Captivated by You: Crossfire Series, Book 4, is built using alternating chapters from the two main characters', Gideon's and Eva's, first-person perspectives. Captivated by You uses a unique and most refreshing literary device for romance genre, and one which proves emotional-ly anchoring for the reader and the couple. Also, unlike many other romance flicks, this book attempts to bring in and deal with some weightier, real-life issues. The narrative in this book is female focused, as every attention is given to what we know about female readership preferences. Our male hero, Gideon, is attentive, rich, good-looking - and (bonus, cherry-on-top) yes ladies he cooks in the kitchen - not just in bed! Eva and most fe-male readership will resonate with his continual doting. Gideon is very needy on the love he both gives to and gets from Eva. This is so much so, that the book's title Captivated By You is understated and might be better renamed, Can't Live an Hour Without You. (Yes, it's a tongue in cheek title - or at least his tongue in her cheek(s) title.) The two main characters are, Gideon, the book's central character, and Eva, the protagonist. Gideon and Eva are two professional 20-somethings and painfully needy. Largely, their

needi-ness stems from their abusive sexual pasts. While, both characters come from prior dysfunction, they meet their codependent states mostly with boxers down and skirts up. In this novel, sex is the glue holds all chapters together. There is Monday-night sex, early morning sex, wet shower sex, dry sex, make-up sex, midday sex, weekend sex, after work sex, and sex after sex .... And, yes, this sex starts to wear thin (as likely so do the sheets) about chapter 10 or 11. However, somewhere between psychosis and gratification, the two seem to truly love one another, as even the primal nature of the page garners Gideon's "Angel mine," and reflective poetry. The softness of Gideon's poetic times provide balance for the violent foreshadowing which may be occurring in Day's narrative. Download your copy today! I didn't want to. He was my addiction...my every desire...mine. My past was as violent as his, and I was just as broken. We'd never work. It was too hard, too painful...except when it was perfect. Those moments when the driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion would take us beyond our limits to the sweetest, sharpest edge of obsession...

Urged by her boss and best friend Lauren to find a distraction from ineffectual dating apps, Paige volunteers with a cat rescue organization, where she actually meets a guy with some real relationship potential. Recent law school grad Josh Harlow is putting in long hours at a Manhattan law firm as he gets over a messy breakup. When his boss requires him to do some volunteer work, Josh's sister sets him up to help capture feral cats. Partnered with Paige, Josh is insistently drawn to the dynamic event planner and sparks between them fly. One problem: after a steamy night together, Paige discovers Josh is Lauren's brother and dating him would be a spectacularly awful idea. Particularly considering Paige's track record. Gideon Cross. "Gideon Cross came into my life like lightning in the darkness. He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily. Gideon knew. He had demons of his own. SCHOOL FOR SCANDAL: James Bell, Viscount Ormond, is a shameless rake, infamous for his skills in seduction--and Claire Russell doesn't intend for her sister to become his latest conquest. That is why she's come to the viscount's private masked ball. The flagrant sensuality and unabashed decadence on display there are shocking, but they are nothing compared to the scandalous fire Claire feels when James makes a wholly improper suggestion--improper, indecent, and very, very tempting. MISCHIEF AND THE MARQUESS: Justin, the Marquess of Fontaine and Lady Sophie Milton-Riley have no desire to marry. To satisfy their mothers' insistence that they would be quite right together, they set out to demonstrate how completely ill suited they are for one another. Justin is allergic to her perfume. Sophie dislikes his dogs. He prefers blondes; she, brunette men. But the more they seek to prove how wrong their union would be, the more right things feel. And when opposites attract, there's no denying the sparks or the heat. RUBY KISS: Susannah Fowler is in possession of many temptations--an independent nature, a quick wit, and lush curves. She is also in possession of a fortune in stolen jewels hidden within her favorite corset. If rakehell Carlyle Jameson wants it, he will have to remove it himself. From her boudoir or from her body. One kiss ought to distract her, but one kiss leads to another and another, till there's no turning back and no desire to try.

From #1 New York Times bestselling author Sylvia Day comes a story of the ultimate seduction. . . . Max Westin. Sex incarnate. She could smell it, feel it with his proximity. Everything about him was a little rough, a little gritty. He was a primitive creature. Just

like her. He held her hand a little too long, his gaze, under thick lashes, clearly stating his intention to have her. To tame her. . . . "Victoria." Her name, just one word, but spoken with such possession she could almost feel the collar around her neck. "It's in your nature," he murmured. "The desire to be taken." In this game of cat and mouse, everything is an illusion, but the passion is as real as it gets. . . .

I'm good at hiding my feelings. Having to pretend I'm not in love with my best friend? Pfft. That's child's play. Here's how I do it: I avert my eyes when he walks out of his room, shirtless in all his toned glory. I squash the butterflies that fill my stomach every time he slowly unfurls a dimpled smile. And, most importantly, I keep an arsenal of "personal massagers" in my bedside drawer. Wink. Not to brag, but Aiden Smith isn't hard to resist if you've been doing it for as long as I have. In fact, we might have continued as best friends forever if not for the fact that I needed him to play the part of my fake boyfriend. Date me like you mean it, I told him. Nudge nudge. C'mon, just go along with a little lie, help a girl out, and then we can all return to life as we know it. Except he veered from the plan. He crossed the line. Flirting with me when no one else was around? Pinning me down and kissing me like that? Okay, how exactly is taking off my bra part of the ruse, Aiden?! I'd ask him about it if I could, but well...things got ugly and we're not best friends anymore. In fact, we're the exact opposite. Now, I have to play nice even though I want to crush his heart in the palm of my hand. Pretending not to love Aiden was the easy part. Pretending not to hate him? Well...I might need a little more practice.
