"A snowy day includes a journey with Grandma from home in the country to her house in town, sledding, snow angels, and cozy cuddling with Grandpa by the fire"--

Snow Falling from a Bamboo Leaf: the Art of Haiku eBook Partnership

From the internationally acclaimed author of the Harry Hole novels—a fast, tight, darkly lyrical stand-alone novel that has at its center the perfectly sympathetic antihero: an Oslo contract killer who draws us into an unexpected meditation on death and love. This is the story of Olav: an extremely talented “fixer” for one of Oslo’s most powerful crime bosses. But Olav is also an unusually complicated fixer. He has a capacity for love that is as far-reaching as is his gift for murder. He is our straightforward, calm-in-the-face-of-

crisis narrator with a storyteller’s hypnotic knack for fantasy. He has an “innate talent for subordination” but running through his veins is a “virus” born of the power over life and death. And while his latest job puts him at the pinnacle of his trade, it may be mutating into his greatest mistake. . . .

A paint and paper documentary, observing great horned owls in their natural habitat. "Mesmerizing is the only word that works to describe Maggie Umber’s new graphic novel *Sound of Snow Falling*. Well, "enchancing" works too. As in nature, the

more you look, the more you see. A third viewing reveals story lines I'd missed in the first two. Umber's minimalist paintings manage to convey, in three colors, the beauty, ferocity, devotion, and sheer heart of a pair of great horned owls bringing three chicks into the world. I'm taken by the economy of line and rightness of gesture in these deceptively simple paintings."--Julie Zickefoose, author & illustrator of *Baby Birds: An Artist Looks Into the Nest*, *The Bluebird Effect: Uncommon Bonds with Common Birds*, and *Letters from Eden: A Year at Home, In the Woods* "Umber beautifully uses comic form to take the reader through intimate movements in nature"--Aidan Koch, author of *After Nothing Comes* "Maggie Umber's work is simultaneously a breathless, quiet stretch and an enormous, orchestral voice. I don't know anyone else who can create such volume through silence."--Sarah Ferrick, author of *Yours* *Sound of Snow Falling* is a graphic novel done in a poetic documentary mode. In this unique work, the reader becomes a voyeur of the natural world, following a great horned owl family through the dead of winter. Extensively researched and expressively

Painted, *Sound of Snow Falling* is a triumph of the comics form. Maggie Umber is a cartoonist and associate publisher at 2dcloud. *Sound of Snow Falling* is her second graphic novella.

Sound of Snow Falling Simon and Schuster

A daring post-apocalyptic novel from a powerful rising literary voice With winter looming, a small northern Anishinaabe community goes dark. Cut off, people become passive and confused. Panic builds as the food supply dwindles. While the band council and a pocket of community members struggle to maintain order, an unexpected visitor arrives, escaping the crumbling society to the south. Soon after, others follow. The community leadership loses its grip on power as the visitors manipulate the tired and hungry to take control of the reserve. Tensions rise and, as the months pass, so does the death toll due to sickness and despair. Frustrated by the building chaos, a group of young friends and their families turn to the land and Anishinaabe tradition in hopes of helping their community thrive again. Guided through the chaos by an unlikely leader named Evan Whitesky,

they endeavor to restore order while grappling with a grave decision. Blending action and allegory, *Moon of the Crusted Snow* upends our expectations. Out of catastrophe comes resilience. And as one society collapses, another is reborn.

The Snow Child Snow Falling in Spring Coming of Age in China During the Cultural Revolution

When Little Bear's mother begins to prepare him for winter hibernation, he is sad because he will miss playing with his friends in the snow.

