Fix It! Grammar: the Nose Tree [Book 1 Teacher/Student Combo] OUP Oxford

Shadow is a man with a past. But now he wants nothing more than to live a quiet life with his wife and stay out of trouble. Until he learns that she's been killed in a terrible accident. Flying home for the funeral, as a violent storm rocks the plane, a strange man in the seat next to him introduces himself. The man calls himself Mr. Wednesday, and he knows more about Shadow than is possible. He warns Shadow that a far bigger storm is coming. And from that moment on, nothing will ever be the same...

The Blue Book of Grammar and Punctuation OUP Oxford

Interactions/Mosaic Silver Edition is a fully-integrated, 18-book academic series. Enhanced focus on vocabulary building, test taking and critical thinking skills promotes academic achievement. Self-Assessment Logs encourage students to evaluate their learning. Focus on Testing strategies and activities for TOEFL iBT preparations build invaluable test-taking strategies. Skills index for each student book helps instructors match textbook content with curricular standards and objectives. Guided practice using a variety of graphic organizers provides students with organization tools for academic skill building. Best Practices approach in the Teacher's Edition promotes excellence in language teaching and learning. This is the high beginning to low intermediate Writing student book.

Interactions 1 - Writing Student Book McGraw-Hill Education
NEW YORK TIMES BESTSELLER • From the author of *Uprooted* and *Spinning Silver* comes the first book of the Scholomance trilogy, the story of an unwilling dark sorceress who is destined to rewrite the rules of magic. FINALIST FOR THE LODESTAR AWARD • "The dark school of magic I've been waiting for."—Katherine Arden, author of the *Winternight Trilogy* I decided that Orion Lake needed to die after the second time he saved my life. Everyone loves Orion Lake. Everyone else, that is. Far as I'm concerned, he can keep his flashy combat magic to himself. I'm not joining his pack of adoring fans. I don't need help surviving the Scholomance, even if they do. Forget the hordes of monsters and cursed artifacts, I'm probably the most dangerous thing in the place. Just give me a chance and I'll level mountains and kill untold millions, make myself the dark queen of the world. At least, that's what the world expects. Most of the other students in here would be delighted if Orion killed me like one more evil thing that's crawled out of the drains. Sometimes I think they want me to turn into the evil witch they assume I am. The school certainly does. But the Scholomance isn't getting what it wants from me. And neither is Orion Lake. I may not be anyone's idea of the shining hero, but I'm going to make it out of this place alive, and I'm not going to slaughter thousands to do it, either. Although I'm giving serious consideration to just one. With flawless mastery, Naomi Novik creates a school bursting with magic like you've never seen before, and a heroine for the ages—a character so sharply realized and so richly nuanced that she will live on in hearts and minds for generations to come. The magic of the Scholomance trilogy continues in *The Last Graduate* "The can't-miss fantasy of fall 2020, a brutal coming-of-power story steeped in the aesthetics of dark academia. . . . A Deadly Education will cement Naomi Novik's place as one of the greatest and most versatile fantasy writers of our time."—BookPage (starred review) "A must-read . . . Novik puts a refreshingly dark, adult spin on the magical boarding school. . . . Readers will delight in the push-and-pull of El and Orion's relationship, the fantastically detailed world, the clever magic system, and the matter-of-fact diversity of the student body."—Publishers Weekly (starred review)

Why is it that some ways of using English are considered "good" and others are considered "bad"? Why are certain forms of language termed elegant, eloquent or refined, whereas others are deemed uneducated, coarse, or inappropriate? Making Sense of "Bad English" is an accessible introduction to attitudes and ideologies towards the use of English in different settings around the world. Outlining how perceptions about what constitutes "good" and "bad" English have been shaped, this book shows how these principles are based on social factors rather than linguistic issues and highlights some of the real-life consequences of these perceptions. Features include: an overview of attitudes towards English and how they came about, as well as real-life consequences and benefits of using "bad" English; explicit links between different English language systems, including child's English, English as a lingua franca, African American English, Singlish, and New Delhi English; examples taken from classic names in the field of sociolinguistics, including Labov, Trudgill, Baugh, and Lambert, as well as rising stars and more recent cutting-edge research; links to relevant social parallels, including cultural outputs such as holiday myths, to help readers engage in a new way with the notion of Standard English; supporting online material for students which features worksheets, links to audio and news files, further examples and discussion questions, and background on key issues from the book. Making Sense of "Bad English" provides an engaging and thought-provoking overview of this topic and is essential reading for any student studying sociolinguistics within a global setting.

Lecture Ready Second Edition 3: Student Book Oxford University Press

This practical coursebook introduces all the basics of semantics in a simple, step-by-step fashion. Each unit includes short sections of explanation with examples, followed by stimulating practice exercises to complete in the book. Feedback and comment sections follow each exercise to enable students to monitor their progress. No previous background in semantics is assumed, as students begin by discovering the value and fascination of the subject and then move through all key topics in the field, including sense and reference, simple logic, word meaning and interpersonal meaning. New study guides and exercises have been added to the end of each unit to help reinforce and test learning. A completely new unit on non-literal language and metaphor, plus updates throughout the text significantly expand the scope of the original edition to bring it up-to-date with modern teaching of semantics for introductory courses in linguistics as well as intermediate students.

Reading Power 2 OUP Oxford

The Effective Academic Writing series teaches the writing modes, rhetorical devices, and language points students need for academic success. Each unit introduces a theme and writing task and then guides the student writer through the process of gathering ideas, organizing an outline, drafting, revising, and editing. Students are given the opportunity to explore their opinions, discuss their ideas, and share their experiences through written communication. Level 1 of the series introduces students to the academic paragraph
