KENZIE STEPHENSON

Theological Roots of Pentecostalism

Whitaker House

The times have long passed when Pentecostals were viewed as Protestantism's untouchables. Today, the shock waves from Azusa Street have influenced countless Evangelicals worldwide. But if dialogue between Pentecostals and Evangelicals has awakened within the latter a thirst for the power of God's Spirit, it has challenged Pentecostals to examine their theology more deeply in the light of his Word. Just how firm is the biblical foundation on which they stand? Spirit and Power provides a cutting-edge look at Pentecostal theology. It addresses the concern expressed by its authors and echoed throughout charismatic churches today: "Although our Pentecostal forefathers intuitively grasped the correlation between the reality they experienced and the promise of Acts 1:8, they did not always articulate their

theology in a manner that was convincing to other believers committed to the authority of Scripture." In response, theologians William and Robert Menzies explore Pentecostalism in a scholarly and current light. Spirit and Power is no mere paraphrase of dated approaches. It is a fresh and penetrating look at the whys and wherefores of Pentecostal doctrine that sets a new standard for Spirit-filled theology. Whatever your persuasion may be as a Christian, this book's thoughtfulness, balance, and biblical integrity will help you appreciate more fully the strengths of the Pentecostal stance. Laying the groundwork for an accurate understanding of Luke's writings in particular, the authors help you grasp the foundations of Pentecostal theology from the standpoints of history, hermeneutics, and exegesis. Then, in Part Two, they give you an in-depth look at specific Pentecostal concerns: the baptism of the Holy Spirit as a blessing subsequent to salvation, evidential tongues, signs and wonders, healing in the atonement, and more. You'll deepen

your understanding of the basis for Pentecostal beliefs. And you'll gain a feel for the mutually beneficial dialogue that continues between Pentecostals and Evangelicals today.

Nehemiah Abingdon Press

Whether they are girls or boys, all kids seem to have fun with toy cars. Spark their creativity with this great coloring book! They will enjoy pictures of all different kinds of cars and trucks. This coloring book can help open the door to lots of conversations with your child about where the car is traveling to and who is riding in the car. Help them create their masterpiece. Kids of all ages will enjoy this coloring book.

Our Destiny Baker Publishing Group (MI)
 Will God's Leadership Principles Work for Me Today? What is God's pattern for success? How can I develop my full potential? How can I motivate others? How do I set goals for myself and others? God has given believers in positions of leadership the answers to these and other vital questions. Through the example of one of history's greatest leaders, Nehemiah, God has given us principles of leadership which work as effectively in today's dynamic business world as they did centuries ago. Cyril Barber brings out these biblical principles in a clear and effective way, and he applies them to our contemporary world. By examining the challenges that Nehemiah faced, and looking at how he overcame them, the author shows how you can deal with the situations you face every day. This newly revised and expanded edition includes study questions which will help you apply the principles as you learn them. This is not another management book. It is a biblical leadership training course. The principles taught are essential for all in administrative positions:

businesspeople, foremen, managers, supervisors, teachers, church leaders, and even parents.

A Handbook on Christian Evidences

Logion Press

(Edited and revised by Ronald B. Mayers)

Car Coloring Pages (Fast and

Furious Cars Coloring Book for Kids)

John Wiley & Sons

Explains how Pentecostalism grew out of Methodism and the nineteenth-century American holiness movement. ...A much needed tool. He makes it possible for us to see Pentecostals, so often dismissed as a fringe group, as intimately connected with the so-called mainstream of American religion. --THEOLOGY TODAY
Acts Gospel Publishing House

Natural theology, in the view of many, is in crisis. In this long-awaited book, Alister McGrath sets out a new vision for natural theology, re-establishing its legitimacy and utility. A timely and innovative resource on natural theology: the exploration of knowledge of God as it is observed through nature Written by internationally regarded theologian and author of numerous bestselling books, Alister McGrath Develops an intellectually rigorous vision of natural theology as a point of convergence between the Christian faith, the arts and literature, and the natural sciences, opening up important possibilities for dialogue and cross-fertilization Treats natural theology as a cultural phenomenon, broader than Christianity itself yet always possessing a distinctively Christian embodiment Explores topics including beauty, goodness, truth, and the theological imagination; how investigating nature gives rise to both theological and scientific theories; the idea of a distinctively Christian approach to nature; and how natural theology can function as a bridge between Christianity and other faiths

Living the Full Gospel Wm. B.

Eerdmans Publishing

This new printing of Louis Berkhof's classic Systematic Theology represents a publishing landmark. For the first time in

its long and acclaimed history, Berkhof's monumental treatment of the doctrines of the Reformed faith is now available together in one volume with Introduction to the Study of Systematic Theology, Berkhof's formal prolegomenon to his theology. Meant to be read together with Systematic Theology, the Introduction includes Berkhof's discussions of the nature and character of dogmatics, the methods and history of theological system, and the principia, or foundations, of theology - Scripture and God. This edition also includes a new preface by Richard A. Muller that explains both the publishing history and the relation and importance of the Introduction to the rest of Berkhof's text. Written in a concise and compact style and organized in a manner ideal for detailed study, Systematic Theology covers the full range of theology in traditional systematic fashion - examining, in order, the doctrines of God, anthropology, Christology, soteriology, ecclesiology, and eschatology. The work also includes an extensive bibliography and full indexes to the authors, subjects, and Scriptures referenced in the text. Revised and enlarged throughout his lifetime until it reached its present final form, Systematic Theology not only stands as Berkhof's magnum opus but also is widely considered to be the most important twentieth-century compendium of Reformed theology.
The Prophets of Israel Legare Street Press

Twenty respected educators and authors examine the Pentecostal faith while addressing the strengths and weaknesses of various viewpoints. Chapters include: The Holy Trinity, The Saving Work of Christ, The Baptism in the Holy Spirit, Divine Healing, God's

Inspired Word, The One True God, Spiritual Gifts, and other areas.

