Death in the Eastern Mediterranean (50-600 A.D.) Infobase Publishing
Throughout history, questions of life and death, famine and bounty, good and bad luck have puzzled people the world over,

and they have attempted to solve mysteries and allay fears in the same way - through the worship of gods. Arranged alphabetically from A-a, the sun goddess of Mesopotamia, to Zurvan, the Persian god of fate, Encyclopedia of Gods is the most broadly based work of reference yet produced on gods from all over the world. Giving equal emphasis to ancient mythology and contemporary religions, the entries explain the culture of origin

and the role of each god or goddess, while longer essays give details of artistic and literary references, known dates of worship and legends associated with the more important deities.

Coalgebraic logic is an important research topic in the areas of concurrency theory, semantics, transition systems and modal logics. It provides a general approach to modeling systems, allowing us to apply

important results from coalgebras, universal algebra and category theory in novel ways. Stochastic systems provide important tools for systems modeling, and recent work shows that categorical reasoning may lead to new insights, previously not available in a purely probabilistic setting. This book combines coalgebraic reasoning, stochastic systems and logics. It provides an insight into the principles of coalgebraic logic from a categorical point of view, and applies these systems to interpretations of stochastic coalgebraic logics, which include well-known modal logics and continuous time branching logics. The author introduces stochastic systems together with their probabilistic and categorical foundations and gives a comprehensive discussion of the Giry monad as the underlying categorical construction, presenting many new, hitherto unpublished results. He discusses modal logics, introduces their probabilistic interpretations, and then proceeds to an analysis of Kripke models for coalgebraic logics. The book will be of interest to researchers in theoretical computer science, logic and category theory.

Stochastic Coalgebraic Logic iUniverse
Includes information on doing genealogical research in Croatia, Bulgaria, Hungary, Eastern Europe, Poland, and Greece and research techniques such as interpreting family histories and ancestry DNA test results, collecting personal histories and interviewing older adults, recovering and preserving documents and other forms of information.

Encyclopedia of Gods

Virtualbookworm.com Publishing
Lesia's life in volume one and two took her on a journey from Jerusalem, Rome, Patra, Greece, and Ukraine. She kept the heartbeat of love inside her mind, reminding her that soon she would be reunited with her soul mate. Things did not go as she had hoped. A big dream was born inside this new-age woman. She will break the mold of where and what women were doing in her timeline. She now accepts the challenge of building an Andrew School for children and especially orphans. Her children would for sure not have slave-posted ears. Her slave earring is gone, but memories would sometimes surface. She ponders that maybe she will be only an old school maid. Her sandals

were divided; she gave Jacob the right one, and is now unhappy with her decision. She decides she would never separate them again. Now, the sandal, with God's help, begins an important maze journey for Jacob, Nathanael, Philip, and his sister, Mariamne, along with Mugface and his family. With ensuing international turmoil in the latter end of the maze, Lee Chin meets the Zhang Family. Speculus the gladiator has now gotten into her human desire! Was her last hug with Dylan leaving the mark of a son on her heart? Will this child face his destiny with no parents or country? Will everyone reach the end and be one big family? My novel was written in volumes, bringing my dream to life! Hopefully someday as a movie and enjoyment for all ages.

Mick Plain Jane Books

Book 1 in the bestselling 3-book international political thriller series that has sold over 475,000 copies! "Rosenberg has ripped a page from current headlines with a heart-stopping plot about the Islamic State." —Publishers Weekly "His novels are un-put-downable." —Steve Forbes, editor in chief, Forbes magazine
When New York Times foreign

correspondent J. B. Collins hears rumors that an al-Qaeda splinter cell—ISIS—has captured a cache of chemical weapons inside Syria, he knows this is a story he must pursue at all costs. Does the commander of the jihadist faction really have weapons of mass destruction? If so, who is the intended target? The U.S.? Israel? Or someone else? With tensions already high, the impending visit of the American president to the region could prove to be the spark that sets off an explosion of horrendous proportions. Knowing that terrorist forces are already trying to bring down two Arab governments in the region—Iraq and Syria—can Collins uncover the truth before it's too late? Or will the terrorists succeed in setting their sights on the third target and achieving genocide?

