Probability, Proportions, and Percents

Jones & Bartlett Learning

Last year, nearly 200,000 eighth graders took the entrance exams to get into Catholic high schools. For many, this is their first time taking any kind of standardized entrance exam. To help make the experience a positive one, this valuable guide provides expert advice, practical tips, and lots of practice to help students prepare successfully for test day. It also provides tips for parents to help their children maintain realistic expectations while studying for the exam. Included in Kaplan's Catholic High School Entrance Exams are six full-length practice tests—two for each exam commonly administered—the Cooperative Entrance Examination (COOP), the High School Placement Test (HSPT), and Test for Admission into Catholic High Schools (TACHS). Also included are diagnostic quizzes with targeted feedback; a review of key concepts and material found on tests; and up-to-the-minute test information and changes. Kaplan's Catholic High School Entrance Exams gives students the study tools and reassurance they need to achieve a high score on this important test.

Language Learning by a Chimpanzee Lotus Press

This packet provides practice in sixth-grade mathematics skills, with emphasis placed on proportions and percents. The material correlates with the curriculum in most basic mathematics texts, and parents who wish their children to have practice in mathematics skills will find the book as helpful as classroom teachers will find it. The exercises are presented so that a child can work with a minimum of supervision. Answers are included.

We invented test

prep—Kaplan (www.kaptest.com) has been helping students for 80 years. Our proven strategies have helped legions of students achieve their dreams. The HiSET is an alternative to the GED test and the TASC test. In some states, it is the only acceptable test for earning a high school equivalency diploma. In other states, it is just 1 test option out of 2 or 3. To find out whether your state will be using the HiSET for high school equivalency tests, visit hiset.ets.org or contact your state's department of education. The previous edition of this book was titled *HiSET Exam 2017-2018 Strategies, Practice & Review. Math for Workplace Success Teacher Created Materials* Expand your students' knowledge of probability, proportions, and percents as they work through this fun-filled packet. Each page gives an example and step-by-step solution of the problem presented, and a variety of drill and practice activities are included in a two-color format. Answer key is included.
