The Secret of the Hidden Scrolls: Race to the Ark

Second Story Press

In the third installment of Haddix's series about a futuristic society in which families are forbidden to have more than two children, Nina, a secondary character in *Among the Impostors*, is falsely accused of treason and imprisoned by the Population Police. Her

interrogator gives her an ultimatum: either she can get three other child prisoners, illegal third-borns like Nina, to reveal who harbored them and where they got their fake identification cards, or she will be executed. Nina sees a chance to escape the prison and, taking the prisoners with her, quickly discovers their street smarts. But when their food supply runs out, Nina seeks the boy she knew as Lee.

The Secret of the Hidden Scrolls series follows siblings Peter and Mary and their dog, Hank, as they discover ancient scrolls that transport them back to key moments in biblical

history. When Peter and Mary travel back in time for their seventh adventure, they find themselves somewhere familiar-Bethlehem. Hundreds of years after David's fight with Goliath, the small town is bustling with people who've returned home for the census. Follow along as the time-traveling trio visits a newborn King, uses the stars to help a group of wise men navigate, and faces off against a thief with a hidden agenda. Young readers familiar with the

Christmas story have never heard it told like this. Packed with thrilling action and suspense, this adventure will have kids racing to reach the final showdown.

The New York Times

Bestseller "Not since

Robert Caro's *Years of*

Lyndon Johnson have I

been so riveted by a work

of history. *Secret City* is

not gay history. It is

American history."

—George Stephanopoulos

Washington, D.C., has

always been a city of secrets. Few have been more dramatic than the ones revealed in James Kirchick's *Secret City*. For decades, the specter of homosexuality haunted Washington. The mere suggestion that a person might be gay destroyed reputations, ended careers, and ruined lives. At the height of the Cold War, fear of homosexuality became intertwined with the growing threat of international communism, leading to a purge of gay men and lesbians from

the federal government. In the fevered atmosphere of political Washington, the secret "too loathsome to mention" held enormous, terrifying power. Utilizing thousands of pages of declassified documents, interviews with over one hundred people, and material unearthed from presidential libraries and archives around the country, *Secret City* is a chronicle of American politics like no other. Beginning with the tragic story of Sumner Welles, Franklin Delano

Roosevelt's brilliant diplomatic advisor and the man at the center of "the greatest national scandal since the existence of the United States," James Kirchick illuminates how homosexuality shaped each successive presidential administration through the end of the twentieth century. Cultural and political anxiety over gay people sparked a decades-long witch hunt, impacting everything from the rivalry between the CIA and the FBI to the

ascent of Joseph McCarthy, the struggle for Black civil rights, and the rise of the conservative movement. Among other revelations, Kirchick tells of the World War II-era gay spymaster who pioneered seduction as a tool of American espionage, the devoted aide whom Lyndon Johnson treated as a son yet abandoned once his homosexuality was discovered, and how allegations of a "homosexual ring" controlling Ronald Reagan nearly derailed his 1980

election victory. Magisterial in scope and intimate in detail, *Secret City* will forever transform our understanding of American history. *The Secret Parent* Harper Collins
In a future where the Population Police enforce the law limiting a family to only two children, Luke, an illegal third child, has lived all his twelve years in isolation and fear on his family's farm in this start to the *Shadow Children* series from Margaret Peterson Haddix. Luke has never been to school. He's

never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third child forbidden by the Population Police. He's lived his entire life in hiding, and now, with a new housing development replacing the woods next to his family's farm, he is no longer even allowed to go outside. Then, one day Luke sees a girl's face in the window of a house where he knows two other children already live.

Finally, he's met a shadow child like himself. Jen is willing to risk everything to come out of the shadows—does Luke dare to become involved in her dangerous plan? Can he afford not to?

