspects of human life. It is arguably the world's most famous literary document concerning human sexuality.

An explosive action-adventure novel created by will.i.am and renowned futurist Brian David Johnson. Wizards are real, robots from the future are here, and the fate of our world rests in the hands of one unsuspecting teenager.

When a young man breaks into her home claiming her life is in danger, Ada Luring's world changes forever. Geller is a wizard, on the run from his father's hidden clan who want to kill Ada and her mother. Sara Luring is the scientist who will create the first robot, the wizards' age-old foes. But a robot has travelled back in time to find Ada, and will lay everything on the line to protect her, as she may just be the key to preventing the earth's destruction in the future. Ada, Geller and the robots must learn to work together to change the past and secure the future. But they don't have much time before a mysterious enemy launches its attack on Earth...

David Gandy is both an icon and muse for Dolce&Gabbana--the Italian designers' masculine ideal. Originally from suburban London and a self-professed car fanatic, he got into modeling by chance through a contest. Since then, he has taken the fashion world by storm, working with top photographers and stylists. This photographic homage traces Gandy's career from early photo shoots to the acclaimed advertising campaign for the Dolce&Gabbana fragrance Light Blue, which captured the world's imagination and transformed him into a global icon of virility, sex appeal, and charm. The Light Blue campaign alone garnered over eleven million online hits, and his image has been featured in a fifty-foot poster towering over Times Square in

New York. This book includes photographs by Mario Testino, Steven Klein, Giampaolo Sgura, and Mariano Vivanco, among others.

Millennial Makeover American Water Works Association
 China today is sexually (and in many

other ways) a very repressive society, yet ancient China was very different. Some of the earliest surviving literature of China is devoted to discussions of sexual topics, and the sexual implications of the Yin and Yang theories common in ancient China continue to influence Tantric and esoteric sexual practices today far distant from their Chinese origins. In recent years, a number of books have been written exploring the history of sexual practices and ideas in China, but most have ended the discussion with ancient China and have not continued up to the present time. Fang Fu Ruan first surveys the ancient assumptions and beliefs, then carries the story to present-day China with brief descriptions of homosexuality, lesbianism, transvestism,

transsexualism, and prostitution, and ends with a chapter on changing attitudes toward sex in China today. Dr. Ruan is well qualified to give such an overview. Until he left China in the 1980s, he was a leader in attempting to change the repressive attitudes of the government toward human sexuality. He wrote a best selling book on sex in China, and had written to and corresponded with a number of people in China who considered him as confidant and advisor about their sex problems. A physician and medical historian, Dr. Ruan's doctoral dissertation was a study of the history of sex in China. [MySpace, YouTube, and the Future of American Politics](#) Random House
Is it a matter of perspectives or the teachings? Is it the inherent

characteristics that make a person who they are? Or is it what one learns throughout their life? The mistakes they make, the guilt they face, the lessons they can pass on? What is the true purpose and how can you achieve it? Mohini, a girl with a fateful past, turns out to be a God-woman! She has many beliefs and "God Resides Within" - is the most important of those. Does this belief turn out to be any good for her? Isn't life, after all, ALL ABOUT BELIEFS? The God Within will take you into an interesting journey of Mohini and how she finds God!

NEW YORK TIMES BESTSELLER • A moving memoir about the legendary author's relationship with her own mother. Emma Watson's Our Shared Shelf Book Club Pick! The story of Maya Angelou's extraordinary life has been chronicled in her multiple bestselling autobiographies. But now, at last, the legendary author shares the deepest personal story of her life: her relationship with her mother. For the first time, Angelou reveals the triumphs and struggles of being the daughter of Vivian

Baxter, an indomitable spirit whose petite size belied her larger-than-life presence—a presence absent during much of Angelou’s early life. When her marriage began to crumble, Vivian famously sent three-year-old Maya and her older brother away from their California home to live with their grandmother in Stamps, Arkansas. The subsequent feelings of abandonment stayed with Angelou for years, but their reunion, a decade later, began a story that has never before been told. In *Mom & Me & Mom*, Angelou dramatizes her years reconciling with the mother she preferred to simply call “Lady,” revealing the profound moments that shifted the balance of love and respect between them. Delving into one of her life’s most rich, rewarding, and fraught

relationships, *Mom & Me & Mom* explores the healing and love that evolved between the two women over the course of their lives, the love that fostered Maya Angelou’s rise from immeasurable depths to reach impossible heights. Praise for *Mom & Me & Mom* “*Mom & Me & Mom* is delivered with Angelou’s trademark good humor and fierce optimism. If any resentments linger between these lines, if lives are partially revealed without all the bitter details exposed, well, that is part of Angelou’s forgiving design. As an account of reconciliation, this little book is just revealing enough, and pretty irresistible.”—*The Washington Post* “*Moving . . . a remarkable portrait of two courageous souls.*”—*People* “[The] latest, and most potent, of her serial

autobiographies . . . [a] tough-minded, tenderhearted addition to Angelou's spectacular canon."—Elle "Mesmerizing . . . Angelou has a way with words that can still dazzle us, and with her mother as a subject, Angelou has a near-perfect muse and mystery woman."—Essence

Beautiful model Tiffany Howell is living her dream; a southern girl who landed a job as a photographers' model based in Manhattan. The work puts her at the top of the pay scale and provides exciting

travel opportunities. But when a wealthy financial planner romances her into saying "yes" by sliding a four-karat diamond engagement ring onto her finger, could life get any better for Tiffany? Soon her dream turns into a nightmare. Beaten and battered by the man she promised to marry, she is terrified and doesn't know where to turn. Finally, from a hospital bed, she calls her best friend for help. Susanna and John Hunter rush to Tiffany's aid and whisk her back to their Texas home where Susanna's brother-in-law Gary offers his legal expertise. But is Gary's intention just to help, or will he also seek Tiffany's affection? As Tiffany adjusts to a new life in Texas while the assault trial of her ex-fiancé looms in New York, she rediscovers an old love for dogs and

horses, and finds a new cause. She wants to serve others by starting a non-profit organization to help battered women like herself find direction and purpose for their lives. Can Tiffany and Gary, both carrying scars from previous relationships, ever learn to trust and love again?
