A guide, with examples, on how to read, observe, and interpret the language of the hands
How to Chart the Lines of Your Life Bantam

A comprehensive guide to the inner psychology revealed by the hand • Details how to interpret the entire hand--the shape of the palm and fingers, mounts, lines, fingerprints, flexibility, nails, and skin texture •

Reveals the personality archetypes, strengths, and weaknesses connected with each of the seven mounts and how the rest of the hand modifies these traits • Explains how lines change and the decisive influence of the person's own mind in healing defects found on the lines Palmistry is a science and a universal language. The hand tells a story about your talents, relationships, health, and how you feel about yourself. It reveals periods of ease or challenge in your life, and it speaks about your weaknesses and the traits you need to develop. As you change, so do your hands, reflecting the progress you have made. In this comprehensive guide to hand reading, based on Ellen Goldberg's 40 years of teaching palmistry and the Western Mystery tradition, the authors make the powerful

insights of the hand accessible in an inviting and user-friendly manner. The book presents the character traits and personality archetypes associated with each of the seven mounts of the palm and shows how to determine which are most influential in the nature of the individual. The mount archetypes reveal the lifestyle, love, sex, and marriage preferences; the best career choices; and the unique strengths and weaknesses for each person. The book also examines other factors that enhance the qualities revealed by the mount types, including the flexibility of the hand, texture of the skin, and the shapes of the fingers, fingertips, and nails. The meaning of each major and minor line is described in detail as well as the influence the person's own mind has in healing defects and

obstacles found on their lines. The authors also provide accurate timing guides for each line, making it possible to locate specific events and to see how your lines change over time.

Presenting the hand as a guide to self-fulfillment, *The Art and Science of Hand Reading* incorporates correspondences to other mystical sciences such as astrology, Kabbalah, the Hermetic teachings, and archetypal psychology. It also includes practical examples and more than 600 illustrations to show how to integrate the meanings of each part of the hand to form a complete picture of your inner psychology and your ever-changing destiny.

[Discover What the Future Holds--Life, Love, and Wealth--All in the Palm of Your Hand](#) Jazzybee

Verlag

First a little background about the book. The moment this book came out in the market, it became instant bestseller. In fact, there is nothing to be surprised about it, as the very name of Narayan Dutt Shrimali suggests mastery over the subject, and any book on palmistry or astrology written by him deserves such reception by readers.

According to palmistry our destiny is imprinted on our palms. The thinnest line on the palm has its own significance - even a single thread-line is important. Given the vast scope of the subject, this authoritative book on palmistry contains all aspects of this ancient art with clear illustrations and completes information in simple language. The author has given the gist of Indian as well as western views on palmistry and has maintained the fundamental differences and causes thereof. This practical self-learning compendium illustrates more than 240 palmistry combinations (Yog) which have been thoroughly explained. Not only the common readers but also experts of astrology and palmistry will also be greatly benefited by this book.

Guidebook and Deck for Contemporary Palmistry HarperElement

A third-generation gypsy palm-reader reveals his secret knowledge for the first time. Johnny Fincham reveals, for the first time in print, the existence and location of the palmistry's long-sought-after passion line, the key to understanding an individual's sexuality.

Using a balance of objectivity and native intuition, both the result of twenty years of reading, teaching and researching palmistry, this book leads readers gently through the journey to becoming a master palmist. With 160 illustrations and lucid instructions, Johnny Fincham shows how a good hand reading can be an enlightening, revelatory, magical experience, revealing knowledge that can literally change lives.

A Little Guide to Life's

Secrets V&S Publishers

Everyone knows that "the face can wear a mask," that a person may be a good actor and put on a certain expression that may deceive even the best judgment. But hands cannot change as the result of a mere effort to please; the character they express is the real nature of the individual—the true character that has been formed by heredity or that has grown up with the person by long years of habit. The characteristics alluded to below are those which may be easily observed and which are aids to a rapid judgment of character and which I have never before been able to give to the public in such a concise way.

The more elaborate details concerning the ultimate success of the person one is talking to, their more intimate character and their future development will be found in their proper place, in this book.

Secrets of Palm

Reading HarperThorsons 1935 Hand-Reading Made Easy - Illustrated. When this unique work was published the introduction was written by the incomparable Adrien Adolphe Desbarrolles, who devoted over fifty years to the intricate study of palmistry or chiromancy, as he preferred.

The Spellbinding Power of Palmistry Simon and Schuster

Presents an introduction to palmistry and describes how to give a palmistry reading.

Heather Roan Robbins brings you an accessible and practical system of palmistry that is easy to integrate into your daily life and deepens your understanding of yourself and the people you meet. Distilled from decades of experience, palmist and astrologer Heather Roan Robbins has developed a uniquely grounded but soul-centred approach to palmistry. She teaches

you how to explore the landscape of the hand and come to know the hills and valleys of the hand's contours, recognize the deep rivers of the major lines and listen to the bend of the fingers. When you understand the shape and form of a person's hand, you can understand their disposition. Get a glimpse of their lines and get a clue as to how they communicate.

Understanding the hand's topography will help you accept and deal with yourself, clients, family and co-workers alike. For those who want to become a professional palmist, *Everyday Palmistry* lays a good foundation in an accessible and memorable format. And for those of us who just want to know more about ourselves, this approach to palmistry offers a visual portrait of the patterns of our soul and can give us clues to how to bring ourselves and our lives into a better balance. Because the landscape of the hand changes over time, it reflects shifts in our life habits and the consequences of our major decisions. The hand is your energy conduit to the world. So let's paint a beautiful future with the power of our choices now.

Your Personal Guide

Dodona Books
