“GRIPPING...THIS YARN HAS IT ALL.” —USA TODAY * “A WONDERFUL BOOK.” —Christian Science Monitor * “ENTHRALLING.” —Kirkus Reviews (starred review) * “A MUST-READ.”

—Booklist (starred review)
A human drama unlike any other—the riveting and definitive full story of the worst sea disaster in United States naval history. Just after midnight on July 30, 1945, the USS Indianapolis is sailing alone in the Philippine Sea when she is sunk by two Japanese torpedoes. For the next five nights and four days, almost three hundred miles from the nearest land, nearly nine hundred men battle injuries, sharks, dehydration, insanity, and eventually

each other. Only 316 will survive. For the first time Lynn Vincent and Sara Vladic tell the complete story of the ship, her crew, and their final mission to save one of their own in “a wonderful book...that features grievous mistakes, extraordinary courage, unimaginable horror, and a cover-up...as complete an account of this tragic tale as we are likely to have” (The Christian Science Monitor). It begins in 1932, when Indianapolis is christened and continues through

World War II, when the ship embarks on her final world-changing mission: delivering the core of the atomic bomb to the Pacific for the strike on Hiroshima. “Simply outstanding...Indianapolis is a must-read...a tour de force of true human drama” (Booklist, starred review) that goes beyond the men’s rescue to chronicle the survivors’ fifty-year fight for justice on behalf of their skipper, Captain Charles McVay III, who is wrongly court-martialed for the sinking. “Enthralling...A gripping

study of the greatest sea disaster in the history of the US Navy and its aftermath” (Kirkus Reviews, starred review), Indianapolis stands as both groundbreaking naval history and spellbinding narrative—and brings the ship and her heroic crew back to full, vivid, unforgettable life. “Vincent and Vladic have delivered an account that stands out through its crisp writing and superb research...Indianapolis is sure to hold its own for a long time” (USA TODAY).

Tom Brady's Two Year Mission to Overcome Deflategate Heyday Books

In May 2010, Labour suffered one of its worst ever election defeats. A few months later it chose Ed Miliband as its new leader. His task? To win back power after just one term in opposition - a tall order given how many voters had come to blame Labour for the economic mess the country was in,

and to see the party as a soft-touch when it came to immigration and welfare. Even those who were more sympathetic had their doubts. Was Ed Miliband really leadership material? Would he be able to overcome defeating his elder brother to get to the top? Would he have to do as he was told by the trade union leaders who had helped him win? Could he resolve the tensions between Blairites and Brownites, Blue Labour and New Labour? Might his desire to keep his

colleagues united mean Labour stayed stuck in its comfort zone? Would he, in seeking to break from the party's recent past, take it too far to the left? Could he offer the electorate something really radical in 2015 or would he instead choose something safer but ultimately less inspiring? And what should twenty-first social democracy look like now that the money had run out? This book, by one of the country's foremost experts on party politics, seeks to answer all those

questions and, in the run up to the 2015 general election, to ask one more: will Ed Miliband's five year mission turn out to be 'mission impossible'?

Mission 51 Simon and Schuster

Based on the acclaimed HBO documentary, the astonishing true story of how one American couple transported fifty Jewish children from Nazi-occupied Austria to America in 1939—the single largest group of unaccompanied refugee children allowed into the United States—for readers

of *In the Garden of Beasts* and *A Train in Winter*. In early 1939, America's rigid immigration laws made it virtually impossible for European Jews to seek safe haven in the United States. As deep-seated anti-Semitism and isolationism gripped much of the country, neither President Roosevelt nor Congress rallied to their aid. Yet one brave Jewish couple from Philadelphia refused to silently stand by. Risking their own safety, Gilbert Kraus, a successful lawyer, and his stylish