The Fifth Element of Love NavPress
The rules: no kissing on the mouth, no staying the night, no telling anyone, and above all... No falling in love. Anna Jones just wants to finish college and figure out her life. Falling for star quarterback Drew Baylor is certainly not on her to do list. Confident and charming, he lives in the limelight and is way too gorgeous for his

own good. If only she could ignore his heated stares and stop thinking about doing hot and dirty things with him. Easy right? Too bad he's committed to making her break every rule... Football has been good to Drew. It's given him recognition, two National Championships, and the Heisman. But what he really craves is sexy yet prickly Anna Jones. Her cutting humor and blatant disregard for his fame turns him on like nothing else. But there's one problem: she's shut him down. Completely. That is until a chance encounter leads to the hottest sex of their lives, along with the possibility of something great. Unfortunately, Anna wants it to remain a hook up. Now it's up to Drew to tempt her with more: more sex, more satisfaction, more time with him. Until she's truly hooked. It's a good thing Drew knows all about winning. All's fair in love and football...Game on.

"A new adult novel about an American who visits New Zealand and falls in love on his journey"--

102 Ways to Apply Career Training in Family History/Genealogy Open Road Media

Antigone Samellas examines the modes of reception of Jesus' message of salvation. She explores the Greek and Jewish influence on Christian eschatology and traces the Hellenistic roots of Christian consolation philosophy. The author examines Christianity as a 'total therapy of grief' and highlights the differences that existed between the religious cures and the Hellenistic philosophical therapies. To gain a better understanding of the process of conversion to the new faith Antigone Samellas also investigates which aspects of Christianity were appealing and which repugnant in the eyes of pagans and Jews. Finally, she attempts to convey something of the wisdom of the East, in all its cultural and religious nuances, to the modern reader.

NEW YORK TIMES AND USA TODAY
BESTSELLER! "I've loved every one of Susanna's books! She has bedrock research and a butterfly's delicate touch with characters—sure recipe for historical fiction that sucks you in and won't let go!"—DIANA GABALDON, #1 New York Times bestselling author of *Outlander* A riveting and romantic journey through

time, *The Rose Garden* drops a modern woman into the middle of a historical fiction novel when she's thrown back to 18th century Cornwall—only to find that might just be where she belongs. After the death of her sister, Eva Ward leaves Hollywood and all its celebrities behind to return to the only place she feels she truly belongs, the old house on the coast of Cornwall, England. She's seeking comfort in memories of childhood summers, but what she finds is mysterious voices and hidden pathways that sweep her not only into the past, but also into the arms of a man who is not of her time. Soon Eva discovers that the man, Daniel Butler, is very, very real and he draws her into a world of intrigue, treason, and love. Inside the old British house, begins to question her place in the present, she realizes she must decide where she really belongs: in the life she knows or the past she feels so drawn towards. A brilliant escape that gives one woman the chance to time-travel and find her place in British history, *The Rose Garden* presents Susanna Kearsley's signature combination of romance and fascinating historical fiction at its very best. Also by Susanna Kearsley:

The Winter Sea *The Firebird* *A Desperate Fortune* *Named of the Dragon* *The Shadowy Horses* *The Splendour Falls* *Season of Storms* *Mariana Bellewether* *Jake Understood* *Simon and Schuster*

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. *Overcoming School Refusal* helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include:

- types of school refusers
- why children refuse to go to school
- symptoms
- short term and long term

consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

NOTE: This is a "clean read" edition of "Anissa's Redemption" (i.e., this version has no profanity and minimally described intimacy). Due to war themes, the book is not recommended for readers under 16. Anissa Toma fled war-torn Syria after narrowly escaping the massacre of her Christian family by Islamists. Fortunate enough to rebuild her shattered life in New York City, she soon captured the interest of two powerful men: Michael, an activist working to establish Antioch, the first Mideast Christian state, and Julien, her college professor and one of the city's wealthiest bachelors. As Anissa's saga continues, the refugee-turned-rising-star must navigate between Michael and Julien, while trying to help her surviving relatives and other vulnerable Christians in Syria. As she gets closer to both men in a complex and evolving love triangle, can

she unlock Julien's traumatic childhood to open up his heart? Or will Julien find greater solace from his nightmares and other demons in the sessions with his intriguing therapist? What will Michael do for Antioch and for Anissa? How far will each person go to help Anissa's remaining family and other persecuted Christians at risk in Syria? Find out in this stunning sequel to "Anissa of Syria" (which is summarized in a detailed synopsis for those who wish to read this book as a standalone).

