Before there was Lois Lowry's *The Giver* or M. T. Anderson's *Feed*, there was Robert Cormier's *I Am the Cheese*, a subversive classic that broke new ground for YA literature. A boy's search for his father becomes a desperate journey to

unlock a secret past. But the past must not be remembered if the boy is to survive. As he searches for the truth that hovers at the edge of his mind, the boy—and readers—arrive at a shattering conclusion. "An absorbing, even brilliant job. The book is assembled in mosaic fashion: a tiny chip here, a chip there. . . . Everything is related to something else; everything builds and builds to a

fearsome climax. . . . [Cormier] has the knack of making horror out of the ordinary, as the masters of suspense know how to do."—*The New York Times Book Review*
"A horrifying tale of government corruption, espionage, and counter espionage told by an innocent young victim. . . . The buildup of suspense is terrific."—*School Library Journal*, starred review

If you could choose one person to bring back to life, who

would it be? Seventeen-year-old Lake Deveraux is the survivor of a car crash that killed her best friend and boyfriend. Now she faces an impossible choice. Resurrection technology changed the world, but strict laws allow just one resurrection per citizen, to be used on your eighteenth birthday or lost forever. You only have days to decide. For each grieving family, Lake is the best chance to

bring back their child. For Lake, it's the only way to reclaim a piece of happiness after her own family fell apart. And Lake must also grapple with a secret--and illegal--vow she made years ago to resurrect someone else. Someone who's not even dead yet. Who do you need most? As Lake's eighteenth birthday nears, secrets and betrayals new and old threaten to eclipse her

cherished memories. Lake has one chance to save a life...but can she live with her choice? *Wish You Well* Simon and Schuster Recounts the adventures of Mibs Beaumont, whose thirteenth birthday has revealed her "savvy"--a magical power unique to each member of her family--just as her father is injured in a terrible accident. In an Instant Penguin With this

stunning debut novel, New York Times bestselling author Lauren Oliver emerged as one of today's foremost authors of young adult fiction. Like Jay Asher's *Thirteen Reasons Why* and Gayle Forman's *If I Stay, Before I Fall* raises thought-provoking questions about love, death, and how one person's life can affect so many others. For popular high school senior

Samantha Kingston, February 12—"Cupid Day"—should be one big party, a day of valentines and roses and the privileges that come with being at the top of the social pyramid. And it is...until she dies in a terrible accident that night. However, she still wakes up the next morning. In fact, Sam lives the last day of her life seven times, until she realizes that by making even the slightest

changes, she may hold more power than she ever imagined. Before I Fall is now a major motion picture. Zoey Deutch, Halston Sage, and Kian Lawley. Named to numerous state reading lists, the novel was also recognized as a Best Book of the Year by Amazon.com, Barnes & Noble, The Daily Beast, NPR, and Publishers Weekly. *Elements of Life* Penguin

How much do we know ourselves is

critically very important and perhaps very essential. Life we do face many curves up and down while in course of life. Marriage, becoming parent, life traumas and recoveries, retiring from jobs, empty nest, loss of relations, death of beloved. So yes various experiences... We get tired sometimes and immediately ask a question "why me?," but do remember the universe is not short of any

wakeup calls we are just very quick in reactions. The four elements of life Air, Water, Earth, Fire are the only truth which than render the whole meaning of being as a human. Are we authentic? Are we living in courage? Are we kind and in patience? Are we grateful? How we face life and respond to life is all that matters. *Elements of Life* explores the options and choices which will help

you to live more in tune with what you want from life. Motivational chapters simple questions based on elements of life - air, fire, water and earth providing simple strategies of life help you to live in harmony with yourself, others and the world, enhancing you to be true to your values and to interact with others while being In more patience. To do otherwise is to foster

discontentment and unhappiness, but everyone wants to be in peace and lead a happy life in the end of the day. Living in moderation balancing all the elements of being authentic, being in peace, being grateful, being a little more compassionate can improve the very purpose of being in this awesome life. **A Novel** Grand Central Publishing "Gorgeous, heartbreaking, and ultimately life-affirming."

