A perfect holiday gift, this beautifully illustrated collection honoring one hundred exceptional "feminist saints" throughout history is sure to inspire women and men alike. "A new set of role models and heroes—'matron saints'—for the feminist future."—The New York Times Book Review "The women in this book . . . blazed trails where none existed before."—The Guardian In this luminous volume, New York Times bestselling writer Julia Pierpont and artist Manjit Thapp match short, vibrant, and surprising biographies with stunning portraits of secular female "saints": champions of strength and progress. These women broke ground, broke ceilings, and broke molds—including Maya Angelou • Jane Austen • Ruby Bridges • Rachel Carson • Shirley Chisholm • Marie Curie & Irène Joliot Curie • Isadora Duncan • Amelia Earhart • Artemisia Gentileschi • Grace Hopper • Dolores Huerta • Frida Kahlo • Billie Jean King • Audre Lorde • Wilma Mankiller • Toni Morrison • Michelle Obama • Sandra Day O'Connor • Sally Ride • Eleanor Roosevelt • Margaret Sanger • Sappho • Nina Simone • Gloria Steinem • Kanno Sugako • Harriet Tubman • Mae West • Virginia Woolf • Malala Yousafzai Open to any page and find daily inspiration and lasting delight. Praise for *The Little Book of Feminist Saints* "A whistle-stop tour of inspiring women . . . [The artwork] deserves to be framed in every woman's living room."—Diva "Short, snappy and inspiring [with] glorious visuals."—Psychologies "This beautifully illustrated collection offers daily inspiration and humorous anecdotes to remind you why we worship these women so."—Hello Giggles "An enticing collection . . . Pierpont's pithy write-ups are accompanied by Thapp's funky, wonderfully expressive color illustrations, making for an engaging picture-book experience for adults. . . . Bold and sassy . . . required reading for any seeking to broaden their historical knowledge."—Kirkus Reviews (starred review) "Small enough to tuck into a bag, this delightful book offers instant inspiration."—BookPage

An Illustrated Guide to Giving Her Amazing Orgasms Pan Macmillan Adult

Poetry. In his first full-length collection of poetry, *DIP MY PACIFIER IN WHISKEY*, Mathias Nelson's poems take the reader on an emotional journey where they are asked to view the world they already know just slightly askew. Nelson's honest and clear writing takes head on the reader's preconceived notions of just about everything imaginable from family and children to societal convention and the literary world. The reader learns early on that nothing is as expected, nothing predictable, and nothing sacred. "Mathias Nelson's poetry makes me excited about the US poetry scene again. This is the real deal, ladies and gentlemen, the kind of poems that make you forget that the whole art form is dying on its feet, makes you think that maybe—just maybe—that this Mathias guy with his beautiful, fucked up, dazzling poems could

be part of something that will shake the whole scene to its foundations."—Tony O'Neill

Stepan Kvardakov was born in 1988 in Ivanov, Russia. After graduating from University he moved to St. Petersburg in 2010. He was inspired to take up photography after his father gave him a Canon 7d camera. In 2013 he met Elena, who was to become his future wife, a very pretty and highly photogenic lady, and an experienced model. Stepan decided to advance his study of photography by joining Oleg Titiaevs and erotic photographer Dan Hechos master classes. After 18 months, Stepan succeeded in establishing his own, individual style of erotic pictures. Today he is an important contact person for some of the most beautiful girls in Russia. Perhaps that's the way it really is with love: you can only find it in abundance where there is a absence of money and wealth. But perhaps visitors to Russia only persuade themselves it is so. Particularly in St. Petersburg, it is clear that romance is not associated with embarrassment, and this applies to flirting as well as to making friends. And especially not to the ten days in June, the so-called White Nights, when the sun shines all night long. And, who knows, during your visit you might discover one of the beautiful models Stepan introduces us to in his first book of erotic photographs. The practiced eye of the male observer realizes that these girls know how to love. And they also love their city of St. Petersburg, so much so in fact, that they tenderly whisper Piter to it, their pet name for it. And as the lips turn upwards in a smile, as they do when saying the letter i in Piter we realize that these girls have just infected us with their love.

The Passion of Pussy Riot Simon and Schuster

A provocatively entertaining, savagely funny satire on Donald Trump by Britain's greatest comic novelist. Pussy is the story of Prince Fracassus, heir presumptive to the Duchy of Origen, famed for its golden-gated skyscrapers and casinos, who passes his boyhood watching reality shows on TV, imagining himself to be the Roman Emperor Nero, and fantasizing about hookers. He is idle, boastful, thin-skinned and egotistic; has no manners, no curiosity, no knowledge, no idea and no words in which to express them. Could he, in that case, be the very leader to make the country great again?

Lovely legs: A new low-cost tribute to the shapely pedestals of female charm The female leg is an erotic oddity: non-genital, and nearly identical in structure to the male limb, there is no obvious reason why it should be eroticized. Yet through much of history, across many cultures, the female leg was kept covered and treated as taboo, until it became an object of sexual obsession. In Victorian times, the word 'leg' was forbidden in polite society, lest gentlemen be driven wild with lust. Even now, 80 years after women's legs finally came out of hiding, their allure remains mysterious and powerful. The third in Dian Hanson's wildly successful series on erotic body parts is now downsized in a lighter, more portable edition that retains all the original photos and text. Explore how the female leg became central to women's emancipation, from the French Revolution to the sexual revolution. Over 400 photos document the first burlesque shows of the 1800s, the silk-stockinged flappers of the 20s, the nylon-mania of the 40s, the dawn of the stiletto in the 50s, and the golden age of leg magazines in the 60s. Who wore the first high heels, how did nylons become a weapon of war, why were Betty Grable's the "million dollar legs," where did Elmer Batters get his start, and just what is the deal with feet? The answers are all here, along with vintage photos by Irving Klaw, Peter Gowland, Bunny Yeager, Batters, and other great masters of leg art. Text in English, French, and German