wife, Eleanor, traveled to Nazi-controlled Vienna and Berlin to save fifty Jewish children. Steven Pressman brought the Kraus's rescue mission to life in his acclaimed HBO documentary, *50 Children*. In this book, he expands upon the story related in the hour-long film, offering additional historical detail and context to offer a rich, full portrait of this ordinary couple and their extraordinary actions. Drawing from Eleanor Kraus's unpublished memoir, rare historical

documents, and interviews with more than a dozen of the surviving children, and illustrated with period photographs, archival materials, and memorabilia, *50 Children* is a remarkable tale of personal courage and triumphant heroism that offers a fresh, unique insight into a critical period of history. Macmillan
New York Times bestselling author Donald Miller shares the plan that led him to turn his life around. There are four

characters in every story: The victim, the villain, the hero, and the guide. These four characters live inside us. If we play the victim, we're doomed to fail. If we play the villain, we will not create genuine bonds. But if we play the hero or guide, our lives will flourish. The hard part is being self-aware enough to know which character we are playing. In this book, Donald will use his own experiences to help you recognize if the character you are currently surfacing is helping you experience a

life of meaning. He breaks down the transformational, yet practical, plan that took him from slowly giving up to rapidly gaining a new perspective of his own life's beauty and meaning, igniting his motivation, passion, and productivity, so you can do the same. The lessons in this book will teach you how to: Help you discover when you are playing the victim and villain. Create a simple life plan that will bring clarity and meaning to your goals ahead. Take control of your life by

choosing to be the hero in your story. Cultivate a sense of creativity about what your life can be. Move beyond just being productive to experiencing a deep sense of meaning. Donald Miller will help you identify the many chances you have of being the hero in your life, and the times when you are falling into the trap of becoming the victim. He will guide you in developing a unique plan that will speak to the challenges you currently face so you, too, can take find the

fulfillment you have been searching for in your life and work.
My Fifty Years Editing Hollywood Hits--Star Wars, Carrie, Ferris Bueller's Day Off, Mission: Impossible, and More
Pocket Books/Star Trek
As a couple you are not just living together to survive, you are being called to thrive. Your marriage is called to greatness! This is The Mission of Love. It is an opportunity to discover the inestimable greatness of your calling as a man and woman joined

together in marriage and to empower yourselves with a plan to make it happen. This book will help you, as a couple, identify who you are together, your shared vision for the relationship, and tools to make this vision a reality. You can embrace this challenge for your marriage and strive for success in the greatest endeavor you will ever embark upon or you can try the same thing that's been done for decades and expect little more than the same results.

year mission and boldly go into an uncertain future in this new continuing Star Trekseries! Collects issues #1-6.

These Are the Voyages
MIT Press

* Instant Bestseller * New York Times Editors' Choice * "A gripping account of PayPal's origins and a vivid portrait of the geeks and contrarians who made its meteoric rise possible" (The Wall Street Journal)—including Elon Musk, Amy Rowe Klement, Peter Thiel, Julie Anderson, Max Levchin,

Reid Hoffman, and many others whose stories have never been shared.

"Deeply reported and bracingly written, this book is an indispensable guide to modern innovation and entrepreneurship."

—Walter Isaacson, New York Times bestselling author of Code Breaker Today, PayPal's founders and earliest employees are considered the technology industry's most powerful network. Since leaving PayPal, they have formed, funded, and advised the leading

companies of our era, including Tesla, Facebook, YouTube, SpaceX, Yelp, Palantir, and LinkedIn, among many others. As a group, they have driven twenty-first-century innovation and entrepreneurship. Their names stir passions; they're as controversial as they are admired. Yet for all their influence, the story of where they first started has gone largely untold. Before igniting the commercial space race or jumpstarting social media's rise, they were the unknown creators of a

scrappy online payments start-up called PayPal. In building what became one of the world's foremost companies, they faced bruising competition, internal strife, the emergence of widespread online fraud, and the devastating dot-com bust of the 2000s. Their success was anything but certain. In *The Founders: The Story of PayPal and the Entrepreneurs Who Shaped Silicon Valley*, award-winning author and biographer Jimmy Soni explores PayPal's turbulent early days. With

