I put a whole lot of bad people in prison when I was a Denver Policeman. I arrested bank robbers, stick-ups, burglars, big time drug dealers, guys who kidnapped babies, murderers, arsonists, rapist, FBI top ten most wanted, drunk drivers, felons with guns, child molesters and a many other criminals. I loved my job so much that if I could have afforded it I would have paid to be a policeman. My wife of 55yrs told me if I would write the stories the way I told them my book would be a best seller.

One wedding. No funeral. One unqualified catastrophe. "Dominic" was the little white lie thirty-and-still-unwed Sophy Metcalfe told to soothe her nagging mother. But now her perfect sister Belinda is tying the knot, and Sophy's going to have to produce the charming, successful, ideal boyfriend she invented -- since the genuine article vanished after a single, resoundingly unsuccessful evening. Desperate, she hires a male escort sight unseen to get her through the Nuptials from Hell. But the trouble with white lies is they tend to multiply -- especially at a gala disaster filled with new intrigues and old flames. And the trouble with Josh, her hired date, is he's kind of cute, in a rugged, too-sexy-for-his-own-good way. And then there's the biggest trouble of all -- because every wedding day is followed by a night. And, of course, a morning after ...

We commonly think of marriage as a private matter between two people, a personal expression of love and commitment. In this pioneering history, Nancy F. Cott demonstrates that marriage is and always has been a public institution. From the founding of the United States to the present day, imperatives about the necessity of marriage and its proper form have been deeply embedded in national policy, law, and political rhetoric. Legislators and judges have envisioned and enforced their preferred model of consensual, lifelong monogamy--a model derived from Christian tenets and the English common law that posits the husband as provider and the wife as dependent. In early confrontations with Native Americans, emancipated slaves, Mormon polygamists, and immigrant spouses, through the invention of the New Deal, federal income tax, and welfare programs, the federal government consistently influenced the shape of marriages. And even the immense social and legal changes of the last third of the twentieth century have not unraveled official reliance on marriage as a "pillar of the state." By excluding some kinds of marriages and encouraging others, marital policies have helped to sculpt the nation's citizenry, as well as its moral and social standards, and have directly affected national understandings of gender roles and racial difference. Public Vows is a panoramic view of marriage's political history, revealing the national government's profound role in our most private of choices. No one who reads this book will think of marriage in the same way again.

This book explores the subject of metaphor, using the imagery of cartography to set a course. It explores the creative aspects of thinking and learning through literature, writing, and word play, drawing connections between English and other content areas. Theory and practical applications meet in the book, linking activities and resources to current classroom concerns--to multiculturalism, imagination in reading and writing, critical thinking, and expanding language experiences. The first part of the book examines the uses of metaphor in constructing meaning. The second part takes up issues related to multiple perspectives--using metaphors to experience other lives, and exploring cultures through traditions. The third part of the book is devoted to a consideration of the history and current status of the English language and focuses on using cross-cultural stories in the English classroom, offering a number of resources for teaching multicultural literature in English. The fourth part examines the sensory experience of metaphors by seeing, hearing, tasting, smelling, and touching with the imagination. Contains 14 pages of references and an index. (NKA)

As startling and powerful as when first published more than two decades ago, André Brink's classic novel, A Dry White Season, is an unflinching and unforgettable look at racial intolerance, the human condition, and the heavy price of morality. Ben Du Toit is a white schoolteacher in suburban Johannesburg in a dark time of intolerance and state-sanctioned apartheid. A simple, apolitical man, he believes in the essential fairness of the South African government and its policies—until the sudden arrest and subsequent "suicide" of a black janitor from Du Toit's school. Haunted by new questions and desperate to believe that the man's death was a tragic accident, Du Toit undertakes an investigation into the terrible affair—a quest for the truth that will have devastating consequences for the teacher and his family, as it draws him into a lethal morass of lies, corruption, and murder.

"Classic and timeless." --New York Times "The book details Kovic's entering of the Vietnam War as a fierce, pro-war patriot before becoming an outspoken peace activist after an injury paralyzed him and he returned home to a cold reception." --Rolling Stone "Born on the Fourth of July tells the story of its author's transition from war hawk to protestor after being paralyzed in Vietnam, and coming home to a lukewarm reception. It's no coincidence that 'Born in The U.S.A.' tells very much the same tale." --Billboard "Kovic's book follows him from star high school wrestler to a patriotic American inspired by John F. Kennedy to join the marines to the traumatic 1968 wartime injury that left him paralyzed from the chest down to his emergence as an outspoken anti-war activist." --Hollywood Reporter "The 1976 book, which was made into an Oscar winning film starring Tom Cruise in 1989, details Kovic's period in the Vietnam War as a fierce, pro-war patriot before he became an outspoken peace activist after an injury paralysed him and he returned home to a cold reception." --NME "He was born in the U.S.A.--and on the 4th of July. Bruce Springsteen narrates a foreword he wrote in the new audiobook edition of Born on the Fourth of July, Ron Kovic's anti-Vietnam War memoir." --New York Daily News "There is no better time than Independence Day to listen [to] The Boss' iconic voice on the foreword and this great work of art." --Examiner "For the 40th anniversary of the book, which became a movie in the '80s starring Tom Cruise, a new print edition was issued with a foreword written by Bruce Springsteen, and the audiobook is the only place where you can hear Bruce read his foreword directly to you. That's right, the Boss sets the

