From NYTs and USA Today Bestselling Author Kym Grosso...a novel in the IMMORTALS OF NEW ORLEANS series now optioned for film. Hunter Livingston's trip to Hell had been a calculated risk. Best case scenario, the Alpha would save a friend and come out unscathed; at worst, he'd burn in flames for eternity. But finding the high priestess had never been part of his plan, nor was rescuing

With royal blood flowing through her veins, Dr. Willa Jacobs had long hidden her Lycan heritage. Deep within the rainforest, she'd unearthed a discovery that drew the attention of

both humans and the forces of evil. Rescued by the charismatic Alpha, she'd known her kidnappers would never give up looking for her or her research. As the dominant Alpha stirred her beast to rise, her emotions warred, and she was more determined than ever to see her adversaries burn in Hell. From Wyoming to Louisiana, Hunter and Willa spiral into an erotic

There are numerous

The romance in the novel is built in seamlessly, exquisitely enhancing the story." "I have read many vampire novels over the years, some good and some just plain awful. "My Familiar Stranger" is a breath of fresh air to the vampire genre that has been done to death

thanks to the overrated Twilight series. "My Familiar Stranger" has an original plot. I thought it was pure genius that the author would set the book in a parallel universe. The characters are all likeable and the dialogue is snappy." - "Coffee Addicted Writer" "Created with a deft hand, each character is so well developed and defined that their voices are unique

The rest of the story is just as well-crafted, almost to the point that you aren't 100% certain that the world described is not just outside your door. The author has done a stellar job in creating the world, those who live within it, and a story-line that both compels you to read as you rush through to see just what happens
