This is not the original book and is not meant to supplement your original reading experience. We urge you to purchase Maxwell's original book at the following link: <https://amzn.to/2Hsd9jU> The author, who has been a leader for decades, thought he would only write one leadership book. Not only did this book begin a storm of sharing knowledge, it encouraged the author to do an extensive rewrite. The author's greatest discovery in life was that leadership could be developed. Even his understanding of leadership, after all these years, could be developed. This understanding goes beyond one's desire to succeed in business or receive respect as an authority figure. The author endeavors to change the reader from the inside out. Anyone can become a leader, but many do not. The author sees people use leadership as a buzzword, but instead breaks it down into an art: one of self-discipline and patience. The author includes everything the reader needs to take that big step into the journey as a developing leader. Each chapter outlines various elements of developing one's leadership, such as influence and how to use it, personal growth, and prioritizing your time and means no matter how busy you get. In this detailed summary and analysis of *Developing the Leader Within You 2.0*, you'll learn: 1. The ten essentials of leadership, and how to develop them. 2. How to make prioritizing work for YOU! 3. Why relaxing is essential as having high energy. 4. Why you should ALWAYS look for answers. AND MUCH MORE! Buy your copy today!

\* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. By reading this summary, you will learn how to become a leader. You will also learn: that the four character traits of a leader are authenticity, self-control, humility and

courage; that there are fifteen "diseases" that can attack a person's character; that there are false excuses for giving up on being a leader; that there are five degrees of leadership; that when everything becomes a priority, there is no priority at all; that too much time and attention should not be given to issues of little importance. John C. Maxwell is an evangelical pastor, author, speaker, and coach, recognized as one of the world's leading leadership specialists. In 2014, "Business Insider" and "Inc." magazines voted him the most influential expert on leadership issues. He leads organizations such as the John Maxwell Company, the John Maxwell Team, EQUIP and the John Maxwell Leadership Foundation. In this book, he teaches his readers how to develop their leadership skills. Learning that takes place day by day, whether or not one is a "born leader". \*Buy now the summary of this book for the modest price of a cup of coffee!

**The Complete 101 Collection** Penguin

New York Times best-selling author John C. Maxwell shows that talent is just the starting point for a successful impact in any organization. It's what takes you beyond your talent that matters. People everywhere are proving him right. Read the headlines, watch the highlights, or just step out your front door: Some talented people reach their full potential, while others self-destruct or remain trapped in mediocrity. What makes the difference? Maxwell, the go-to guru for business professionals across the globe, insists that the choices people make—not merely the skills they inherit—propel them to greatness. Among other truths, successful people know that: Belief lifts your talent. Initiative activates your talent. Focus directs your talent. Preparation positions your talent. Practice sharpens your talent. Perseverance sustains your talent. Character protects your talent. . . . and more! It's what you add to your talent that makes the greatest difference. With authentic examples and time-tested wisdom, Maxwell shares thirteen attributes you need to maximize your potential and live the life of your dreams. You can have talent alone and fall short of your potential. Or you can go beyond talent and really stand out.

*The 15 Invaluable Laws of Growth* Independently Published

Internationally recognized leadership expert John C. Maxwell teaches readers how to shift their leadership to keep innovating, improving, and influencing others in today's fast-paced world. Change is so rapid today that leaders must do much more than stay the course to be successful. If they aren't nimble and ready to adapt, they won't survive. The key is to learn how to lead. In *Leadershift*, John C. Maxwell helps leaders gain the ability and willingness to make leadership changes that will positively enhance their organizational and personal growth. He does this by sharing the eleven shifts he made over the course of his long and successful leadership career. Each shift changed his trajectory and set him up for new and exciting achievements, ultimately strengthening and sustaining his leadership abilities and making him the admired leadership expert he is today. Among those leadership shifts are the Adaptive Shift from Plan A to Option A, the Production

Shift from Ladder Climbing to Ladder Building, and the Influence Shift from Positional Authority to Moral Authority. Maxwell gives specific guidance to readers about how to make these shifts in their own lives. Each one requires them to change the way they think, act, and ultimately lead so they can be successful in a world that never remains the same.
