I Want to Draw Airplanes The Rosen Publishing Group, Inc This book presents ways to draw beautiful pictures, in an easy and fun way that allows children to enjoy drawing, which makes them more open to books. These methods rely on the use of simple shapes - such as circles, ovals, rectangles and triangles, and how to customize them by adding your cool details. These methods are used to allow children to raise the mental and compulsive decisions of children at an early age, while keeping the childish style of drawing fun, which makes children more accommodating and enjoying. Drawing promotes family bonds, as it is accompanied by parents or siblings and is a good way to stimulate affection and communication. Parents should take advantage of every possible opportunity to draw with their children, who will be very pleased with this participation. Children do not become artists overnight. There are a number of different things which help them improve their drawing skills. Without practice, they will not improve. Without dedication, their technique will not develop. And without a simple, step-by-step guide like this one, which is designed to make drawing fun, they will not be passionate. One important thing to remember is that no child will create perfect sketches. When we are younger, it is in our nature to be messy and to experiment as we learn. This means that as a parent or guardian, teaching your children to draw requires a lot of patience. It is likely that your children will want to produce quality drawings straight away and may become frustrated when they cannot do this as well as you can. This is why having a guide such as this one is so important. It teaches kids that learning to draw does not happen at once - much like drawing itself, it is a gradual build up to a final result. Therefore, the instructions in this book will not only teach children important skills and techniques - it will allow them to have fun whilst they learn, so much so that they will improve without really noticing

that they are practicing!

How to Draw Princesses; Learn to Draw Step by Step

Learn to Draw Disney Favorite Princesses helps young artists capture the likenesses of Snow White, Cinderella, Sleeping Beauty, Belle, Ariel, Jasmine, Mulan, Pocahontas, and Tiana. Whether she comes from a faraway land, a delightful castle, an enchanted wood, or under the sea, each princess featured in Learn to Draw Disney Favorite Princesses has her own special story about her journey to "happily ever after." Now young princesses-in-training can imagine their own fairy tales while learning to draw their favorite Disney princesses. Also included are other characters from the time-cherished Disney movies that made these princesses legendary. All you'll need to start drawing are a few art supplies. And the easy-to-follow instructions in this book will guide you through each step, showing you how each step builds upon the next to create a finished piece of art. You just need to grab a pencil, a piece of paper, and your copy of Learn to Draw Disney Favorite Princesses, and flip to the character you want to draw. You'll draw the basic shapes shown in step one, and move on to step two, step three, and keep going! The new lines in each step are shown in blue, so you'll know exactly what to draw. After adding all the details in each step, darken the lines you want to keep and erase the rest. Finally, add color to your drawing with felt-tip markers, colored pencils, watercolors, or acrylic paints. Plus, learn some fun facts about the princesses as you learn to draw them. Included in this book are drawing projects for Snow White, Cinderella, Aurora from Sleeping Beauty, Tiana and Tiana as a frog, Naveen and Naveen as a frog, Louis, Ray, Ariel, Prince Eric, Sebastian, Flounder, Belle, the Beast, Jasmine, the Genie, Aladdin, Rapunzel, Flynn Rider, Pascal, Merida, Elinor the Bear, Mulan, and Pocahontas. Brief character descriptions and art instruction from professional Disney animators round out this exciting artistic adventure.