The Secret Lake Worthy
 Kids/Ideals

Gabi is a young Jewish girl living in Czechoslovakia during the time of the Holocaust. Gradually life is getting harder and harder. Jews are bullied at school, they can't visit each other at a certain time, they have to walk everywhere, they are not allowed to go to non-Jewish stores, and finally Gabi's best friend deserts her because she is Jewish. One day, the Nazis start visiting all the houses looking for Jewish

children. In a tremendous act of courage, Gabi's mother protects Gabi from the soldiers by hiding her in their dining-room dresser. This is the story of author Kathy Kacer's own mother, who was the real-life Gabi. The only thing retrieved from their family's home after the war was the dresser that saved Gabi's life. It now sits in author Kathy Kacer's home in Toronto.

finale, Peter and Mary return to Jerusalem, where they witness Jesus' crucifixion and Resurrection. The Secret of the Hidden Scrolls series follows siblings Peter and Mary and their dog, Hank, as they discover ancient scrolls that transport them back to key moments in biblical history. In their ninth and final adventure, the trio travels back to Jerusalem during the height of Jesus' popularity. But as they follow Jesus and his disciples, they quickly learn that Jesus'

popularity makes him a target. Soon the religious leaders -- led by a familiar enemy -- have hatched a plan that causes one of Jesus' disciples to betray him, and Jesus is killed. With Jesus dead and time running out, will Peter and Mary be able to solve the secret of the scroll before they get stuck in the past forever? Join Peter, Mary, and Hank as they attend the Last Supper, witness Jesus' crucifixion, discover an empty tomb, and face the Enemy for the last time. Readers will be on the edge of their seats as

The Secret of the Hidden Scrolls hurtles to a close. **The Hidden Children** Ballantine Books Interviews with eighteen Jewish "hidden children" of France and Belgium, telling the story of their survival during World War II. The history of France's "hidden children" and of the French citizens who saved six out of seven Jewish children and three-fourths of the Jewish adult population from deportation during the Nazi occupation is little known to American readers. In The Hidden

Children of France, Danielle Bailly (a hidden child herself whose family travelled all over rural France before sending her to live with strangers who could protect her) reveals the stories behind the statistics of those who were saved by the extraordinary acts of ordinary people. Eighteen former "hidden children" describe their lives before, during, and after the war, recounting their incredible journeys and expressing their deepest gratitude to those who put themselves at risk to

save others. Danielle Bailly is one of the surviving “hidden children.” She was Professor of Linguistics at Paris Diderot University until 1998. Since then she has worked as a consultant and researcher. Betty Becker-Theye is Professor Emeritus and former Dean of the College of Fine Arts and Humanities at the University of Nebraska at Kearney and Adjunct Professor of Modern Languages at the University of Maine Hutchinson Center. She is

the author of *The Seducer as Mythic Figure* in Richardson, LaClos, and Kierkegaard.

The Name of this Book Is Secret Simon and Schuster

A mysterious scroll transports a brother and sister back in time to God's creation of the world in the first installment of this action-packed chapter book series for emerging readers. The Secret of the Hidden Scrolls series follows siblings Peter and Mary and their dog, Hank, as they discover ancient

scrolls that transport them back to key moments in biblical history. In the first adventure in the series, Peter and Mary find themselves witnesses to the creation of the world just as God is speaking it into existence. Can they unlock the mystery of the scrolls before they get trapped in history forever? Children will discover the answer as the two characters ride rhinos, meet the angel Michael, and talk to a certain snake in the Garden of Eden. Riveting

text and engaging illustrations bring this beloved Bible story to riotous life.

The Secret Garden

Scholastic Inc.

