LOGAN ALEXIA

Oxford University Press Church sermons are designed to make the congregation reflect. This beautiful Saint Anthony journal makes it easy to reflect year-round, making it the perfect church companion or bible study aid. Prompts provide a guide for documenting important

information for later reflection. This portable journal provides space to record the date, speaker, sermon references, personal notes, gospel keywords, and even prayer requests. Make mass a moment to remember with this beautiful pocketbook. This diary is a must-have accessory for Catholics and priests. A wonderful addition to any Christian literary collection.

Great gift for fans of Saint Anthony, the patron saint of lost things, lost souls, lost people, the poor, the oppressed, the elderly, pregnant women, and amputees. *Saint Anthony, Herald of the Good News* Paulist Press Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic

works in affordable, high quality, modern editions, using the original text and artwork.

St. Anthony of Padua The Word Among Us Press The reputation of the wonders and miracles performed by St. Anthony of Padua found its place in the first biographies devoted to him. Among these was The Book of Miracles which the Franciscan Arnaud de Serranne, provincial of Aquitaine in

the 14th century, included in his Chronicles of the beginning of the Order of Friars Minor, and from which are drawn these Fioretti. This widespread work was the main inspiration for the iconography of St. Anthony, of which a few examples highlight this book. As for the wonders themselves related here, if they appeal to a sensitivity different from ours, nonetheless they are proof of a candor, of

a poetry and sincerity that have preserved a moving freshness. *For Catholics* Paulist Press The Sermon of Saint Anthony to the Fish and Other Texts Tagus **Monastic Visions** Tagus Bares the soul of a saint and reveals the methods which were so successful for him in converting others. From age 5 he was haunted by the thought of the souls about to fall into Hell. This insight fueled his powerful

drive to save as many souls as he could. Franciscan Media The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the

King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance. *The Autobiography of St. Anthony Mary Claret* Pomona Press

These three works form the chief sources of the saint's life and the beginnings of the Franciscan Order which he founded in 1212. Born at Assisi in 1182, St Francis embraced a life of holy poverty after a gay and sometimes extravagant youth. At the age of twenty-two he fought with great spirit and was taken prisoner in a petty feud between the town of Assisi and Perugia. During his captivity he reflected on

his former mode of life, but attempted to take up arms once more on his recovery. However, a second illness intervened, and after a period in which wordly pleasure and spiritual counsels sought mastery and he finally determined to dedicate his life and work to God. Through pilgrimage, devotion, example and simple teaching he became one of the great Christian

reformers. 'Whatever accretions of legendary material', says Fr McKay in his Introduction, 'have crept in here and there to heighten the colours of St Francis's portrait, they are undoubtedly in keeping with the total impressions which St. Francis made upon the world of his day.' Moreover St Francis was the very opposite of a sour Puritan: we are told he was the 'most

joyous of saints, and would have no sad, long faces about him, and always rebuked any friar that was gloomy or melancholy.' He wanted his friars to be joculatores Dei ('the minstrels of God'). The Little Flowers is translated from the 'Fioretti', an Italian translation of a Latin original of which the earliest extant manuscript is one of 1390. It is a narration of miracle and hymn

connected with the saint and his friars. The Mirror of Perfection is based on documents and memoirs left by Friar Leo, St Francis's favourite disciple, and was completed about 1318. St Bonaventure wrote the Life of St Francis c. 1260, intending it to stand as an authoritative Life and to supersede the numerous fragmentary biographies then in circulation. Anecdotes Proving the

Miraculous Power of St. Anthony Liturgical Press Based on a phenomenally popular blog post, a simple and counterintuitive approach to finding true joy When Luminita Saviuc, founder the PurposeFairy blog, posted a list of things to let go in order to be happy, she had no idea that it would go viral, shared more than 1.2 million times and counting. Based on that inspiring post,

this heartfelt book gives readers permission to give up--that is, to let go of the bad habits that are holding them back from achieving authentic happiness and living their best lives. Lessons include: · Give Up the Past · Give Up Your Limiting Beliefs · Give Up Blaming Others · Give Up the Need to Always Be Right · Give Up Labels · Give Up Attachment Simple yet wise, and informed by

the author's own inspiring personal journey, this liberating little book presents a fresh twist on happiness advice: take a step back to reflect, and give yourself permission to let things go. Includes a foreword by Vishen Lakhiani, New York Times- bestselling author of *The Code of the Extraordinary Mind* and founder and CEO of Mindvalley. Saint Anthony TAN Books Perhaps the most moving preacher in

Medieval Europe, St. Anthony of Padua, the son of a wealthy family in Portugal, gave up everything to follow Christ and join the Franciscans. This touching book recounts the wonderful life of this popular saint and Doctor of the Church. Come see what made St. Anthony so popular during his life and what makes him such an appealing saint for people today The Gospel According to Matthew The

and Brazil in the service of the church and the Portuguese crown. His sermons are among the most renowned pieces of baroque oratory in the Portuguese language. These carefully selected sermons offer insight into Vieira's visionary thought on social and spiritual matters. In the Sermon for the Success of Portuguese Arms against the Dutch, Vieira inveighs

against God for His apparent abandonment of the Portuguese and begs for divine intervention. His Sermon of St. Anthony is an allegory that addresses the inequities that he witnessed in Brazil. The Sexagesima Sermon parodies literary clichés from his time while prescribing a more effective, if harsher, style of preaching. The Sermon of the Good Thief is a rebuke to the imperial

officials who used their positions for personal enrichment, and a warning to kings against complicity with corruption. Vieira's Sermon XXVII addresses African slaves and their Brazilian masters, attempting to comfort the first group in their trials and to admonish the second for their brutality. Finally, the Sermon called Arm tells the story of the relic of Francis Xavier's arm sent from

India to Italy in 1614, and pays tribute to the obedience of Vieira's Jesuit predecessor.

Merton shows us how to draw out the richness of worship from the psalter and to use it to achieve "the peace that comes from submission to God's will and from perfect confidence in him".....Catholic Review Service

Sermon on St. Joseph
Médiaspaul
An Encomium on Saint Anthony by John of Schmun A letter to the Disciples of Antony by Serapion of Thmuis
Instrumental in the conversion of many, including St. Augustine,
The Life of Antony provided the model saint's life and constitutes, in the words of patristics scholar Johannes Quasten, 'the most important

document of early monasticism.' Here is one volume are translations of the text in the Greek written by Athanasius (from the new critical edition of G. J. M. Bartelink) and in the Coptic, the language Antony himself spoke. Two short contemporary coptic texts further manifest the powerful influence of 'the father of monks.'

Miraculous
Power of Saint
Anthony of
Padua
Brunauer

Press
St. Anthony of Padua and Lisbon, one of Christianity's best loved saints, is a man of many titles: glory of the Franciscan order, star of sanctity, hammer of heretics, comforter of the afflicted, counselor of the erring, miracle worker. Who is the person behind the praise? How did the people of his time view the saint? St. Anthony: Words of Fire, Life of Light is a novelized biography of

the life and times of St. Anthony. Madeline Pecora Nugent, SFO, makes an imaginative journey into the lives and souls of some of the many people who lived with, confided in, heeded, or defied the saint. In meeting those whose lives St. Anthony touched, the reader will come to understand and love the saint. Book jacket.
