Brilliant guide to the many places in New Zealand where you can buy everything you need to make your own textile-based crafts.

Aimed at those who get warm fuzzies just walking into a wool shop, simply have to stroke the fabric at the quilt store, and long to touch the textiles at museums, this roundup of New Zealand's craftiest places will go down a treat. The book lists treasure troves for fabric lovers, embroiderers, patchworkers, knitters, spinners and other crafty types to find not only materials but inspiration on the road. And because they need frequent cups of coffee to fuel their journey and somewhere to lay their head, the book includes some favourite places along the way. There are also excellent lists of great crafty blogs and events.

Quilters' Travel Companion Chalet Publications

50 Simple Yet Effective Ways to Keep Customers Happy and Coming Back for More Ultimately, every successful enterprise must attract, serve, and win the loyalty of customers by providing worthwhile products and delivering excellent service. Getting and maintaining loyal customers affect an organization's bottom line more than any ad campaign, marketing program, or PR effort.

This book is designed to get all managers and employees thinking about the little things that can make all the difference.

It's a quick read—you can finish it in less time than it takes to deal with one customer complaint. And if you put the information within this book into action, you will be able to decrease customer complaints considerably. It's packed with practical, applicable suggestions that can be put to work immediately, such as how to: Turn angry customers into lifelong clients Use a simple gesture to immediately put customers at ease Listen with more than your ears Easily give customers more than they expect Use negative feedback for positive action Managers and staff members alike can use this little manual to avoid the devastating ripple effects that turned-off customers can produce. It will easily show how everyone in a business, large or small, can creatively apply a constant flow of small, customer-centered innovations to create a consistent and persistent strengthening of your

customer base.

Studebaker and the Railroads is a history of the Studebaker Corporation and of the railroads that served it in and around the city of South Bend, Indiana. Both Studebaker and the railroads of northern Indiana have extensive and dramatic histories and there are many connections between the two. Studebaker lovers and railfans will equally enjoy the stories and facts reported. Divided into two volumes, *Studebaker and the Railroads* comprises over four hundred fifty pages and contains over three hundred fifty photographs, drawings, maps and diagrams. Volume 1 covers the Studebaker and the steam railroads that once decorated South Bend. Volume 2 covers the extensive electric railroad history of the area and includes a history of Studebaker's private in-plant railroad, the Chicago & South Bend, together with additional topics linking Studebaker and railroading. Both volumes feature detailed indexes. Volume 2 includes an extensive bibliography, numerous maps, and corporate history charts.

The Central and East African Directory Cambridge University Press

The Bee-all and End-all: The complete quilter's companion and essential resource, jam-packed with information, supplies, expert interviews, techniques, community, and inspiration.