Introduction to Christian Theology
Spanish Zondervan

Winner of the Pneuma Book Award 2018, from The Society for Pentecostal Studies. Pentecostalism is the most rapidly growing branch of Christianity since the 20th century, yet it does not lend itself well to a singular doctrine and there is, therefore, no single comprehensive account of Pentecostal theology worldwide. In this volume, Wolfgang Vondey suggests an account of Pentecostal theology that is genuine to Pentecostals worldwide while allowing for different adaptation and explication among the various Pentecostal groups. He argues that Pentecostal theology is fundamentally concerned with the renewal of the Christian life identified by the transforming work of the Holy Spirit and directed toward the kingdom of God. The book unfolds in two main parts illustrating the full gospel story and theology. Eleven chapters identify the spiritual underpinnings and motivations for Pentecostal theology, formulate a Pentecostal theology of action, translate, apply, and exemplify Pentecostal practices and experiences, and integrate Pentecostal theology in the wider Christian tradition.

Teología sistemática pentecostal,

revisada Wipf and Stock Publishers
Despite the fact that the Christian tradition is prevalent, if not dominant, throughout much of the Western world, there remains a considerable amount of confusion and debate over the actual doctrines that feature in this belief system. In this volume, *The Great Doctrines of the Bible*, author William Evans identifies and explains some of the most important doctrinal and dogmatic tenets of the Christian faith.

The Great Doctrines of the Bible The Floating Press

With a strong emphasis on the scriptural basis for each doctrine—what the whole Bible teaches us today about a particular topic; clear writing, with technical terms kept to a minimum; and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, *Making Sense of the Bible* is required reading for understanding the relevant passages of Scripture. Topics include Canon of Scripture: the list of all books that belong in the Bible; Authority of Scripture: all words in Scripture are God's words because that is what the Bible claims for itself; Clarity of Scripture: the Bible is written so that its teachings are able to be understood by all who read it; Necessity of Scripture: the Bible is necessary for knowledge of the gospel; and Sufficiency of Scripture: Scripture contains all the words of God he intended his people to have. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, *Making Sense of the Bible* helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

The Ultimate Victory Ravenio Books
Eyewitness to the Power of the Holy Spirit! Experience the power and revelation of one of history's greatest spiritual revivals as if you were there yourself. More than an observer or historian, author Frank Bartleman participated in the Azusa Street Revival and experienced the movement firsthand. His insight into the events leading up to Azusa, the revival itself, and the impact that resulted is perhaps

the most detailed account of the falling of the Holy Spirit ever recorded. Your faith will explode as you read Bartleman's challenging insights into faith-filled living from his experiences at Azusa Street. You will more fully understand... The tribulations they faced The blessings they received The Pentecostal movement that followed What God will do when desperate souls cry out for more of Him Azusa Street is not a long-forgotten story from thousands of years ago. It was a twentieth-century manifestation of the Holy Spirit, and a movement that continues to endure today! "He who believes in Me, the works that I do he will do also; and greater works than these he will do, because I go to My Father." —John 14:12

EXPERIENCIA E HERMENEUTICA PENTECOSTAL; REFLEXOES E PROPOSTAS PARA CONSTRUCAO DE UMA IDENTIDADE TEOLOGICA Zondervan
Marked by a creative blend of philosophical, historical, anthropological, and exegetical analysis, this volume focuses on the Christian doctrine of God, offering original material on the concept of truth, the nature of revelation, language about God, the nature of the Trinity, and the public aspect of theology.

Revised Edition Lulu.com

Wood focuses on the prophets' daily circumstances to illuminate their message. Covers both the writing and non-writing prophets, including Miriam and Elijah.

How To Prepare Bible Messages Baker Books

Examines sixteen major Bible doctrines substantiated with numerous Scripture references. Topics include the inspired Scriptures, one true God, deity of the Lord Jesus Christ, divine healing,

salvation of man, fall of man, baptism in the Holy Ghost, and new heavens and new earth.

The Story of the Christian Church

Zondervan Academic

How do we know the Bible is God's Word? What is sin and where did it come from? How is Jesus fully God and fully man? What are spiritual gifts? When and how will Christ return? If you've asked questions like these, then "systematic theology" is no abstract term. It's an approach to finding answers every Christian needs to know. Bible Doctrine takes a highly commended upper-level textbook on systematic theology and makes it accessible to the average reader. Abridged from Wayne Grudem's award-winning Systematic Theology, Bible Doctrine covers the same essentials of the faith, giving you a firm grasp on seven key topics: The Doctrine of the Word of God The Doctrine of God The Doctrine of Man The Doctrine of Christ The Doctrine of the Application of Redemption The Doctrine of the Church The Doctrine of the Future Like Systematic Theology, this book is marked by its clarity, its strong scriptural emphasis, its thoroughness in scope and detail, and its treatment of such timely topics as spiritual warfare and the gifts of the Spirit. But you don't need to have had several years of Bible school to reap the full benefits of Bible Doctrine. It's easy to understand--and it's packed with solid, biblical answers to your most important questions.