Despite the Falling Snow Farrar, Straus and Giroux (BYR)

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and

camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations,

pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

The Power of Rest and Retreat in Difficult Times Little Tiger Press Group Niu-Niu was four years old when, amidst the rubble of charred books and tattered curtains that had been her comfortable "bourgeois" home, she watched in horror the mindless beating of her helpless parents, and saw them bloody and with shaven heads, taken away for what seemed like forever. That traumatic day marked the end of Niu-Niu's innocent childhood. Two days after she was born, on May 16, 1966, Mao Zedung began his "Great Cultural Revolution," which caused untold suffering. Niu-Niu's "intellectual" family were among the tens of thousands of Chinese people cruelly persecuted and even murdered in the name of the "Social Revolution." For the next nine years, Niu-Niu's life became a nightmare in which human kindness and reason all but disappeared, where violence and hunger were the order of the day. Even after the end of the Cultural Revolution, when Niu-Niu attended university in Beijing, she found Chinese society rigid, puritanical

and small-minded.

Snow Falling in Spring Chicago Review Press

SHORTLISTED for the 2011 Man Booker Prize for Fiction An intense psychological drama that echoes sophisticated entertainments like Gorky Park and The Talented Mr. Ripley. Nick Platt is a British lawyer working in Moscow in the early 2000s—a place where the cascade of oil money, the tightening grip of the government, the jostling of the oligarchs, and the loosening of Soviet social mores have led to a culture where corruption, decadence, violence, and betrayal define everyday life. Nick doesn't ask too many questions about the shady deals he works on—he's too busy enjoying the exotic, surreally sinful nightlife Moscow has to offer. One day in the subway, he rescues two willowy sisters, Masha and Katya, from a would-be purse snatcher. Soon Nick, the seductive Masha, and long-limbed Katya are cruising the seamy glamour spots of the city. Nick begins to feel something for Masha that he is pleased to think is love. Then the sisters ask Nick to help their aged aunt, Tatiana, find a new apartment. Of course, nothing is as it

seems—including this extraordinary debut novel. The twists in the story take it far beyond its noirish frame—the sordid and vivid portrayal of Moscow serves as a backdrop for a book that examines the irresistible allure of sin, featuring characters whose hearts are as cold as the Russian winter.

When the Snow Falls Harper Collins

Starting with a pair of yellow mittens, a purple hippo prepares to bundle up to go outside and play in the snow. Using humor and visual clues, primary and secondary colors are identified for the toddler set. The third entry in a new board book series by artist Jennifer Sattler (*Dirty Birdies* and *Jungle Gym*).

Many lovers of poetry consider haiku to be literature's most subtle art form. The whole of life seems effortlessly expressed in only a few words and images. The book presents readers with sixty of the more famous classical haiku in the original romanized Japanese along with their interlinear transliterations. This unique combination becomes a great help in understanding how they were made. An introductory essay tells how haiku can just as easily be written in English and as a help to readers creating their own haiku, it explains to them the elegant but rigorous structure of what appears to be an easy art form. This charming and informative book is tastefully illustrated with the author's own lovely ink drawings.

Snow Is Falling Farrar Straus & Giroux

A septuagenarian business magnate remembers his painful early life in Soviet Russia and his charismatic late wife, Katya, while he experiences deepening relationships with a woman who would rekindle his heart and a niece who would uncover past secrets.

Most people cannot remember when their childhood ended. I, on the other hand, have a crystal-clear memory of that moment. It happened at night in the summer of 1966, when my elementary school headmaster hanged himself. In 1966 Moying, a student at a prestigious language school in Beijing, seems destined for a promising future. Everything changes when student Red Guards begin to orchestrate brutal assaults, violent public humiliations, and forced confessions. After watching her teachers and headmasters beaten in public, Moying flees school for the safety of home, only to witness her beloved grandmother denounced, her home ransacked, her father's precious books flung onto the back of a truck, and

Baba himself taken away. From labor camp, Baba entrusts a friend to deliver a reading list of banned books to Moying so that she can continue to learn. Now, with so much of her life at risk, she finds sanctuary in the world of imagination and learning. This inspiring memoir follows Moying Li from age twelve to twenty-two, illuminating a complex, dark time in China's history as it tells the compelling story of one girl's difficult but determined coming-of-age during the Cultural Revolution. *Snow Falling in Spring* is a 2009 Bank Street - Best Children's Book of the Year.