"He's a smart little mother*****, I'll give him that." —KEITH RICHARDS on MICK JAGGER IS he Jumpin' Jack Flash? A Street Fighting Man? A Man of Wealth and Taste? All this, it turns out, and far more. By any definition, Mick Jagger is a force of nature, a complete original—and undeniably one of the dominant cultural figures of our time. Swaggering, strutting, sometimes elusive, always spellbinding, he grabbed us by our collective throat a half-century ago and—unlike so many of his gifted peers—never let go. For decades, Mick has jealously guarded his many shocking

secrets—until now. As the Rolling Stones mark their 50th anniversary, journalist and #1 New York Times bestselling author Christopher Andersen tears the mask from rock's most complex and enigmatic icon in a no-holds-barred biography as impossible to ignore as Jagger himself. Based on interviews with friends, family members, fellow music legends, and industry insiders—as well as wives and legions of lovers—MICK sheds new light on a man whose very name defines an era and candidly reveals: —New details about Jagger's jaw-dropping sexual exploits with more than four thousand women (including Madonna, Angelina Jolie, Carly Simon, Linda Ronstadt, Uma Thurman, and France's First Lady Carla Bruni)—as well as his encounters with several of rock's biggest male stars. Also, the day Mick's wife Jerry Hall and Keith Richards pleaded with Jagger to seek treatment for sex addiction. —The backstage drama surrounding Mick's knighthood, and Jagger's little-known ties to Britain's Royal Family, including Prince William and Kate Middleton. —What he really thinks of today's superstars—including Lady Gaga, Britney Spears, Beyoncé, Justin

Timberlake, Kanye West, and Justin Bieber. —Never-before-revealed, behind-the-scenes accounts of his often turbulent relationships—from his band-mates, ravenous groupies, and rabid fans to such intimates as Andy Warhol, John Lennon, Jackie Onassis, Bill Clinton, and others. —Cocaine, LSD, hashish, and speed—the flabbergasting truth about the extent of Jagger's substance abuse, and how long it really went on. —A rare glimpse into Mick's business dealings and the killer instinct that has enabled him to amass a personal fortune well in excess of \$400 million. —The stormy "marriage" between Mick and Keith that nearly ran aground over Keith's searing comments—and all the scandal, mayhem, excess, madness, and genius that went into making the Rolling Stones "the world's greatest rock-and-roll band." Like its subject, this book is explosive and riveting—the definitive biography of a living legend who has kept us thrilled, confounded, and astounded. THIS IS MICK.

The Secret Diary of Adrian Mole, Aged 13 3/4 Farrar, Straus and Giroux (BYR)

The final chapter in the beloved chronicles of an angsty Brit begun in *The Secret*

Diary of Adrian Mole Aged 13¾ is “a tour de force by a comic genius” (Daily Mail). Am I turning into one of those middle-aged men who think the country has gone to the dogs and that there has been no decent music since Abba? Hard to believe! Adrian Mole is pushing forty, a beleaguered bookseller looking back through the wistful eyes of an unrecognized intellectual and, admittedly, pretty much of an Everyman. But he’s also looking forward, despite a few things: His five-year-old daughter is showing alarming Stalinist traits; his son is fighting the Taliban and he’s worried sick; his unfaithful wife is keeping a diary of her own and it’s all rather heartbreaking; frequent urination has made him fear trouble “down there;” and his mother is penning a misery memoir that is one gross slog of a lie (born an aristocrat in a Norfolk potato field, indeed!). Then one day he receives a phone call out of the blue from the great and only love his life: Pandora Braithwaite. “Do you think of me?” she asks. Only ever since he was 13¾ . . . Adrian Mole’s epic and hilarious chronicle of angst over a quarter century has sold more than twenty million copies

worldwide, and been adapted for television and staged as a musical—truly “a phenomenon” (The Washington Post). This final volume is “like rediscovering an old school friend on Facebook” (Time Out), and “if [it] isn’t the best book published this year, I’ll eat my bookshelf” (Daily Mail).

The Syrian Virgin Yale University Press
Abby Abernathy is re-inventing herself as the good girl as she begins her freshman year at college, which is why she must resist lean, cut, and tattooed Travis Maddox, a classic bad boy.

