Benjamin Titus Roberts (1823–1893) is best known for founding the Free Methodist Church in 1860 after his expulsion from the Methodist Episcopal Church. He was also an outspoken voice for such reform causes as the abolition of slavery, women in ministry, and farmers’ rights — so much so that he played a role in the rise of the Populist Movement. Ellen Stowe Roberts (1825–1908), scion of a prominent Methodist family, shared her husband’s passion for holiness, for speaking good news to the poor, and for urban ministry. Popular Saints warmly tells the story of B. T. and Ellen Roberts’s lives, recounting their critique of powerful elites and illuminating the “crisis of Methodism” that

gave rise to the Free Methodist Church. Howard Snyder’s detailed biography views key nineteenth-century currents and events — such as abolitionism, revivalism, women’s rights, the Civil War, and the expansion of railroads — through the lives of these two extraordinary figures, who taught a “holy populism” of simplicity, justice for the common people, and radical discipleship.

The Magical Unicorn Coloring Book for Kids and Educational Activity Books for Kids Wentworth Press

The compiler of this volume has been gathering a large amount of moral and religious reading, from which selections have been made, admitting only those which may be read with propriety on the Sabbath. This volume will be found to contain the best lessons for the family circle, such as will inculcate principles of obedience to parents, kindness and affection to brothers and sisters and youthful associates, benevolence to the poor, and the

requirements of the gospel. These virtuous principles are illustrated by instances of conformity to them, or departure from them, in such a manner as to lead to their love and practice. Great care has been taken in compiling this volume to avoid introducing into it anything of a sectarian or denominational character that might hinder its free circulation among any denomination, or class of society, where there is a demand for moral and religious literature. The illustrations were made especially for this book, and are the result of much careful study. The family circle can be instructed and impressed by high-toned moral and religious lessons in no better way during a leisure hour of the Sabbath, when not engaged in the solemn worship of God, than to listen to one of their number who shall read from this precious volume. May the blessing of God attend it to every home circle that shall give it a welcome, is the prayer of the PUBLISHER.

Songs of Three Centuries Wentworth Press

A historical rediscovery of one of the heroic founders of the conservation movement who was also one of the most infamous racists in American history

A History & Anthology Vancouver

Excerpt from Lights and Shadows of American Life In America, where there is such a mixture Of all nationalities, we need not be surprised to find that the home life is esteemed by some, while it is held in contempt by others. The Englishman carries in his heart wherever he goes the sacredness Of his home, while the Frenchman is apt to take with him nothing more sacred than a house. In our American life, however, the home is the foundation

of the church and the state. As the homes are pure, the churches will be prosperous, and the state permanent. The fourth verse of the 112th Psalm gives us the foundation principle of home happiness. Unto the upright there ariseth light in the darkness. Everything depends upon upright ness Of purpose, thought, character, and that implies right relation between husband and wife, parent and child, brother and sister, master and servant. In proportion as this right relation exists, the home is full of light; when wrong relation exists, it is certain to be full of darkness. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. The Contemporary Christian Book (Songbook) UPNE

This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Philippine Literature Forgotten Books

(Methodology Chorals). Now available for SSA voices, this choral sight-reading resource is designed to help secondary choir students improve their music literacy skills. With 140 SSA exercises divided into 2, 4, 8, 16 and 32 measure sets, even beginning groups can develop advanced skills over a relatively short period of time. The exercises are included in the book and as a free download for projecting to a screen or distributing to students via print or tablet. Also includes reference audio played on a keyboard.

In Absolute Confidence Arms & Armour

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the

public." -an excerpt

What a Beautiful Name Hal Leonard Publishing Corporation

When a determined Irish Catholic priest and a tough Jewish police detective team up to solve the murder of a gorgeous showgirl, the evidence of violence and corruption they uncover tears the town apart! Of his fast and unusual thriller Jack Webb writes: "The Big Sin was written because I needed faith in myself. So I wrote a story about faith ... For all the gaudiness my story may wear as a mystery filled with violence, good is good in it, and bad, bad, and there's strength enough in the simply faith within to

swing the outcome." Father Shanley refused to believe that Rose had committed the big sin.

Play 24 Worship Songs with Three Chords: G-C-D Simon and Schuster