They hid wherever they could for as long as it took the Allies to win the war -- Jewish children, frightened, alone, often separated from their families. For months, even years, they faced the constant danger of discovery, fabricating new identities at a young age, sacrificing their childhoods to save their lives. These secret

survivors have suppressed these painful memories for decades. Now, in *The Hidden Children*, twenty-three adult survivors share their moving wartime experiences -- some for the first time. There is Rosa, who hid in an impoverished one-room farmhouse with three others, sleeping on a clay pallet behind a stove; Renee, who posed as a Catholic and was kept in a convent by nuns who knew her secret; and Richard, who lived in a closet with his family for

thirteen months. Their personal stories of belief and determination give a voice, at last, to the forgotten. Inspiring and life-affirming, *The Hidden Children* is an unparalleled document of witness, discovery, and the miracle of human courage.

Now that Kaz can finally pass through walls without feeling all “skizzy,” he can go explore Beckett’s secret room at the back of the

library. What he finds there is a mystery he never expected!

The Secret of Platform 13

OUP USA

Edgar Award-winning mystery novelist R. D. Rosen tells the story of the hidden children who survived the Holocaust through the lives of three girls hidden in three different countries—among the less than 10 percent of Jewish children in Europe to survive World War II—who went on to lead remarkable lives in New York City Only one in ten

Jewish children in Europe survived the Holocaust, many in hiding. In *Such Good Girls*, R. D. Rosen tells the story of these survivors through the true experiences of three girls. Sophie Turner-Zaretsky, who spent the war years believing she was an anti-Semitic Catholic schoolgirl, eventually became an esteemed radiation oncologist. Flora Hogman, protected by a succession of Christians, emerged from the war a lonely, lost orphan, but became a psychologist who pioneered the study

of hidden child survivors. Unlike Anne Frank, Carla Lessing made it through the war concealed with her family in the home of Dutch strangers before becoming a psychotherapist and key player in the creation of an international organization of hidden child survivors. In braiding the stories of three women who defied death by learning to be “such good girls,” Rosen examines a silent and silenced generation—the last living cohort of Holocaust survivors. He

provides rich, memorable portraits of a handful of hunted children who, as adults, were determined to deny Hitler any more victories, and he recreates the extraordinary event that lured so many hidden child survivors out of their grown-up “hiding places” and finally brought them together.

The Secret of the Hidden Scrolls, Book 8 Simon & Schuster Books for Young Readers

In the thirty-five years since China instituted its One-Child Policy, 120,000

children—mostly girls—have left China through international adoption, including 85,000 to the United States. It’s generally assumed that this diaspora is the result of China’s approach to population control, but there is also the underlying belief that the majority of adoptees are daughters because the One-Child Policy often collides with the traditional preference for a son. While there is some truth to this, it does not tell the full story—a story

with deep personal resonance to Kay Ann Johnson, a China scholar and mother to an adopted Chinese daughter. Johnson spent years talking with the Chinese parents driven to relinquish their daughters during the brutal birth-planning campaigns of the 1990s and early 2000s, and, with China’s Hidden Children, she paints a startlingly different picture. The decision to give up a daughter, she shows, is not a facile one, but one almost always fraught with grief and

dictated by fear. Were it not for the constant threat of punishment for breaching the country's stringent birth-planning policies, most Chinese parents would have raised their daughters despite the cultural preference for sons. With clear understanding and compassion for the families, Johnson describes their desperate efforts to conceal the birth of second or third daughters from the authorities. As the Chinese government cracked down on those

caught concealing an out-of-plan child, strategies for surrendering children changed—from arranging adoptions or sending them to live with rural family to secret placement at carefully chosen doorsteps and, finally, abandonment in public places. In the twenty-first century, China's so-called abandoned children have increasingly become "stolen" children, as declining fertility rates have left the dwindling number of children available for adoption

more vulnerable to child trafficking. In addition, government seizures of locally—but illegally—adopted children and children hidden within their birth families mean that even legal adopters have unknowingly adopted children taken from parents and sent to orphanages. The image of the "unwanted daughter" remains commonplace in Western conceptions of China. With *China's Hidden Children*, Johnson reveals the complex web of love, secrecy, and pain woven in the coerced

decision to give one's child up for adoption and the profound negative impact China's birth-planning campaigns have on Chinese families.
