Link must defeat evil at every turn in his perilous quest to help Princess Zelda! Once upon a time, wizards tried to conquer the Sacred Realm of Hyrule. The

Spirits of Light sealed the wizards' power within the Shadow Crystal and banished them to the Twilight Realm beyond the Mirror of Twilight. Now, an evil menace is trying to find Midna, Princess of the Twilight Realm, and the fragments of the Shadow Crystal to gain the power to rule over both the Twilight Realm and the World of Light. Link and Midna head for Death Mountain to dispel the darkness that is plaguing the Gorons and hopefully obtain another shard of the Shadow Crystal. If they can recover the shard they'll only need to find one more piece of the Crystal. But their journey is far from over—shadows are gathering at Hyrule Castle and there are still many grave dangers and terrible foes to face! [The Legend of Zelda](#) Brady

What will a person give to forsake his destiny? From his very incarnation,

Mordred has been a pawn in Camelot's history. Foretold by Merlin that he will grow up to kill his father, the beloved King Arthur, young Mordred struggles with his fate, loathing the great king who tried to kill him as a baby, yet journeying to Camelot where he learns to serve and idolize the legendary leader. Torn between feelings of love and hate, Mordred yearns to make peace with Arthur, who still refuses to acknowledge him. But Mordred is determined to have peace at any price--even if it costs him his soul. In *I Am Mordred*, one of the most fascinating and misunderstood heroes of Arthurian lore comes to life in an epic fantasy for Camelot fans. "In language worthy of her heroic subject, Springer reworks Arthuriana to craft an original tale resonant with archetypal

themes of love, loss, betrayal and reconciliation. Her strong female characters and bold recasting of traditional villains and heroes will draw the rapt attention of both sexes."

—Publishers Weekly

Link must defeat evil at every turn in his perilous quest to help Princess Zelda! Once upon a time, wizards tried to conquer the Sacred Realm of Hyrule. The Spirits of Light sealed the wizards' power within the Shadow Crystal and banished them to the Twilight Realm beyond the Mirror of Twilight. Now, an evil menace is trying to find Midna, Princess of the Twilight Realm, and the fragments of the Shadow Crystal to gain the power to rule over both the Twilight Realm and the World of Light. Midna tells Link about the time before she came to the world of Light and how the evil wizard Zant turned her into her current form. Bitter and angry, Midna only used other people

to get her revenge. Link needs Midna's help now more than ever, and his forgiveness may give her the strength to continue the fight. Ahead of them, in the Twilight Realm itself, lie greater dangers than they have faced before, as well as Midna's nemesis, the scheming sorcerer Zant.

The Legend Of Zelda has to offer! [League of Legends: Realms of Runeterra \(Official Companion\)](#) Dark Horse Comics It's dangerous to go alone! Take this (book). For more than 30 years, The Legend of Zelda—which immerses players in a courageous struggle against the shadowy forces of evil in a world of high fantasy—has spanned more than 30 different installments, selling over 75 million copies. Today, it is one of the most beloved video game franchises around the globe. Video game sales as a whole have continued to grow, now raking in twice as much money per year as the entire film industry, and countless psychologists have turned their attention to the effects gaming has on us: our confidence, our identity, and our personal growth. The Psychology of

Zelda applies the latest psychological findings, plus insights from classic psychology theory, to Link, Zelda, Hyrule, and the players who choose to wield the Master Sword. In *The Psychology of Zelda*, psychologists who love the games ask:

- How do Link's battles in *Ocarina of Time* against Dark Link, his monstrous doppelganger, mirror the difficulty of confronting our personal demons and the tendency to be our own worst enemies?
- What lessons about pursuing life's greater meaning can we take away from Link's quests through Hyrule and beyond the stereotypical video game scenario of rescuing a Princess (Zelda)?
- What do we experience as players when we hear that familiar royal lullaby on the ocarina, Saria's spirited melody in the Lost

Woods, or the iconic main theme on the title screen? • How do the obstacles throughout Majora's Mask represent the Five Stages of Grief? • What can Link's journey to overcome the loss of the fairy Navi teach us about understanding our own grief and depression? • Why are we psychologically drawn to the game each and every time a new version becomes available even when they all have a similar storyline? Think you've completed the quest? The Psychology of Zelda gives you new, thrilling dungeons to explore and even more puzzles to solve.
