Leaders everywhere, in arenas big and small, struggle with the desire and, frankly, the need to make sure their vision for the organization they have created or grown continues regardless of circumstances. And the question "what will be my legacy?" is a question all people ask themselves. Myles Munroe has observed that the tendency among leaders is to deal with this question as serious circumstances or retirement loom. Further, it is his belief that this is one of the most important decisions a leader will ever make. This book is a wakeup call. Myles Munroe wants all leaders to focus on building the right team for the future and to make it a top priority because the process is not a quick one. Properly mentoring the right people to ensure the continuation of an organization is actually a process that must be woven into that organization over a span of years or even decades. Chapter topics discussed include The Chaos of Transition The Leadership Dilemma Living Beyond Your Generation The Principles of Mentoring PASSING IT ON shows how to use the concept of mentoring within an organization to value the distinct talents and abilities of the individuals. Mentoring is the pathway to developing leaders from within; leaders who are in line with the goals of the organization; leaders who are most likely to adopt and carry a vision forward.

Obi Okonkwo is an idealistic young man who, thanks to the privileges of an education in Britain, has now returned to Nigeria for a job in the civil service. However in his new role he finds that the way of government seems to be backhanders and corruption. Obi manages to resist the bribes that are offered to him, but when he falls in love with an unsuitable girl - to the disapproval of his parents - he sinks further into emotional and financial turmoil. The lure of easy money becomes harder to refuse, and Obi becomes caught in a trap he cannot escape. Showing a man lost in cultural limbo, and a Nigeria entering a new age of disillusionment, No Longer at Ease concludes Achebe's remarkable trilogy charting three generations of an African community under the impact of colonialism, the first two volumes of which are Things Fall Apart and Arrow of God.

"A fantasy world as well-realized as anything Tolkien made."
—Neil Gaiman "Gripping, action-packed....The literary equivalent of a Marvel Comics universe." —Michiko Kakutani, The New York Times In this epic, internationally bestselling novel from Marlon James, the Man Booker Prize-winning author of A Brief History of Seven Killings, myth, fantasy and history merge in the stunning story of a mercenary's quest to find a missing child. Tracker is known far and wide for his skills as a hunter: "He has a nose," people say. Hired to find a mysterious boy who has disappeared, Tracker breaks his own rule of always working alone when he finds himself part of a group assembled to search for the boy. The band is a hodgepodge, full of unusual characters with secrets of their own, including a shape-shifting man-animal known as the Leopard. As Tracker follows the boy's scent, he and the band are set upon by creatures intent on destroying them. As he fights for survival, Tracker starts to wonder: Who, really, is this boy? Why

has he been missing for so long? Why do so many people want to keep the boy from being found? And perhaps most important of all: Who is telling the truth, and who is lying? Drawing from African history and mythology and his own rich imagination, Marlon James has written a saga of breathtaking adventure that's also an ambitious, involving read. Defying categorization and full of unforgettable characters, Black Leopard, Red Wolf is both surprising and profound as it explores the fundamentals of truth, the limits of power, the excesses of ambition, and our need to understand them all.

"[W]hat is true of Rwanda is true in each of us; we all share in Africa." -- L'Harmattan "[This novel] comes closer than have many

political scientists or historians to trying to understand why this small country... sank in such appalling violence." -- Radio France International In April of 1994, nearly a million Rwandans were killed in what would prove to be one of the swiftest, most terrifying killing sprees of the 20th century. In Murambi, The Book of Bones, Boubacar Boris Diop comes face to face with the chilling horror and overwhelming sadness of the tragedy. Now, the power of Diop's acclaimed novel is available to English-speaking readers through Fiona Mc Laughlin's crisp translation. The novel recounts the story of a Rwandan history teacher, Cornelius Uvimana, who was living and working in Djibouti at the time of the massacre. He returns to Rwanda to try to comprehend the death of his family and to write a play about the events that took place there. As the novel unfolds, Cornelius begins to understand that it is only our humanity that will save us, and that as a writer, he must bear witness to the atrocities of the genocide. From the novel: "If only by the way people are walking, you can see that tension is mounting by the minute. I can feel it almost physically. Everyone is running or at least hurrying about. I meet more and more passersby who seem to be walking around in circles. There seems to be another light in their eyes. I think of the fathers who have to face the anguished eyes of their children and who can't tell them anything. For them, the country has become an immense trap in the space of just a few hours. Death is on the prowl. They can't even dream of defending themselves. Everything has been meticulously prepared for a long time: the administration, the army, and the [militia] are going to combine forces to kill, if possible, every last one of them."

'My intent is to document the experiences of African business women in terms of their background, their start-up stage, their growth pattern, their challenges, the impact of choices of spouse on their business, their work-life balance, and their future plans. My vision is to create a document to inspire other women as well as celebrate the women.' Having said that, Ibukun Awosika set out to take on a number of female entrepreneurs who have succeeded in carving a niche for themselves in the business world, and profiled their stories for the benefits of other women who aspire to do same in the first volume of her book The "Girl" Entrepreneurs: Our Stories So Far... In this book, you will get to read what the motivations, the challenges, and the strategies of these women are. You will also be acquainted with how the contributions of other people, such as their spouses, parents and family, have helped towards their achievement of success. IBUKUN AWOSIKA is an accomplished entrepreneur and an ordained pastor at The Fountain of Life Church. She is the Founder of Christian Missionary Funds, a non-governmental body whose main objective is to support and raise funds for Christian missionaries in different parts of Nigeria. She is the host of a popular TV programme, Business His Way, where she shares ethical business values and principles, distilled from the Word of God, with the business community in Nigeria and neighbouring West African countries. She is the happy wife of Abiodun Awosika and the joyous mother of Oludola, Olafusika, and Olamiposi.

For the great God who called me has given me, also, a glimpse of His glory. Kathryn Kuhlman Kathryn Kuhlman introduced the Holy

Spirit to a generation who knew Him not. Thousands were born again and healed by the power of God during her miracle services. While most people knew Kathryn Kuhlman only as a woman of miracles, her most lasting contribution to the kingdom is her teaching. Her daily radio broadcasts were gems of truth and wit. This book captures Kathryn's spoken wisdom while also telling the stories of the miracle healings she witnessed. Hundreds of thousands bought her only authorized biography, *Daughter of Destiny*, to know her better. Then before she died in 1976 she told her biographer, Jamie Buckingham, Tell it all. He realized that what she taught was even more important than what she did. That realization birthed *A Glimpse Into Glory*. The short chapters that compose *A Glimpse Into Glory* carefully transcribed and edited from Kathryn's radio teachings represent some of the best messages she preached around the nation. Several are unpublished statements she gave to various magazines and newspapers, taken verbatim from interview tapes. What she had to say gives us not only insight into a woman God used as a prophetic leader, but also provides something far more important: glimpses into His glory.