The Hook Up Macmillan

*** This novel contains a detailed synopsis of book 1 in the series and can be read as a standalone. Anissa Toma fled war-torn Syria after narrowly escaping the massacre of her Christian family by Islamists. Fortunate enough to rebuild her shattered life in New York City, the young refugee gained admission to an elite

college, where she excelled. Her beauty, brains, and purity soon captured the interest of two powerful men: Michael, an activist working to establish Antioch, the first Mideast Christian state, and Julien, her professor and one of the city's wealthiest bachelors. As Anissa's saga continues, the refugee-turned-rising-star must navigate between Michael and Julien, while trying to help her surviving relatives and other vulnerable Christians in Syria. As she gets closer to both men in a complex and evolving love triangle, can she unlock Julien's traumatic childhood to open up his heart? Or will Julien find greater solace from his nightmares and other demons in the sessions with his intriguing therapist? What will Michael do for Antioch and for Anissa, and what will Julien's role be? How far will each person go to help Anissa's remaining family and other persecuted Christians at risk in Syria? Find out in this stunning sequel to "The Syrian Virgin." WARNING: This book is about a young woman's difficult journey: her escape from Syria's Civil War, her transition to a new a country, and the relationships that she forms along the way, including her romantic interests in

two very different men. The story is set against the backdrop of the Syrian Civil War and makes reference to violent acts, sometimes in detail. There is some occasional profanity and a few scenes that depict sexual intimacy. Accordingly, the recommended minimum age for readers is 16. The novel might be compared to books like "The Diary of Anne Frank" or "The Kite Runner."

The Handbook of Social Control

Penelope Ward Books, Inc.

In school, Yuri is taught that the revolution liberated his country. He learns how the new leaders are always working for the greater good. But the truth is that life for his family and those around him is a brutal, poverty-stricken struggle. The government does nothing except punish those who protest. And one day, to his shock and horror, Yuri himself is branded an "enemy of the state" simply for dropping a few careless words. In an author's note, Anne Fine describes *The Road of Bones* as an adventure-escape story set in "a sort-of Russia, in a sort-of 1930s, under a Stalin-type leader." This chilling political thriller follows the frantic footsteps of a teenager on the run, a

criminal who hasn't committed a crime, a young man on a path to discovering the truth about how far he will go in order to survive.

Beautiful Disaster Signed Limited Edition
Springer Science & Business Media
British adolescent angst has never been so "laugh-out-loud funny" as in this first encounter with a sharp-witted, pining, and achingly honest underdog (The New York Times). Perhaps when I am famous and my diary is discovered, people will understand the torment of being a 13¾-year-old undiscovered intellectual. Adrian Mole is approaching fourteen, and like all radical intellectuals he must amass his grievances: His acne vulgaris is grotesque; his crush, Pandora, received seventeen Valentine's Day cards; his PE teacher is a sadist; he fears his parents' marriage is over since they no longer smoke together; his dog has gone AWOL; no one appreciates his poetry; and *Animal Farm* has set him off pork for good. If everyone were as appalled as Adrian Mole, it would be a better world. Introducing "one of literature's most endearing figures": a luckless adolescent of great expectations and dwindling patience who knows all—or

believes he does—and tells all (The Observer). First published in 1982, Adrian's chronicle of angst has sold more than twenty million copies worldwide, spawned seven sequels, and been adapted for television and staged as a musical. Here's where it all began.

Where Sea Meets Sky Open Road Media
Monasticism, in all of its variations, was a feature of almost every landscape in the medieval West. So ubiquitous were religious women and men throughout the Middle Ages that all medievalists encounter monasticism in their intellectual worlds. While there is enormous interest in medieval monasticism among Anglophone scholars, language is often a barrier to accessing some of the most important and groundbreaking research emerging from Europe. *The Cambridge History of Medieval Monasticism in the Latin West* offers a comprehensive treatment of medieval monasticism, from Late Antiquity to the end of the Middle Ages. The essays,

specially commissioned for this volume and written by an international team of scholars, with contributors from Australia,

Belgium, Canada, England, France, Germany, Italy, the Netherlands, Spain, Switzerland, and the United States, cover

a range of topics and themes and represent the most up-to-date discoveries on this topic.
