With the help of industrialist Andrew Carnegie, the author of this remarkable book spent two decades interviewing hundreds of people renowned for their wealth and achievement. Napoleon Hill's all-time bestseller in the personal success field offers priceless advice on positive thinking and overcoming adversity by distilling the collective wisdom of Henry Ford, Thomas Edison, John D. Rockefeller, and other successful figures from the worlds of finance, industry, and the arts. Growing rich, Hill explains, is about far more than just making money. "Whatever the mind can conceive and believe," he asserts, "it can achieve with positive mental attitude." Hill outlines 13 principles of success involving goal setting, developing entrepreneurial thinking, and exercising effective leadership. A must for any reader of *The Secret*, this guide will transform the way you think about time, money, and relationships, setting your feet on the path to financial freedom.

John Maxwell and Rob Hoskins have invested their lives as champions of change. Maxwell's organizations EQUIP and the John Maxwell Leadership Foundation have transformed communities by training more than five million leaders from literally every country in the world. Hoskins's One Hope has transformed the lives of more than one billion children and youth in 120 countries around the globe. Now, for the first time, these two leaders have partnered to write a book about how anyone, anywhere, can transform their world. Offering practical principles based on solid research and real-life experience, the authors teach how to recognize where and how to get started, who to recruit, when to mobilize people, what to do, how to communicate, and how to know when they've really hit the target. This accompanying workbook integrates the power of Maxwell's familiar and engaging leadership communication with the research-based international insights of Hoskins's and One Hope global experience. Transformation is within the reach of anyone who is willing to think, speak, and act in a way that values people and collaborates with them to bring about lasting positive change. This workbook will give them the tools to go through the steps, based on the trade book, to make that happen in their lives.

In the past eighteen months, investors

have seen rapid, often intimidating changes in the stock market-tech stocks have soared and crashed and assets that shifted away from traditional blue chip companies have quickly shifted back again. In spite of this volatility however, there has been one constant: Warren Buffet's value investing strategies make money. In *BUFFETOLOGY*, Mary Buffet and David Clark unveiled the analysis techniques that made Warren Buffet the billionaire and investment icon he is today. Now in this companion workbook, the authors explain Buffet's system of business perspective investing, focusing on specific mathematical ratios and calculations. Written in clear, easy-to-understand language, *THE BUFFETTOLOGY WORKBOOK* offers everyone with or without an Internet connection the tools they'll need to apply the same kind of value analysis to readily available financial data that Warren Buffet does.
