Robin McKinley's mesmerizing history of Damar is the stuff that legends are made of. The Hero and the Crown is a dazzling "prequel" to The Blue Sword. Aerin is the only child of the king of Damar, and should be his rightful heir. But she is also the daughter of a witchwoman of the North, who died when she was born, and the Damarians cannot trust her. But Aerin's destiny is greater than her father's people know, for it leads her to battle with Maur, the Black Dragon, and into the wilder Damarian Hills, where she meets the wizard Luthe. It is he who at last tells her the truth about her mother, and he also gives over to her hand the Blue Sword, Gonturan. But such gifts as these bear a great price, a price Aerin only begins to realize when she faces the evil mage, Agsded, who has seized the Hero's Crown, greatest treasure and secret strength of Damar.

There was nothing Otis Spofford liked better than stirring up a little excitement, particularly at school. A less resourceful teacher than Mrs. Gitler would have found him pretty hard to take. But even Mrs. Gitler did not entirely relish the bullfight at the fiesta arranged for the P.T.A. meeting. Otis was disappointed at not being the toreador, but as the front half of the bull he managed to

steal the whole show, to the annoyance of his classmates and his teacher. It was then that Mrs. Gitler suggested that Otis might someday get his comeuppance. Of all Otis's acquaintances, the neat and well-behaved Ellen Tebbits was the one he most enjoyed teasing. Strangely enough, it was Ellen who at last brought about his comeuppance. But before that happens, his losing spitball battle with Mrs. Gitler, his surprising affection for the experimental baby rat, and his insect collecting on behalf of the football hero provide a feast of fun for any child or grownup. Mrs. Cleary's gifts as a writer are many, and her real understanding warms every page of this wonderful story of a "bad boy."
