What It Means to Follow Jesus

Baker Books
So how should we spend our time on Earth? Don Piper, the Minister of Hope who spent 90 minutes in Heaven, brings us God's message. Hope for the here and now from the multimillion-selling author of 90 Minutes in Heaven. Millions believe in Heaven. Don

Piper's been there. He was pronounced dead after a car accident on January 18, 1989. Ninety minutes later, Piper came back to life with an extraordinary story. His 90 Minutes in Heaven has strengthened the faith of countless people. When Piper returned to this life, he had a long road back to health, dealing with painful treatments and physical disabilities-the "new normal," as Piper calls it. Still, he had

been transformed spiritually and this allowed him not only to cope with his suffering, but to transcend it. Piper found purpose in his pain, he found the message in the mess, and so can anyone else who embraces God's grace in the here and now-as well as the Hereafter. Don Piper did not return from Heaven alone-he brought the gift of hope back with him. Those who read Heaven Is Real can use what he

learned to live the lives God has called them to live. A True Story of Brokenness, Heaven, and Life Again Revell

incredible follow-up to his eight-million-copy bestseller, 90 Minutes in Heaven, Don Piper shares untold stories about his encounters with people who greeted him at the gates of heaven, and offers powerful insights about the way for us to live our lives on earth. Don Piper's unforgettable account of a horrific car accident that took his life, and what happened next has riveted more

than eight million readers. Something happened as he shared his story in the years since. Not only did Piper realize he had more to tell, he had yet to share the most sacred and intimate details of his time in heaven about the people who met him at the gates. "I have never left a speaking engagement without people wanting to know more," he said in THE PEOPLE I MET IN HEAVEN,

Piper takes readers deeper into his experience, which includes never-before-told encounters with the people who met him when he arrived in heaven—those who helped him on his journey that led to the entrance to God's heavenly home. Even more, Piper recounts the majesty of heaven and the glorious reunion that awaits us there. He offers practical

insights, inspiration, and a challenging call that while we're on earth we need to obey Jesus' command to "go and make disciples of all nations." *Ten True Stories of Experiencing Heaven* Thomas Nelson
Is there life after death? After a tragic accident, doctors pronounced Richard Sigmund legally dead. Eight hours later, God miraculously brought him back to life on

the way to the morgue. During those hours, God allowed him to experience the glorious beauty, heavenly sounds, sweet aromas, and boundless joys of heaven that await every believer. God then returned him back to earth with a mission to tell the world what he saw. You will thrill to Sigmund's eyewitness accounts of strolling down heaven's streets of gold, seeing angels playing with children,

talking with Jesus, meeting with people from the Bible, as well as departed family and friends, seeing the mansions, and much more! Through Sigmund's testimony, God restored sight to the blind, hearing to the deaf, and even raised several people from the dead. Also, glimpse into the horrifying reality of "the other place"—a place where no one wants to go.

90 Minutes in Heaven A True Story of Death & Life Revell A Little Boy's Astounding Story of His Trip to Heaven and Back : Conversation Guide FaithWords It's obvious from the bookshelves and the big screen that heaven is on everyone's mind. All of us long to know what life after death will be like. Bestselling author John Burke is no exception. For decades, he has been studying accounts of

people who have had near-death experiences (NDEs). While not every detail of individual NDEs correlate with Scripture, Burke shows how the common experiences shared by thousands of survivors clearly point to the God of the Bible and the exhilarating picture of heaven he promises. Imagine Heaven is an inspirational journey through the Bible's picture

of heaven, colored in with the real-life stories of heaven's wonders. Burke compares gripping stories of NDEs to what Scripture says about our biggest questions of heaven: Will I be myself? Will I see friends and loved ones? What will it look like? What is God like? What will we do forever? What about children and pets? This book will propel readers into an experience

that will

Now redesigned, re-edited, and expanded to include 3 new

chapters and a revised introduction. *People I Met at the Gates of Heaven* Turtleback Books In 1987, Dr. Benjamin Carson gained worldwide recognition for his part in the first successful separation of Siamese twins joined at the back of the head. The extremely complex and delicate operation, five months in the planning and twenty-two hours in the execution, involved a surgical plan

that Carson helped initiate. Carson pioneered again in a rare procedure known as hemispherectomy, giving children without hope a second chance at life through a daring operation in which he literally removed one half of their brain. But such breakthroughs aren't unusual for Ben Carson. He's been beating the odds since he was a child. Raised in inner-city

Detroit by a mother with a third grade education, Ben lacked motivation. He had terrible grades. And a pathological temper threatened to put him in jail. But Sonya Carson convinced her son that he could make something of his life, even though everything around him said otherwise. Trust in God, a relentless belief in his own capabilities, and sheer determination catapulted

Ben from failing grades to the top of his class --- and beyond to a Yale scholarship . . . the University of Michigan Medical School . . . and finally, at age 33, the directorship of pediatric neurosurgery at Johns Hopkins Hospital in Baltimore, Maryland. Today, Dr. Ben Carson holds twenty honorary doctorates and is the possessor of a long string of honors and awards,

including the Horatio Alger Award, induction into the 'Great Blacks in Wax' Museum in Baltimore, Maryland, and an invitation as Keynote Speaker at the 1997 President's National Prayer Breakfast. Gifted Hands is the riveting story of one man's secret for success, tested against daunting odds and driven by an incredible mindset that dares to take risks. This inspiring autobiography takes you into

the operating room to witness surgeries that made headlines around the world --- and into the private mind of a compassionate, God-fearing physician who lives to help others. Through it all shines a humility, quick wit, and down-to-earth style that make this book one you won't easily forget.
