MenBlaze

Sinclair is the oldest son in the Sinclair household. He's strong and sexy as hell and craves the plump receptionist working in his office building. On the night of the Christmas party his life is turned upside down, but he's determined to have the woman he wants. Cassie Walker has fallen in love with her boss. She spends every day at work craving his attention. One night her life is changed forever.

Broken and used, Cassie must learn to move on and forget about the man who owns her heart. Five years pass. With a divorce and a son under his belt, Blaze comes face to face with the only woman he's ever wanted. Can she forgive Blaze and give him a second chance, or will it be too late for her to realize the best things in life are worth fighting for. Blaze If you can't stand the heat, don't

walk into the fire. Danny knew his sophomore year would be stressful . . . but he didn't expect his school to burn down on the first day. To make matters worse (and they were about to get a lot worse), he -- and his three best friends -- receive an email in their inboxes from the principal of their rival, King's Academy, offering full-rides to attend the town's prestigious boarding school. Danny

wants nothing to do with King's Academy and says no. Of course his mother says yes. So off he goes to be bullied and picked on for not being part of the popular and rich "in crowd." From day one at King's, Danny encounters hazing, mocking insults from girls at the "popular and pretty" table, and cafeteria food that, for such a prestigious school, tastes as if it were purchased from a military

surplus supply warehouse. If he survives, Danny will have to overcome his fears of failure, rejection, and loneliness--all while standing strong in his beliefs and walking into the fire. *Victor Createspace Independent Publishing Platform* CEO Henry Osbourne has only ever desired one woman—the one who got away. teammates—he brooding, sexy captain of the NHL’s Chicago Blaze has a reputation for...not having a reputation. Just like his diet and sleep routines, celibacy is part of Anton Petrov’s on-ice mojo. Or so they say. Anton stays mum on the subject. If the world thinks he chooses to abstain from sex, so be it. Better that than the truth getting out: there is a woman he burns for, but he can never

have her. She’s his teammate’s wife, after all. Mia Marceau is finally on her own. Now that she and her husband are living apart, she’s finding the peace she was desperate for. She spends her days in classes and late nights bartending, making her own way in the world at last. After what she’s been through, as long as her husband leaves her alone, she doesn’t plan to rock the boat. He still

has the power to hurt those dearest to her, and she can’t demand a divorce with such a high cost. A chance encounter with Mia has Anton hoping for a shot he never thought he’d get. who still lives at home and gets tongue tied over nothing, it's a fitting one. I'm not even one of those quiet girls with a hidden talent, unless making a mean order of nachos at the NHL arena I work at counts. My life consists of working, reading and harboring a secret crush on a hockey player who doesn't know I exist. At least, until we accidentally meet and become unlikely friends. Victor I'm living the

me find hope. She's nothing like the women I'm used to, but by the time I figure out that's exactly why she's right for me, I've lost my chance with her. But there's nothing innocent about Ally Morales. She proves that the first day at her new job... in my office... after being hired by my mother. So maybe her colorful, annoying, inexplicably alluring personality brightens up the magazine's offices that have felt like a prison for the past year. Maybe I like that she argues with me in front of the editorial staff. And maybe my after-hours fantasies are haunted by those brown eyes and that sharp tongue. But that doesn't mean that I'm going to be the next Russo man to take advantage of his position. I might be a second-generation son of a... fill in the blank, but I am not my father. She's working herself to death at half a dozen dead-end jobs for some secret reason she doesn't feel like sharing with me. And I'm going to fix it all. Don't accuse me of caring. She's nothing more than a puzzle to be solved. If I can get her to quit, I can finally peel back all those layers. Then I can go back to salvaging the family name and forget all about the dancing, beer-slinging brunette. Ally Ha. Hold my beer, Grumpy Grump Face.