tone for this extremely powerful and moving memoir in a way that you won't want to miss." -- Omnivoracious "Forty years ago the Vietnam vet from Massapequa--wounded in combat and in a wheelchair ever since--published his classic war memoir, later made into a film with Tom Cruise. The anniversary edition features a foreword by Bruce Springsteen. Kovic's new book, Hurricane Street, chronicles the 1970s activism of the American Veterans Movement." --Newsday "Born on the Fourth of July chronicles Kovic's transformation from a gung-ho soldier entering the Vietnam War to his return home as a paralyzed man. His experiences overseas, as well as the terrible way he was treated when he came back, made Kovic's book one of the antiwar movement's most celebrated works." --Ultimate Classic Rock "Kovic entered of the Vietnam War as a fierce, pro-war patriot before becoming an outspoken peace activist after an injury paralyzed him and he returned home to a cold reception as a veteran. His book tells his story." --Radio.com "Born on the Fourth of July tells the story of Kovic's enlistment and how he became disillusioned with the war over time and especially after he returned home to the States. Many of the book's themes are echoed in Springsteen's hit song, 'Born in the U.S.A.'" --Asbury Park Press With a new foreword by Bruce Springsteen. This New York Times best seller (more than one million copies sold), presented here in a special fortieth-anniversary edition with a brand-new foreword by Bruce Springsteen, details the author's life story (portrayed by Tom Cruise in the Oliver Stone film)--from a patriotic soldier in Vietnam, to his severe battlefield injury, to his role as the country's most outspoken anti-Vietnam

War advocate, spreading his message from his wheelchair.

A call-to-arms about the broken nature of artificial intelligence, and the powerful corporations that are turning the human-machine relationship on its head. We like to think that we are in control of the future of "artificial" intelligence. The reality, though, is that we--the everyday people whose data powers AI--aren't actually in control of anything. When, for example, we speak with Alexa, we contribute that data to a system we can't see and have no input into--one largely free from regulation or oversight. The big nine corporations--Amazon, Google, Facebook, Tencent, Baidu, Alibaba, Microsoft, IBM and Apple--are the new gods of AI and are short-changing our futures to reap immediate financial gain. In this book, Amy Webb reveals the pervasive, invisible ways in which the foundations of AI--the people working on the system, their motivations, the technology itself--is broken. Within our lifetimes, AI will, by design, begin to behave unpredictably, thinking and acting in ways which defy human logic. The big nine corporations may be inadvertently building and enabling vast arrays of intelligent systems that don't share our motivations, desires, or hopes for the future of humanity. Much more than a passionate, human-centered call-to-arms, this book delivers a strategy for changing course, and provides a path for liberating us from algorithmic decision-makers and powerful corporations.

"The Wheel Spins" is the novel about young and bright Iris Carr, who is on her way back to England

after spending a holiday somewhere in the Balkans. After she is left alone by her friends, Iris catches the train for Trieste and finds company in Miss Froy, chatty elderly English woman. When she wakes up from a short nap, she discovers that her elderly travelling companion seems to have disappeared from the train. After her fellow passengers deny ever having seen the elderly lady, the young woman is on the verge of her nerves. She is helped by a young English traveler, and the two proceed to search the train for clues to the old woman's disappearance. Ethel Lina White (1876-1944) was a British crime writer, best known for her novel *The Wheel Spins*, on which the Alfred Hitchcock film, *The Lady Vanishes*, was based.

This sweet contemporary story about poetry, family, and determining your own destiny is perfect for fans of books by Wendy Mass, Joan Bauer, Sharon Creech, and Rebecca Stead. Eleven-year-old Emily Elizabeth Davis has never met her father, so when a book of poetry with his name in it goes missing, Emily and her friends search all over their hometown of Berkeley, California, hoping to track it down. Meanwhile, even though her English-professor mother insists that Emily is destined to become a poet (she named her after Emily Dickinson!), Emily secretly corresponds with her idol, romance writer Danielle Steel. As Publishers Weekly says, "Fitzmaurice's story deftly mingles Dickinson, Danielle Steel, a budding crush, and protesting tree sitters while maintaining suspense that leads to a satisfying ending."