—Nicola Yoon, #1 New York Times bestselling author of Everything, Everything. Perfect for fans of Turtles All the Way Down, Thirteen Reasons Why, and Zentner's own The Serpent King, one of the most highly acclaimed YA novels of 2016, Goodbye Days asks what you would do if you could spend one last day with someone you lost. Where are you guys? Text me back. That's the last message

Carver Briggs will ever send his three best friends, Mars, Eli, and Blake. He never thought that it would lead to their death. Now Carver can't stop blaming himself for the accident and even worse, a powerful judge is pressuring the district attorney to open up a criminal investigation. Luckily, Carver has some unexpected allies: Eli's girlfriend, the only person to stand by him at school; Dr. Mendez, his

new therapist; and Blake's grandmother, who asks Carver to spend a "goodbye day" together to share their memories and say a proper farewell. Soon the other families are asking for their own goodbye day with Carver—but he's unsure of their motives. Will they all be able to make peace with their losses, or will these goodbye days bring Carver one step closer to a complete breakdown

On Such a Full

novelist than Chang-rae Lee today?"—Porochista Khakpour, *The Los Angeles Times*. From the beloved award-winning author of *Native Speaker*, *The Surrendered*, and *My Year Abroad*, a highly provocative, deeply affecting story of one woman's legendary quest in a shocking, future America. On *Such a Full Sea*, Chang-rae Lee's elegance of prose, his

masterly storytelling, and his long-standing interests in identity, culture, work, and love, and lifts them to a new plane. Stepping from the realistic and historical territories of his previous work, Lee brings us into a world created from scratch. Against a vividly imagined future America, Lee tells a stunning, surprising, and riveting story that will change the way readers

think about the world they live in. In a future, long-declining America, society is strictly stratified by class. Long-abandoned urban neighborhoods have been repurposed as highwalled, self-contained labor colonies. And the members of the labor class—descendants of those brought over en masse many years earlier from environmentally ruined provincial China—find purpose and

identity in their work to provide pristine produce and fish to the small, elite, satellite charter villages that ring the labor settlement. In this world lives Fan, a female fish-tank diver, who leaves her home in the B-Mor settlement (once known as Baltimore), when the man she loves mysteriously disappears. Fan's journey to find him takes her out of the safety of B-Mor, through the

anarchic Open Counties, where crime is rampant with scant governmental oversight, and to a faraway charter village, in a quest that will soon become legend to those she left behind. Strayed's Wild meets The Revenant in this heart-pounding story of survival and revenge in the unforgiving wilderness. After: Jess is alone. Her cabin has burned to the ground. She knows if she doesn't act fast, the cold will kill her before she has time to worry about food. But she is still alive—for now. Before: Jess hadn't seen her survivalist, off-the-grid dad in over a decade. But after a car

crash killed her mother and left her injured, she was forced to move to his cabin in the remote Canadian wilderness. Just as Jess was beginning to get to know him, a secret from his past paid them a visit, leaving her father dead and Jess stranded. After: With only her father's dog for company, Jess must forage and hunt for food, build shelter, and keep herself warm. Some days it feels like the

wild is out to destroy her, but she's stronger than she ever imagined. Jess will survive. She has to. She knows who killed her father...and she wants revenge. *If I Stay* Penguin Nick and Allie don't survive the crash, and now they are in limbo, stuck halfway between life and death, in a netherworld known as Everlost. Everlost is home to those who didn't make it to their final destination: A

magical yet dangerous place filled with shadows where lost souls run wild. Shocked and frightened, Nick and Allie aren't ready to rest in peace just yet. They want their lives back. Desperate for a way out, their search takes them deep into the uncharted regions of Everlost. But the longer they stay, the more they forget about their past lives. And with all memory of home fading fast and an unknown evil

lurking in the shadows, Nick and Allie may never escape this strange, terrible world. In this imaginative, supernatural thriller, Neal Shusterman explores questions of life, death, and what just might lie in between. Shipwreck Pearson UK The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent

society.

EVERYONE HAS TO COME OUT IN THE

OPEN
EVENTUALLY. A mysterious sniper is killing random New York City citizens every day at the same time. Detective Joe Bannon and his partner Hannah Trimble follow the breadcrumb trail of clues down repeated blind alleys. With citizens fearing to venture outside, the streets of Manhattan have become nearly deserted. When the sniper begins escalating the

profile of his targets, higher level government agencies are pulled in. But the shooter always seems to be one step ahead of the law and slips away whenever the authorities get close. As copycat killings begin spreading to other cities across the U.S., the President hatches a dangerous plan to trap the killer. Can Joe and Hannah catch the assassin before he executes the most closely

guarded man
in history?

deep in this

modern classic that will remind readers that adventure is right around the corner--or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the

boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something.

But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —New York Times
