### The Plants and Places That Inspired Frances Hodgson Burnett Vandenhoeck & Ruprecht

Fiona wants to fix people's problems—but what if she's the one who needs help? Kelly Jones, author of *Unusual Chickens for the Exceptional Poultry Farmer*, delivers a funny, take-charge heroine kids will love. Fiona may have problems, but she's no damsel in distress. She'd rather be the one wielding the wand in the story: she wants to be the fairy godperson. So when her mom sends her off to stay with relatives in a place called Cold Hope for the summer, Fiona decides it's time to start training for the role. And wow, do these people need help! Aunt Becky's bakery is failing, Great-uncle Timothy draws but never speaks, and Great-Aunt Alta is the gloomiest, dooziest woman she's ever met. But helping people in the real world isn't as easy as it sounds in fairy tales. Change is messy. What if she's actually making things worse? Still, with practice (and some deep breaths), Fiona will discover that sometimes messy is okay. Sometimes things do get worse before they get better. And sometimes trying to help fix other people's problems can help you work on your own...

She is lonely and has no one to play with, but one day she learns of a secret garden somewhere in the grounds that no one is allowed to enter. The inspirational story of George Washington Carver and his childhood secret garden is brought to life in this picture book biography by the author-illustrator team behind Muhammad Ali: A Champion Is Born. When George Washington Carver was just a young child, he had a secret: a garden of his own. Here, he rolled dirt between his fingers to check if plants needed more rain or sun. He protected roots through harsh winters, so plants could be reborn in the spring. He trimmed flowers, spread soil, studied life cycles. And it was in this very place that George's love of nature sprouted into something so much more--his future. Gene Barretta's moving words and Frank Morrison's beautiful paintings tell the inspiring life and history of George Washington Carver, from a baby born into slavery to celebrated botanist, scientist, and inventor. His passion and determination are the seeds to this lasting story about triumph over hardship--a tale that begins in a secret garden.