It's been a lifetime (and three seasons) in the making, but Jane Gloriana Villanueva is finally ready to make her much-anticipated literary debut! Jane the Virgin, the Golden Globe, AFI, and Peabody Award-winning The CW dramedy, has followed Jane's telenovela-esque life—from her accidental artificial insemination and virgin birth to the infant kidnapping and murderous games of the villainous Sin Rostro to an enthralling who-will-she-choose love triangle. With these tumultuous events as inspiration, Jane's

brehtaking first novel adapts her story for a truly epic romance that captures the hope and the heartbreak that have made the television drama so beloved. *Snow Falling* is a sweeping historical romance set in 1902 Miami—a time of railroad tycoons, hotel booms, and exciting expansion for the Magic City. Working at the lavish Regal Sol hotel and newly engaged to Pinkerton Detective Martin Cadden, Josephine Galena Valencia has big dreams for her future. Then, a figure from her past reemerges to change her life forever: the hotel's dapper owner, railroad tycoon Rake Solvino. The captivating robber baron sets her heart aflame once more, leading to a champagne-fueled night together. But when their indiscretion results in an unexpected complication, Josephine struggles to decide whether her heart truly belongs with heroic Martin or dashing Rake. Meanwhile, in an effort to capture an elusive crime lord terrorizing the city, Detective Cadden scours the back alleys of the Magic City, tracking the nefarious villain to the Regal Sol and discovering a surprising connection to the Solvino family. However, just when it looks like

Josephine's true heart's desire is clear, danger strikes. Will her dreams for the future dissolve like so much falling snow or might Josephine finally get the happy ever after she's been dreaming of for so long?

Fletcher and the Falling Leaves

Penguin

A vibrant celebration of the natural changes and human joys of springtime A cacophonous celebration of nature's return to vibrancy after a long, quiet winter, *Hello Spring!* features bright, enticing photographs from award-winning National Geographic photographer Shelley Rotner. A NEW YORK TIMES BESTSELLER! AS HEARD ON NPR MORNING EDITION AND ON BEING WITH KRISTA TIPPETT

"Katherine May opens up exactly what I and so many need to hear but haven't known how to name." —Krista Tippett, *On Being* "Every bit as beautiful and healing as the season itself. . . . This is truly a beautiful book." —Elizabeth Gilbert

"Proves that there is grace in letting go, stepping back and giving yourself time to repair in the dark...May is a clear-eyed observer and her language is steady,

honest and accurate—capturing the sense, the beauty and the latent power of our resting landscapes." —Wall Street Journal
An intimate, revelatory book exploring the ways we can care for and repair ourselves when life knocks us down. Sometimes you slip through the cracks: unforeseen circumstances like an abrupt illness, the death of a loved one, a break up, or a job loss can derail a life. These periods of dislocation can be lonely and unexpected. For May, her husband fell ill, her son stopped attending school, and her own medical issues led her to leave a demanding job. *Wintering* explores how she not only endured this painful time, but embraced the singular opportunities it offered. A moving personal narrative shot through with lessons from literature, mythology, and the natural world, May's story offers instruction on the transformative power of rest and retreat. Illumination emerges from many sources:

solstice celebrations and dormice hibernation, C.S. Lewis and Sylvia Plath, swimming in icy waters and sailing arctic seas. Ultimately *Wintering* invites us to change how we relate to our own fallow times. May models an active acceptance of sadness and finds nourishment in deep retreat, joy in the hushed beauty of winter, and encouragement in understanding life as cyclical, not linear. A secular mystic, May forms a guiding philosophy for transforming the hardships that arise before the ushering in of a new season.

The Daily Show (The Book) Macmillan
Could it be the night before a Snow Day? It's nighttime and snow is falling hard. Will the town be snowed in? Will there be a snow day? Odds are looking good in this newest *Night Before* book for the kids who dream of snowball fights, sledding, and the possibility that it may snow again tomorrow!
