**Tekla Structures 2017 | TRAINING
PART 1 | Tekla Training** Tekla
Structures Manual ExerciseThe exercises

are divided into several smaller exercises, which build up into an application that creates a building frame and later produces drawings from that. Also usage of dialogs is included. In each exercise, you will see an image of the end result in Tekla Structures and you

can get the example code too. Introduction to self learning exercises | Tekla Developer ...