hundreds of interviews and unprecedented access to thousands of pages of internal material, he shows how the seeds of so much of what shapes our world today—fast-scaling digital start-ups, cashless currency concepts, mobile money transfer—were planted two decades ago. He also reveals the stories of countless individuals who were left out of the front-page features and banner headlines but who were central to PayPal's success. Described as “an intensely magnetic

chronicle” (The New York Times) and “engrossing” (Business Insider), *The Founders* is a story of iteration and inventiveness—the products of which have cast a long and powerful shadow over modern life. This narrative illustrates how this rare assemblage of talent came to work together and how their collaboration changed our world forever. *Remember Who You Truly Are* Colchis Books
It was only supposed to be a short visit. It turned into a love affair. Melanie

White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former

nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage. *The Complete, Uncensored, and Unauthorized Oral History of Star Trek* Simon & Schuster
Returning to Carver hasn

been the same since Jesse left, but after almost four years, Riley Regas has gotten used to it. She picked up the pieces after he broke her heart and has moved on. Evan has shown Riley how to love again, but when she comes home for the summer before her senior year of college, Jesse unexpected return causes everything she worked so hard to put behind her to come rushing back. She can deny she still feels something for Jesse, but how can she forgive the way he left her and what

about her future with Evan? With her past and present colliding, what life will she choose and will Riley ever truly find happiness?

Mission Amsterdam is a must-have book for kids visiting Amsterdam! Be sure to check out our other books for Paris, Rome, Barcelona, London, New York, and Washington, D.C. Here's what Amazon customers have to say about other books in the Scavenger Hunt AdventureTMseries:

"This book was flat out fantastic. We took a family trip with two adults and one seven year old. I was worried that he would be bored looking at the museums and sights. This book made a huge, huge difference." -Chinagr1
"This book helped make our trip...with 6th graders fun and fulfilling. We weren't sure how our kids would take to going to all the museums and landmarks...but this book had us visiting many sites more than once. They were so excited to find each item in the book." -

CC in SF "Great for teenagers! I love these books! My kids are 12, 14 and 16 so I was afraid they might think they were "baby" books, but they are enjoying them." - Marilyn Thomas

"Join Jack and Annie as they as they meet one of the world's most famous illusionists - Harry Houdini!"--

A Novel Simon and Schuster

This book will help you to remember who you truly are, and to be your true, authentic self, in its entirety, to unlock the beautiful spirit and essence of you. You have a soul mission: it's time to wake up to it and fulfill your destiny and be everything you ever dreamed of being, your

soul and spirit self really are, unafraid to shine in a world that all too often might seem might seek to undermine or limit you...You are filled with infinite possibilities and great gifts. Many of us are waking up from the illusion of fear, lower consciousness and vibration that we have been trapped in. Though times may be dark, the light can prevail and by holding on to our dreams and visions, we will emerge with a higher consciousness. We will shed all the restrictions of

the past, and break the chains of the judgmental and fear-based systems which have ruled and limited our lives in so many ways, to take a jump and leap of faith and really be the full expression of our unique and special souls. "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul.... I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure" "What a beautiful book; one that touches you and

works on so many levels." "It doesn't matter where you are on your journey, in this book you will find something new, something to remind you of who and where you are, why you are following the path you have chosen and affirmation that you are not alone, the Universe is always supporting you. I found the book easy to read, to me the energy of the

words just flow off the page, and hit the spot. Read it from cover to cover, dip in and out, the choice is yours and the book supports you in whatever way you wish to connect with it. Bursting with information and workable ways to experiment and include in your spiritual practice. Sally has worked really hard to make this work appeal to as wider audience as possible and I

feel she has pulled it off with a flourish. Well done Sally, when's the next one?" "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul and I felt curiously emotional. I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure & refer to when I am in need of uplifting"
