In this groundbreaking book, Knight shows how the Qabalah and its basic diagram, the Tree of Life, is a system of relationships among mystical symbols that can be used to gain access to the hidden reaches of the mind. He also demonstrates how the Qabalah is applicable to all mystical traditions and religious beliefs, including Christian mysticism, Greek, Egyptian and Celtic mythologies, and even Native American beliefs. It is indeed symbolic of our universal search for the Divine. Included here are two books in one. The first compares the Western Mystery Tradition with the Eastern system of yoga, analyzes the Tree of Life in full detail, and describes the practical application and theories of Qabalistic symbolism. The second gives the most comprehensive analysis ever published of the twenty-two 'Paths of Concealed Glory' that join the Spheres of the Tree of Life taking into account the Hebrew alphabet, astrological signs, and tarot trumps. A large section explores the history of tarot design and the varying systems of correspondence with the Tree of Life.

All human cultures across time have created rituals, bringing family members together to celebrate, welcome, honor, or mourn. While contemporary rituals still exist to serve these important functions, we often perform them automatically, without considering their vital roles in our lives. Many individuals feel alienated from the rituals of their childhoods, while others are struggling to create satisfying new traditions that reflect their own present needs and circumstances. Authors Evan Imber-Black and Janine Roberts show how we can learn to tap the power of rituals to mark transitions, express important values, heal the past, and deepen relationships. Each chapter looks at the special issues and possibilities for nuclear, extended, single-parent, and remarried families, as well as for single adults and couples. The authors also pay particular attention to how changing gender roles are reflected in our rituals, and how revitalized traditions can actually alter the course of intimate relationships. Filled with first-person stories and practical examples, this book will help all readers enhance the meaning of traditions old and new, reinforcing and celebrating life's many milestones and ties.

An Original & Complete Curriculum of Druidical Study Red Wheel/Weiser

A century ago, Celtic groups descending from the famed Hermetic Order of the Golden Dawn pioneered a fascinating form of ceremonial magic invoking Pagan Celtic powers instead of relying on the more commonly used Judeo-Christian names and symbols. Those groups disappeared many decades ago, and their teachings were lost. But today, their legacy has been reborn. Respected occult author and Grand Archdruid John Michael Greer has re-created a complete magical system based on the Celtic Golden Dawn traditions. This new book provides students with a complete curriculum of Druidical magic and occult wisdom, including training in ceremonial magic, meditation, pathworking, divination, geomancy, and herbal alchemy, allowing self-initiation into the three degrees of Ovate, Bard, and Druid. Structured to resemble a long-lost correspondence course, The Celtic Golden Dawn presents a series of knowledge lectures, meditations, and rituals leading to mastery of the most important magical techniques.
