**First Certificate Skills ; [student's
Book]** Cambridge English

This book is for you if you've never taught Cambridge First Certificate before, you want to know the most efficient techniques for getting your students through the exam, even if you've taught it before or you want to be able to advertise your services as an expert in First Certificate. The best way to learn to teach Cambridge First Certificate, is to take students through an entire course. Most schools I've worked at don't offer much in the way of additional training. You're just expected to get on with it. When I taught First, Advanced and PET, I was bumbling along with the books just trying to stay one answer further ahead than the students. Even if you're experienced at teaching general English, you can end up feeling like you've just stepped off the TEFL

course. Learning along the way means you won't always be able to see around every little corner. With this book, you'll have everything you need to teach the exam the way your students deserve. *First Certificate Masterclass Student Book + Online Skills Practice* Edmond A fully comprehensive course for The New First Certificate in English contains: 15 Thematically based Units Each Unit consists of: Part A: Vocabulary Collocations - Structure - Word building Pre-Speaking & Pre-Writing Activities; Part B: Listening Practise your FCE Listening Pre-listening Activities - FCE Listening Parts; Speaking - FCE Speaking Test - 3 Parts 'Improve your Speaking skills' section with Common Mistakes; Writing - It deals with all the different writing types required for the FCE exam;

Model writing texts followed by 'How to plan your letter' section

Cambridge Vocabulary for First Certificate covers all the vocabulary First Certificate candidates need. It provides students with practice of exam tasks from the Reading, Writing, Listening and Use of English papers. It includes useful tips on how to approach exam tasks and learn vocabulary. It is informed by the Cambridge International Corpus and the Cambridge Learner Corpus to ensure that the vocabulary is presented in genuine contexts and covers real learner errors. It is designed to match the updated exam for December 2008.
